

meet the needs of the students in the early childhood education program at the institution, and the needs of the parents and children participating in the child care program; or

2. If the institution does not have an early childhood education curriculum, the extent to which the project will coordinate with the institution's other programs for economically disadvantaged students to meet the needs of the parents and children participating in the child care program; and

(d) The plan to encourage parental involvement.

2. Only applicants requesting grant assistance for new child care programs must:

(a) Provide a timeline, covering the period from receipt of the grant through the provision of the child care services, delineating the specific steps the institution will take to achieve the goal of providing low-income students with child care services;

(b) Specify any measures the institution will take to assist low-income students with child care during the period before the institution provides child care services; and

(c) Include a plan for identifying resources needed for the child care services, including space in which to provide childcare services and technical assistance if necessary.

C. Management of Project. (Maximum 20 Points)

All applicants must describe the management plan for the proposed project, and include the following:

1. The resources, including technical expertise and financial support, the institution will draw upon to support the child care program and the participation of low-income students in the program, such as accessing social services funding, using student activity fees to help pay the costs of child care, using resources obtained by meeting the needs of parents who are not low-income students, and accessing foundation, corporate or other institutional support, and demonstrate that the use of the resources will not result in increases in student tuition;

2. The qualifications, including relevant training, experience, and time commitment of key project personnel;

3. The organizational placement of the project; and

4. Specific plans for financial management, student records management, and personnel management.

D. Evaluation. (Maximum 15 Points)

All applicants must describe the evaluation plan for the project and must:

1. Demonstrate that the evaluation plan is:

(a) appropriate to the project; and
(b) includes both quantitative and qualitative evaluation measures; and

2. Describe the specific and measurable ways by which the plan will evaluate the success of the project on the retention and graduation of students whose children are served by the project.

E. Budget. (Maximum 5 points)

The extent to which the budget is adequate to support the proposed project (costs are reasonable in relation to the number of persons to be served and to the anticipated results and benefits).

VI. Award Administration Information

1. **Award Notices:** If your application is successful, we notify your U.S. Representative and U.S. Senators and send you a Grant Award Notification (GAN). We may also notify you informally.

If your application is not evaluated or not selected for funding, we notify you.

2. **Administrative and National Policy Requirements:** We identify administrative and national policy requirements in the application package and reference these and other requirements in the *Applicable Regulations* section of this notice.

We reference the regulations outlining the terms and conditions of an award in the *Applicable Regulations* section of this notice and include these and other specific conditions in the GAN. The GAN also incorporates your approved application as part of your binding commitments under the grant.

3. **Reporting:** At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. In addition, pursuant to Section 419N(e) of the HEA, you must submit reports 18 months and 36 months after receiving the first grant payment, as directed by the Secretary.

4. **Performance Measures:** The success of the CCAMPIS Program will be measured by the persistence and completion rates of students whose children are served by the program.

DEPARTMENT OF ENERGY

[Docket No. EA-220-B]

Application To Export Electric Energy; NRG Power Marketing, Inc.

AGENCY: Office of Electricity Delivery and Energy Reliability, DOE.

ACTION: Notice of application.

SUMMARY: NRG Power Marketing, Inc. (NRGPMI) has applied to renew its authority to transmit electric energy from the United States to Canada pursuant to section 202(e) of the Federal Power Act.

DATES: Comments, protests or requests to intervene must be submitted on or before July 8, 2005.

ADDRESSES: Comments, protests or requests to intervene should be addressed as follows: Office of Electricity Delivery & Energy Reliability, Mail Code: OE-20, U.S. Department of Energy, 1000 Independence Avenue, SW., Washington, DC 20585-0350 (FAX 202-287-5736).

FOR FURTHER INFORMATION CONTACT:

Steven Mintz (Program Office) 202-586-9506 or Michael Skinker (Program Attorney) 202-586-2793.

SUPPLEMENTARY INFORMATION: Exports of electricity from the United States to a foreign country are regulated and require authorization under section 202(e) of the Federal Power Act (FPA) (16 U.S.C. 824a(e)).

On May 3, 2000, the Department of Energy (DOE) issued Order No. EA-220 authorizing NRGPMI to transmit electric energy from the United States to Canada as a power marketer. On September 24, 2002, in Order No. EA-220-A, DOE renewed the NRGPMI authorization to export electric energy to Canada for a two-year term that expired on September 24, 2004.

On May 31, 2005, NRGPMI filed an application with DOE for renewal of the export authority contained in Order No. EA-220-A for a five-year term. NRGPMI proposes to export electric energy to Canada and to arrange for the delivery of those exports over the international transmission facilities presently owned by Basin Electric Power Corporation, Bonneville Power Administration, Eastern Maine Electric Power Cooperative, International Transmission Company, Joint Owners of the Highgate Interconnection Facilities, Long Sault Inc., Maine Electric Power Company, Maine Public Service Company, Minnesota Power & Light, Minnkota Power Cooperative, New York Power Authority, Niagara Mohawk Power Corp., Northern States Power, Vermont Electric Company, and Vermont Electric Transmission Company.

Procedural Matters: Any person desiring to become a party to these proceedings or to be heard by filing comments or protests to this application should file a petition to intervene, comment or protest at the address provided above in accordance with §§ 385.211 or 385.214 of the FERC's Rules of Practice and Procedures (18 CFR 385.211, 385.214). Fifteen copies of each petition and protest should be filed with the DOE on or before the dates listed above.

Comments on the NRGPMI application to export electric energy to Canada should be clearly marked with Docket EA-220-B. Additional copies are to be filed directly with NRG Power Marketing, Inc., 211 Carnegie Center, Princeton, NJ 08540-4543, ATTN: Contract Administration.

A final decision will be made on this application after the environmental impacts have been evaluated pursuant to the National Environmental Policy Act of 1969, and a determination is

made by the DOE that the proposed action will not adversely impact on the reliability of the U.S. electric power supply system.

Copies of this application will be made available, upon request, for public inspection and copying at the address provided above or by accessing the program's Home Page at <http://www.fe.doe.gov>. Upon reaching the Home page, select "Electricity Regulation," and then "Pending Proceedings" from the options menus.

Issued in Washington, DC, on June 1, 2005.

Ellen Russell,

Acting Senior Advisor to the Director for Regulatory Programs, Office of Electricity Delivery & Energy Reliability.
