National Park Service

Decision Notice and Finding of No Significant Impact (FONSI) for the Proposal To Rehabilitate the Bridge Over the North Entrance to Ronald Reagan Washington National Airport on the George Washington Memorial Parkway, Virginia

AGENCY: National Park Service.

ACTION: Availability of the Decision Notice and FONSI for the proposal to Rehabilitate the Bridge over the North Entrance to Ronald Reagan Washington National Airport on the George Washington Memorial Parkway, Virginia.

SUMMARY: Pursuant to Council on Environmental Quality regulations and National Park Service policy, the National Park Service (NPS) announces the availability of the Decision Notice and FONSI for the Rehabilitation of the Bridge over the North Entrance to Ronald Reagan Washington National Airport. The Decision Notice and FONSI identifies Alternative B as selected by the NPS for action. It is the preferred and environmentally preferred alternative in the Environmental Assessment. Under this alternative, the NPS, in cooperation with the Federal Highway Administration, will rehabilitate the historic bridge over the north entrance to Ronald Reagan Washington National Airport on the George Washington Memorial Parkway (GWMP). The rehabilitation of the bridge includes the replacement of the bridge decking, replacement of guardrails and railings, and construction of a shoulder extension to realign the Mount Vernon Trail. The shoulder extension and trail realignment will allow the NPS to spatially and physically separate trail users from northbound traffic on the GWMP.

DATES: The Environmental Assessment, upon which the decision and FONSI were made, was available for public comment for 30 days on April 19, 2004. One response was received and addressed on the document.

ADDRESSES: The Decision Notice and FONSI will be available for public

inspection Monday through Friday, 8 a.m. through 4 p.m. at the GWMP Headquarters, Turkey Run Park, McLean, Virginia. The FONSI can also be viewed on the GWMP Web site at <http://www.nps.gov/gwmp>.

SUPPLEMENTARY INFORMATION: The Decision Notice and FONSI completes the Environmental Assessment process.

FOR FURTHER INFORMATION CONTACT: Ms. Sarah Koenen (703) 289-2540.

Dated: September 3, 2004.

Jon James,

Deputy Superintendent, George Washington Memorial Parkway.

BILLING CODE 4312-51-P

INTERNATIONAL TRADE COMMISSION

[Inv. No. 337-TA-498]

In the Matter of Certain Insect Traps; Notice of Commission Determination To Terminate the Investigation in Its Entirety on the Basis of a Settlement Agreement; Request for Written Submissions on Remedy, the Public Interest, and Bonding With Respect to a Respondent Found in Default

AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has determined to terminate the above-captioned investigation on the basis of a settlement agreement. Notice is also hereby given that the Commission is requesting briefing on remedy, the public interest, and bonding with respect to a respondent found in default.

FOR FURTHER INFORMATION CONTACT: Rodney Maze, Ph.D., Esq., Office of the General Counsel, U.S. International Trade Commission, 500 E Street, SW., Washington, DC 20436, telephone (202) 205-3065. Copies of non-confidential documents filed in connection with this investigation are or will be available for inspection during official business hours (8:45 a.m. to 5:15 p.m.) in the Office of the Secretary, U.S. International Trade Commission, 500 E Street, SW., Washington, DC 20436, telephone (202) 205-2000. General information concerning the Commission may also be obtained by accessing its Internet server (<http://www.usitc.gov>). The public record for this investigation may be viewed on the Commission's electronic docket (EDIS) at <http://edis.usitc.gov>. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission's TDD terminal on (202) 205-1810.

SUPPLEMENTARY INFORMATION: This patent-based section 337 investigation was instituted by the Commission based on a complaint filed by American Biophysics Corporation ("ABC") of Greenwich, Rhode Island. 68 FR 53752 (September 12, 2003). ABC alleged violations of section 337 of the Tariff Act of 1930 in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain insect traps by reason of infringement of claims 1 and 32 of U.S. Patent No. 6,145,243 (hereinafter "the '243 patent"). The

complaint named Ferrellgas, LP, of Liberty, Missouri as respondent.

On December 8, 2003, the administrative law judge ("ALJ") issued an initial determination ("ID") amending the complaint and notice of investigation to add Blue Rhino Global Sourcing, LLC, of Winston-Salem, North Carolina, Guangdong Dong Fang Imp. & Exp. Corp. of Shenzhen, China, and Lentek International, Inc. of Kissimmee, Florida ("Lentek") as respondents.¹ This ID was not reviewed by the Commission. See Order No. 5 Initial Determination; Notice of Commission Decision Not To Review, 69 FR 2003 (2004).

On April 19, 2004, the ALJ issued an ID, which was not reviewed by the Commission, finding respondent Lentek in default. See Order No. 11 Initial Determination (April 19, 2004); Notice of Commission Decision Not To Review (May 19, 2004).

On September 10, 2004, the ALJ issued his final initial determination ("ID") finding no violation of section 337 based on a finding of no infringement of claims 1 and 32 of the '243 patent by the remaining respondents, Ferrellgas, LP, Blue Rhino Consumer Products, LLC, Blue Rhino Global Sourcing, LLC, and Guangdong Dong Fang Imp. & Exp. Corp. (collectively "Ferrellgas/BlueRhino/GDF"). On September 22, 2004, ABC and Ferrellgas/BlueRhino/GDF filed a joint motion for an extension of time in which to file their petitions for review of the ALJ's final ID. On September 24, 2004, the ALJ issued a recommended determination on remedy and bonding with respect to respondents Ferrellgas/BlueRhino/GDF.

Meanwhile, on September 23, 2004, the Commission granted all parties their request for an extension and extended the deadline for determining whether to review the final ID until October 1, 2004.

On September 30, 2004, ABC and respondents, Ferrellgas/Blue Rhino/GDF, filed a joint motion to terminate the investigation as to all issues based upon a settlement agreement. The Commission found that there was no indication that termination of the investigation would have an adverse impact on the public interest and that termination based on a settlement agreement is generally in the public interest. Accordingly, the joint motion

¹ On April 16, 2004, CPD Associates, Inc., merged with Blue Rhino Corp. On April 20, 2004, Blue Rhino Corp., converted into a Delaware limited liability company called Blue Rhino, LLC. Immediately thereafter, on April 21, 2004, Blue Rhino, LLC merged into Ferrellgas, LP.
