3. Submission Dates and Times:

Applications Available: August 27, 2004.

Deadline for Transmittal of Applications: October 19, 2004.

Applications for grants under this program must be submitted electronically using the Electronic Grant Application System (e-Application) available through the Department's e-GRANTS system. For information (including dates and times) about how to submit your application electronically through the e-GRANTS system or to request a waiver of the electronic submission requirement, please refer to Section IV.6. *Procedures for Submitting Applications* in this notice.

We do not consider an application that does not comply with the deadline requirements.

4. **Intergovernmental Review:** This program is not subject to Executive Order 12372 and the regulations in 34 CFR part 79.

5. **Funding Restrictions:** We reference regulations outlining funding restrictions in the *Applicable Regulations* section of this notice.

6. Procedures for Submitting Applications:

We are requiring that applications for grants under this program be submitted electronically, unless the applicant IHE

requests a waiver of this requirement in accordance with the instructions in this section.

a. Electronic Submission of Applications.

Applications for grants under the Fulbright-Hays Faculty Research Abroad Fellowship Program—CFDA Number 84.019A must be submitted electronically using e-Application available through the Department's e-GRANTS system. The e-GRANTS system is accessible through its portal page at: <http://e-grants.ed.gov>.

- The process for submitting applications electronically under the Fulbright-Hays Faculty Research Abroad Fellowship Program has several parts. The following is a brief summary of the process; however, all applicants should review and follow the detailed description of the application process that is contained in the application package. In summary, the major parts are as follows: (1) IHEs must e-mail the following information to fra@ed.gov: name of university, full name and e-mail address of potential project director. We recommend that applicant IHEs submit this information as soon as possible to ensure that applicant IHEs obtain access to the e-Application system well before the application deadline date. We suggest that applicant IHEs send this information no later than September 30, 2004, in order to facilitate timely submission of their applications; (2) Faculty complete their individual applications and submit them to their IHE's project director using e-Application; (3) Persons providing references for individual faculty complete and submit reference forms for the faculty and submit them to the IHE's project director using e-Application; and (4) The IHE's project director officially submits the IHE's application, which includes all eligible individual faculty applications, reference forms, and other required forms, using e-Application.

Unless a waiver of the electronic submission requirement has been requested by the applicant, IHE in accordance with the procedures in this section *all* portions of the application must be submitted electronically.

If the applicant IHE is unable to submit an application through the e-GRANTS system, the applicant IHE must submit a written request for a waiver of the electronic submission requirement. In its request, the applicant IHE should explain the reason or reasons that prevent it from using the Internet to submit its application. The applicant IHE should address its request to: Ms. Amy Wilson or Ms. Eliza Washington, International Education

Programs Service, U.S. Department of Education, 1990 K Street, NW., 6th floor, Washington, DC 20006–8521. Please submit the request no later than two weeks before the application deadline date. The applicant IHE's paper application must be submitted in accordance with the mail or hand delivery instructions described in this notice.

If, within two weeks of the application deadline date, the applicant IHE is unable to submit an application electronically, it must submit a paper application in accordance with the mail or hand delivery instructions described in this notice. The paper application must include a written request for a waiver documenting the reasons that prevented the applicant IHE from using the Internet to submit its application.

When using e-Application to complete their parts of the application, individual faculty members, persons providing references and the applicant IHE will be entering data online. Do not e-mail an electronic copy of any part of a grant application to us. The data that is entered online will be saved into a database.

If the applicant IHE participates in e-Application, please note the following:

- The applicant IHE must submit its grant application electronically through the Internet using the software provided on the e-Grants Web site (<http://e-grants.ed.gov>) by 4:30 p.m., Washington, DC time, on the application deadline date. The regular hours of operation of the e-Grants Web site are 6 a.m. Monday until 7 p.m. Wednesday; and 6 a.m. Thursday until midnight Saturday, Washington, DC time. Please note that the system is unavailable on Sundays, and after 7 p.m. on Wednesdays for maintenance, Washington, DC time. Any modifications to these hours are posted on the e-Grants Web site. We strongly recommend that applicant IHEs do not wait until the application deadline date to initiate an e-Application package.

- An applicant IHE will not receive additional point value because it submits the application in electronic format, nor will we penalize the applicant IHE if it requests a waiver and submits the application in paper format because the applicant IHE was prevented from submitting the application electronically as required.

- The applicant IHE must submit all documents, electronically, including the Application for Federal Education Assistance (ED 424) and all necessary assurances and certifications.

- The e-Application must comply with any page limit requirements described in this notice.

- After the individual faculty applicant electronically submits his/her application to his/her IHE, the faculty member will receive an automatic acknowledgement. In addition, the applicant IHE's Project Director will receive a copy of this acknowledgement by email. After a person submits a reference electronically, he/she will receive an online confirmation. After the applicant IHE submits its application, including all eligible individual faculty applications, to the Department, the applicant IHE will receive an automatic acknowledgement, which will include a PR/Award number (an identifying number unique to the IHE's application).

- Within three working days after the applicant IHE submits its electronic application, it must fax a signed copy of the Application for Federal Education Assistance (ED 424) to the Application Control Center after following these steps:

1. Print ED 424 from e-Application.
2. The applicant IHE's Authorizing Representative must sign this form.
3. Place the PR/Award number in the upper right hand corner of the hard copy signature page of the ED 424. Fax the signed ED 424 to the Application Control Center at (202) 245–6272.

- We may request that the applicant IHE give us original signatures on other forms at a later date. *Application Deadline Date Extension in Case of System Unavailability:* If the applicant IHE is prevented from submitting its application on the application deadline date because the e-Application system is unavailable, we will grant the applicant IHE an extension of one business day in order to transmit its application electronically, by mail, or by hand delivery. We will grant this extension if—

1. The applicant IHE's Project Director is a registered user of e-Application and has initiated an e-Application for this competition; and

2. (a) The e-Application system is unavailable for 60 minutes or more between the hours of 8:30 a.m. and 3:30 p.m., Washington, DC time, on the application deadline date; or

- (b) The e-Application system is unavailable for any period of time during the last hour of operation (that is, for any period of time between 3:30 p.m. and 4:30 p.m., Washington, DC time) on the application deadline date.

We must acknowledge and confirm these periods of unavailability before granting the applicant IHE an extension. To request this extension or to confirm our acknowledgement of any system unavailability, the applicant IHE may contact either (1) the person listed

elsewhere in this notice under For Further Information Contact (see VII. Agency Contact) or (2) the e-GRANTS help desk at 1-888-336-8930.

Individual faculty, persons providing referrals and applicant IHEs may access the parts of the electronic grant application that they must complete at: <http://e-grants.ed.gov>.

b. Submission of Paper Applications by Mail.

If the applicant IHE has requested a waiver of the electronic submission requirement, it may mail (through the U.S. Postal Service or a commercial carrier) its paper application to the Department. The original and two copies of the application must be mailed on or before the application deadline date to the following address: U.S. Department of Education, Application Control Center, Attention: (CFDA Number 84.019A), 400 Maryland Avenue, SW., Washington, DC 20202.

The applicant IHE must show proof of mailing consisting of one of the following:

1. A legibly dated U.S. Postal Service Postmark;
2. A legible mail receipt with the date of mailing stamped by the U.S. Postal Service;
3. A dated shipping label, invoice, or receipt from a commercial carrier; or
4. Any other proof of mailing acceptable to the U.S. Secretary of Education.

If the applicant IHE mails the application through the U.S. Postal Service, please note that we do not accept either of the following as proof of mailing:

1. A private metered postmark, or
2. A mail receipt that is not dated by the U.S. Postal Service.

If the applicant IHE's application is post marked after the application deadline date, we will notify the applicant IHE that we will not consider the application.

Note: Applicants should note that the U.S. Postal Service does not uniformly provide a dated postmark. Before relying on this method, applicants should check with their local post office.

c. Submission of Paper Applications by Hand Delivery.

If the applicant IHE has requested a waiver of the electronic submission requirement, it (or a courier service) may deliver the paper application to the Department by hand. The original and two copies of the applicant IHE's application must be hand-delivered on or before the application deadline date to the following address: U.S. Department of Education, Application Control Center, Attention: (CFDA

Number 84.019A), 550 12th Street, SW., Room 7041, Potomac Center Plaza, Washington, DC 20202-4260. The Application Control Center accepts deliveries daily between 8 a.m. and 4:30 p.m., Washington, DC time, except Saturdays, Sundays and Federal holidays. A person delivering an application must show identification to enter the building.

Note for Mail or Hand Delivery of Paper Applications: If the applicant IHE mails or hand delivers its application to the Department:

1. It must indicate on the envelope and—if not provided by the Department—in Item 4 of the Application for Federal Education Assistance (ED 424 (exp. 11/30/2004)) the CFDA number—and suffix letter, if any—of the competition under which it is submitting the application.
2. The Application Control Center will mail a Grant Application Receipt Acknowledgment to the applicant IHE. If the applicant IHE does not receive the notification of application receipt within 15 days from the mailing of its application, the applicant IHE should call the U.S. Department of Education Application Control Center at (202) 245-6288.
