

statement of the proposed maximum disposal quantity of each listed material that may be sold in a particular fiscal year. The quantity of each material that will actually be offered for sale will depend on the market for the material at the time of the offering as well as on the quantity of each material approved for disposal by Congress.

The Committee requests that interested parties provide written comments, supporting data and documentation, and any other relevant information on the potential market impact of the sale of these commodities. Although comments in response to this Notice must be received by June 27, 2005, to ensure full consideration by the Committee, interested parties are encouraged to submit comments and supporting information at any time thereafter to keep the Committee informed as to the market impact of the sale of these commodities. Public comments are an important element of the Committee's market impact review process.

Public comments received will be made available at the Department of Commerce for public inspection and copying. Anyone submitting business confidential information should clearly identify the business confidential portion of the submission and also provide a non-confidential submission that can be placed in the public record. The Committee will seek to protect such information to the extent permitted by law.

The records related to this Notice will be made accessible in accordance with

the regulations published in Part 4 of Title 15 of the Code of Federal Regulations (15 CFR 4.1, *et seq.*). Specifically, the Bureau of Industry and Security's Freedom of Information Act (FOIA) reading room is located on its web page found at <http://www.bis.doc.gov/foia/default.htm>. Copies of the public comments received will be maintained on the website. If requesters cannot access the web site, they may call (202) 482-2165 for assistance.

#### Brake Rotors From the People's Republic of China: Initiation of New Shipper Antidumping Duty Review

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**SUMMARY:** The Department of Commerce received a request on March 23, 2005, to conduct a new shipper review of the antidumping duty order on brake rotors from the People's Republic of China ("PRC"). In accordance with 19 CFR 351.214(d), we are initiating a new shipper review for the company that requested such a review: Shanxi Zhongding Auto Parts Co., Ltd. ("Shanxi Zhongding"), which is a producer and exporter of brake rotors from the PRC.

**EFFECTIVE DATE:** May 27, 2005.

**FOR FURTHER INFORMATION CONTACT:** Edward Jacobson or Brian Smith, AD/CVD Operations, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone (202) 482-5460 or (202) 482-1766, respectively.

#### SUPPLEMENTARY INFORMATION:

##### Background

The Department received a timely request on March 23, 2005, from Shanxi Zhongding in accordance with 19 CFR 351.214(c), for a new shipper review of the antidumping duty order on brake rotors from the PRC, which has an April anniversary month. In response to the

Department's April 14, 2005, request, Shanxi Zhongding provided supplemental information on April 29, 2005.

Shanxi Zhongding identified itself as the producer of the brake rotors it exports. As required by 19 CFR 351.214(b)(2)(i) and (iii)(A), Shanxi Zhongding has certified that it did not export brake rotors to the United States during the period of investigation ("POI"), and that it has never been affiliated with any exporter or producer which did export brake rotors during the POI (*see* Shanxi Zhongding's March 23, 2005, submission). Shanxi Zhongding has further certified that its export activities are not controlled by the central government of the PRC, satisfying the requirements of 19 CFR 351.214(b)(2)(iii)(B). Pursuant to 19 CFR 351.214(b)(2)(iv)(A), Shanxi Zhongding provided the date of the first sale to an unaffiliated customer in the United States. Shanxi Zhongding submitted documentation establishing the date on which it first shipped the subject merchandise to the United States and the volume and date of entry of that shipment.

In accordance with section 751(a)(2)(B) of the Tariff Act of 1930, as amended ("the Act"), and 19 CFR 351.214(b), and based on our analysis of the information and documentation provided with the new shipper review request, as well as our analysis of proprietary import data from U.S. Customs and Border Protection ("CBP"), we find that Shanxi Zhongding has met the requirements for the Department to initiate a new shipper review (for more details, *see* New Shipper Initiation Checklist for Shanxi Zhongding). Therefore, we are initiating a new shipper review for Shanxi Zhongding.

In cases involving non-market economies, it is the Department's normal practice to require that a company seeking to establish eligibility for an antidumping duty rate separate from the country-wide rate provide *de jure* and *de facto* evidence of an absence of government control over the company's export activities (*see Natural Bristle Paintbrushes and Brush Heads from the People's Republic of China*, 68 FR 57875 (October 7, 2003)). Accordingly, we will issue a questionnaire to Shanxi Zhongding (including a complete separate rates section), allowing approximately 37 days for response. If the response from Shanxi Zhongding provides sufficient indication that it is not subject to either *de jure* or *de facto* government control with respect to its exports of brake rotors, the review will proceed. If, on the other hand, the respondent does not

demonstrate its eligibility for a separate rate, then it will be deemed to be affiliated with other companies that exported during the POI and not entitled to a separate rate, and the review of that respondent will be rescinded.

#### Initiation of Review

In accordance with section 751(a)(2)(B)(ii) of the Act and 19 CFR 351.214(d)(1), we are initiating a new shipper review of the antidumping duty order on brake rotors from the PRC. Normally, we would issue the preliminary results of this review not later than 180 days after the date on which the review is initiated. However, on April 29, 2005, Shanxi Zhongding agreed to waive the time limits in order that the Department, pursuant to 19 CFR 351.214(j)(3), may conduct this review concurrent with the eighth administrative review of this order for the period April 1, 2004–March 31, 2005, which is being conducted pursuant to section 751(a)(1) of the Act. Therefore, we intend to issue the preliminary results of this review not later than 245 days after the last day of the anniversary month.

Antidumping duty new shipper review	Period to be reviewed
PRC: Brake Rotors, A-570-846: Shanxi Zhongding Auto Parts Co., Ltd. ....	04/01/04-03/31/05

We will instruct CBP to allow, at the option of the importer, the posting, until the completion of the review, of a bond or security in lieu of a cash deposit for each entry of the subject merchandise from Shanxi Zhongding. This action is in accordance with section 751(a)(2)(B)(iii) of the Act, and 19 CFR 351.214(e). Because Shanxi Zhongding has certified that it both produces and exports the subject merchandise, the sale of which was the basis for its new shipper review request, we will apply the bonding privilege only to entries of subject merchandise for which it is both the producer and exporter.

Interested parties that need access to proprietary information in this new shipper review should submit applications for disclosure under administrative protective order in accordance with 19 CFR 351.305 and 351.306.

This initiation and notice are in accordance with section 751(a)(2)(B) of the Act and 19 CFR 351.214(d).
