SUPPLEMENTARY INFORMATION:

Background—On June 6, 2005, the Commission determined that the domestic interested parties group responses to its notice of institution (70 FR 9974, March 1, 2005) of the subject five-year reviews were adequate and that the respondent interested party group response was inadequate. The Commission did not find any other circumstances that would warrant conducting full reviews.^{1 2} Accordingly, the Commission determined that it would conduct expedited reviews pursuant to section 751(c)(3) of the Act.

Staff report—A staff report containing information concerning the subject matter of the reviews will be placed in the nonpublic record on July 1, 2005, and made available to persons on the Administrative Protective Order service list for these reviews. A public version will be issued thereafter, pursuant to section 207.62(d)(4) of the Commission's rules.

Written submissions—As provided in section 207.62(d) of the Commission's rules, interested parties that are parties to the reviews and that have provided individually adequate responses to the notice of institution,³ and any party other than an interested party to the reviews may file written comments with the Secretary on what determinations the Commission should reach in the reviews. Comments are due on or before

¹ A record of the Commissioners' votes, the Commission's statement on adequacy, and any individual Commissioner's statements will be available from the Office of the Secretary and at the Commission's web site.

² Vice Chairman Deanna Tanner Okun and Commissioner Daniel R. Pearson concluded that the domestic group responses for these reviews were adequate and the respondent group response was inadequate, but that circumstances warranted a full review.

³ The Commission has found the responses submitted by Columbian Home Products, LLC and the Stainless Steel Cookware Committee to be individually adequate. Comments from other interested parties will not be accepted) (see 19 CFR 207.62(d)(2)).
