

Violence Against Women Act of 1994, the Violence Against Women Act of 2000, and related laws. The Committee also assists in the efforts of the Department of Justice and the Department of Health and Human Services to combat violence against women, especially domestic violence, sexual assault, and stalking. This meeting will primarily focus on the Committee's work; there will, however, be an opportunity for public comment on the Committee's role in providing general policy guidance on implementation of the Violence Against Women Act of 1994, the Violence Against Women Act of 2000, and related laws.
