Abstract: States are required to submit a performance report to the Secretary under Section 80.40 of the Education Department General Administrative Regulations. This collection serves both of these functions. The Office of Special Education Programs (OSEP) is implementing an integrated, four-part accountability strategy: (1) Verifying the effectiveness and accuracy of States' monitoring, assessment, and data collection systems; (2) attending to States at high risk for compliance, financial, and/or management failure; (3) supporting States in assessing their performance and compliance, and in planning, implementing, and evaluating improvement strategies; and (4) focusing OSEPs' intervention on States with low ranking performance on critical performance indicators. Component 3 of OSEPs' accountability strategy is implemented through this Annual Performance Report. Reporting requirements for States' Self-Assessments, Improvement Plans, and Annual Performance Reports are being combined in this Part C Annual Performance Report.
