## DEPARTMENT OF JUSTICE

### Notice of Lodging of a Consent Decree Under the Comprehensive Environmental Response, Compensation and Liability Act

Under 28 CFR 50.7, notice is hereby given that on June 18, 2004, a proposed Consent Decree in *United States v. Mallinckrodt, Inc.* et al., Civil Action No. 4:02CV1488 was lodged with the

United States District Court for the Eastern District of Missouri.

In this action the United States sought response costs relating to response actions by the Environmental Protection Agency ("EPA") at the Great Lakes Container Corporation Superfund Site in St. Louis, Missouri. The Site is a former drum reclamation facility contaminated primarily with lead and polychlorinated biphenyls ("PCBs"). The settling defendants, Croda Inks Corporation, Engineered Lubricants Co., Gardner Denver, Inc., Jesco Resources, Inc., and the Defense Logistics Agency, sent drums to the facility and thereby contributed small or unknown amounts of lead to the Site. In the proposed consent decree, the settling defendants have agreed to reimburse EPA a total of \$24,197.20 in past response costs. In return, the United States covenants not to sue those parties for their liability related to lead contamination at the Site.

The Department of Justice will receive for a period of thirty (30) days from the date of this publication comments relating to the Consent Decree. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, P.O. Box 7611, U.S. Department of Justice, Washington, DC 20044-7611, and should refer to *United States v. Mallinckrodt, Inc.* et al., Consent Decree, D.J. Ref. 90-11-3-07280.

The Consent Decree may be examined at the Office of the United States Attorney, Eastern District of Missouri, 111 10th Street, St. Louis, Mo 63102 and at U.S. EPA Region VII, U.S. EPA, Region VII, 901 N. 5th Street, Kansas City, KS 66101, (913) 551-7559. During the public comment period, the Consent Decree may also be examined on the following Department of Justice Web site, <http://www.usdog.gov/enrd/open.html>. A copy of the Consent Decree may also be obtained by mail from the Consent Decree Library, P.O. Box 7611, U.S. Department of Justice, Washington, DC 20044-7611 or by faxing or e-mailing a request to Tonia Fleetwood ([tonia.fleetwood@usdog.gov](mailto:tonia.fleetwood@usdog.gov)), fax number (202) 514-0097, phone confirmation number (202) 514-1547. In requesting a copy from the Consent Decree Library, please enclose a check in the amount of \$6.25 (25 cents per page reproduction cost) payable to the U.S. Treasury.

## DEPARTMENT OF LABOR

### Employment Standards Administration

#### Wage and Hour Division; Minimum Wages for Federal and Federally Assisted Construction; General Wage Determination Decisions

General wage determination decisions of the Secretary of Labor are issued in accordance with applicable law and are based on the information obtained by the Department of Labor from its study of local wage conditions and data made available from other sources. They specify the basic hourly wage rates and fringe benefits which are determined to be prevailing for the described classes of laborers and mechanics employed on construction projects of a similar character and in the localities specified therein.

The determinations in these decisions of prevailing rates and fringe benefits have been made in accordance with 29 CFR part 1, by authority of the Secretary of Labor pursuant to the provisions of the Davis-Bacon Act of March 3, 1931, as amended (46 Stat. 1494, as amended, 40 U.S.C. 276a) and of other Federal statutes referred to in 29 CFR part 1, appendix, as well as such additional statutes as may from time to time be enacted containing provisions for the payment of wages determined to be prevailing by the Secretary of Labor in accordance with the Davis-Bacon Act. The prevailing rates and fringe benefits determined in these decisions shall, in accordance with the provisions of the foregoing statutes, constitute the minimum wages payable on Federal and federally assisted construction projects to laborers and mechanics of the specified classes engaged on contract work of the character and in the localities described therein.

Good cause is hereby found for not utilizing notice and public comment procedure thereon prior to the issuance of these determinations as prescribed in 5 U.S.C. 553 and not providing for delay in the effective date as prescribed in that section, because the necessity to issue current construction industry wage determinations frequently and in large volume causes procedures to be impractical and contrary to the public interest.

General wage determination decisions, and modifications and supersedeas decisions thereto, contain no expiration dates and are effective from their date of notice in the **Federal Register**, or on the date written notice is received by the agency, whichever is earlier. These decisions are to be used in accordance with the provisions of 29

CFR parts 1 and 5. Accordingly, the applicable decision, together with any modifications issued, must be made a part of every contract for performance of the described work within the geographic area indicated as required by an applicable Federal prevailing wage law and 29 CFR part 5. The wage rates and fringe benefits, notice of which is published herein, and which are contained in the Government Printing Office (GPO) document entitled "General Wage Determinations Issued Under the Davis-Bacon and Related Acts," shall be the minimum paid by contractors and subcontractors to laborers and mechanics.

Any person, organization, or governmental agency having an interest in the rates determined as prevailing is encouraged to submit wage rate and fringe benefit information for consideration by the Department.

Further information and self-explanatory forms for the purpose of submitting this data may be obtained by writing to the U.S. Department of Labor, Employment Standards Administration, Wage and Hour Division, Division of Wage Determinations, 200 Constitution Avenue, NW., Room S-3014, Washington, DC 20210.

## NUCLEAR REGULATORY COMMISSION

[Docket Nos. 50-254 and 50-265]

### Exelon Generation Company, LLC, Quad Cities Nuclear Power Station, Units 1 and 2; Notice of Availability of the Final Supplement 16 To Generic Environmental Impact Statement for the License Renewal of Quad Cities Nuclear Power Station, Units 1 and 2

Notice is hereby given that the U.S. Nuclear Regulatory Commission (the Commission) has published a final plant-specific supplement to the Generic Environmental Impact Statement (GEIS), NUREG-1437, regarding the renewal of operating licenses DPR-29 and DPR-30 for an additional 20 years of operation at Quad Cities Nuclear Power Station (QCNPS). QCNPS is located in Rock Island County, Illinois, approximately 4 miles north of Cordova, Illinois. Possible alternatives to the proposed action (license renewal) include no action and reasonable alternative energy sources.

It is stated in Section 9.3 of the report: Based on (1) The analysis and findings in the GEIS (NRC 1996; 1999); (2) the ER [Environmental Report] submitted by Exelon (Exelon 2003b); (3) consultation with Federal, State, and local agencies; (4) the staff's own independent review; and (5) the staff's consideration of the public comments, the recommendation of the staff is that the Commission determine that the adverse environmental impacts of license renewal for Quad Cities Units 1 and 2 are not so great that preserving the option of license renewal for energy-planning decisionmakers would be unreasonable.

The final Supplement 16 to the GEIS is available for public inspection in the NRC Public Document Room (PDR) located at One White Flint North, 11555 Rockville Pike (first floor), Rockville, Maryland, or from the Publicly Available Records (PARS) component of NRC's Agencywide Documents Access and Management System (ADAMS). ADAMS is accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html> (the Public Electronic Reading Room). Persons who do not have access to ADAMS, or who encounter problems in accessing the documents located in ADAMS, should contact the PDR reference staff at 1-800-397-4209, 301-415-4737, or by e-mail to [pdr@nrc.gov](mailto:pdr@nrc.gov). In addition, the Cordova District Library, 402 Main Avenue, Cordova, Illinois; the River Valley Library, 214 South Main Street, Port Byron, Illinois; and the Davenport Public Library, 321 Main Street,
