## DEPARTMENT OF THE INTERIOR

### Bureau of Indian Affairs

#### 25 CFR Part 39

**RIN 1076-AE54**

#### Conforming Amendments To Implement the No Child Left Behind Act of 2001

**AGENCY:** Bureau of Indian Affairs, Interior.

**ACTION:** Final rule.

**SUMMARY:** This final rule rennumbers certain sections of 25 CFR part 39 in order to conform to the amendments published on April 28 and to rationalize the number system in part 39. It also eliminates two obsolete cross references.

**DATES:** Effective June 9, 2005.

**FOR FURTHER INFORMATION CONTACT:** Catherine Freels, Designated Federal Official, PO Box 1430, Albuquerque, NM 87103-1430; Phone 505-248-7240; e-mail: [cfreels@bia.edu](mailto:cfreels@bia.edu).

**SUPPLEMENTARY INFORMATION:** On April 28, 2005, the Department published in the **Federal Register** (70 FR 22178) the final rule implementing the No Child Left Behind Act of 2001 (the Act). The April 28 rule revised subparts A through H of part 39, while leaving subparts I through L unaffected. Although subparts I through L were unchanged by publication of the April 28 rule, the section numbers used in those subparts were used for some of the sections in the revised subparts A through H. Through an unintentional oversight, the Department did not renumber the sections of subparts I through L to eliminate duplication. This rectifies this oversight by renumbering all sections in subparts I through L in order to remove potential conflicts from Title 25. It also removes two obsolete cross references.

### Compliance Information

1. *Regulatory Planning and Review (E.O. 12866).* This document is not a significant rule and the Office of Management and Budget has not reviewed this rule under Executive Order 12866.

(1) This rule will not have an effect of \$100 million or more on the economy. It will not adversely affect in a material way the economy, productivity, competition, jobs, the environment, public health or safety, or State, local, or tribal governments or communities.

(2) This rule will not create a serious inconsistency or otherwise interfere with an action taken or planned by another agency.

(3) This rule does not alter the budgetary effects of entitlements, grants, user fees, or loan programs or the rights or obligations of their recipients.

(4) This rule does not raise novel legal or policy issues. It makes only changes necessary to ensure that these sections of 25 CFR conform to the changes made by the new rule being published in final today.

2. *Regulatory Flexibility Act.* The Department of the Interior certifies that this document will not have a significant economic effect on a substantial number of small entities under the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*).

3. *Small Business Regulatory Enforcement Fairness Act (SBREFA).* This rule is not a major rule under 5 U.S.C. 804(2), the Small Business Regulatory Enforcement Fairness Act. This rule:

a. Does not have an annual effect on the economy of \$100 million or more.

b. Will not cause a major increase in costs or prices for consumers, individual industries, Federal, State, or local government agencies, or geographic regions.

c. Does not have significant adverse effects on competition, employment, investment, productivity, innovation, or the ability of U.S.-based enterprises to compete with foreign-based enterprises.

4. *Unfunded Mandates Reform Act.* This rule does not impose an unfunded mandate on State, local, or tribal governments or the private sector of more than \$100 million per year. The rule does not have a significant or unique effect on State, local, or tribal governments or the private sector. The rule makes only changes necessary to ensure that these sections of 25 CFR conform to the changes made by the new rule being published in final today.

5. *Takings (E.O. 12630).* In accordance with Executive Order 12630, the rule does not have significant takings

implications. No rights, property or compensation has been, or will be taken. A takings implication assessment is not required.

6. *Federalism (E.O. 13132)*. In accordance with Executive Order 13132, this rule does not have federalism implications that warrant the preparation of a federalism assessment.

7. *Civil Justice Reform (E.O. 12988)*. In accordance with Executive Order 12988, the Office of the Solicitor has determined that this rule does not unduly burden the judicial system and meets the requirements of sections 3(a) and 3(b)(2) of the Order.

8. *Consultation with Indian tribes (E.O. 13175)*. In accordance with Executive Order 13175, we have evaluated this rule and determined that it has no potential negative effects on federally recognized Indian tribes. In drafting the No Child Left Behind rule published today, we consulted extensively with tribes; tribal members of the negotiated rulemaking committee participated in the writing of the rule. These conforming amendments make only changes necessary to ensure that the remainder of 25 CFR is consistent with the provisions of the No Child Left Behind rule.

9. *Paperwork Reduction Act*. This regulation does not require an information collection from 10 or more parties and a submission under the Paperwork Reduction Act is not required. An OMB form 83-I is not required.

10. *National Environmental Policy Act*. This rule does not constitute a major Federal action significantly affecting the quality of the human environment.

11. *Justification for Issuing a Direct Final Rule*. The Department has determined that the public notice and comment provisions of the Administrative Procedure Act, 5 U.S.C. 553(b), do not apply to this rule because of the good cause exception under 5 U.S.C. 553(b)(3)(B). This exception allows the agency to suspend the notice and public procedure requirements when the agency finds for good cause that those requirements are impracticable, unnecessary, or contrary to the public interest. This rule rennumbers (redesignates) certain sections of 25 CFR part 39 in order to conform to the amendments published on April 28, it makes no substantive changes. Failure to immediately make these redesignations would lead to confusion and cause errors in vital educational programs. For these reasons, public comments are unnecessary and would be impracticable.

Similarly, failure to immediately make the redesignations in this rule would result in a serious disruption of the Bureau of Indian Affairs' ability to provide necessary educational services, with accompanying confusion to employees and the public. This disruption and confusion would be contrary to public and tribal interests. For these reasons, the Department has determined it appropriate to waive the requirement of publication 30 days in advance of the effective date. As allowed by 5 U.S.C. 553(d)(3), this rule is effective immediately because it is in the public interest not to delay implementation of this amendment.
