Meeting Notice for Air Force Academy Board of Visitors

Pursuant to Section 9355, Title 10, United States Code, the U.S. Air Force Academy Board of Visitors will meet at the United States Air Force Academy (USFA), CO, 15–16 July 2005. The purpose of the meeting is to consider the morale and discipline, curriculum, instruction, physical equipment, fiscal affairs, academic methods, and other matters relating to the Academy.

A portion of the meeting will be open to the public while other portions will be closed to the public to discuss matters listed in Paragraphs (2), (6), and Subparagraph (9)(B) of Subsection (c) of Section 552b, Title 5, United States Code. The determination to close certain sessions is based on the consideration that portions of the briefings and discussion will relate solely to the internal personnel rules and practices of the Board of Visitors or the Academy; involve information of a personal nature, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy; or involve discussions of information the premature disclosure of which would be likely to frustrate implementation of future agency action. Meeting sessions will be held in room 5A35, Fairchild Hall at the United States Air Force Academy (USFA), CO.

DEPARTMENT OF EDUCATION

Notice of Proposed Information Collection Requests

AGENCY: Department of Education.

SUMMARY: The Director, Regulatory Information Management Services, Office of the Chief Information Officer, invites comments on the proposed information collection requests as required by the Paperwork Reduction Act of 1995.

DATES: Interested persons are invited to submit comments on or before September 6, 2005.

SUPPLEMENTARY INFORMATION: Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35) requires that the Office of Management and Budget (OMB) provide interested Federal agencies and the public an early opportunity to comment on information collection requests. OMB may amend or waive the requirement for public consultation to the extent that public participation in the approval process would defeat the purpose of the information collection, violate State or Federal law, or substantially interfere with any agency's ability to perform its statutory obligations. The Director, Regulatory Information Management Group, Office of the Chief Information Officer, publishes that notice containing proposed information collection requests prior to submission of these requests to OMB. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, *e.g.* new, revision, extension, existing or reinstatement; (2) title; (3) summary of the collection; (4) description of the need for, and proposed use of, the information; (5) respondents and frequency of collection; and (6) reporting and/or recordkeeping burden. OMB invites public comment.

The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology.

Dated: June 30, 2005.

Jeanne Van Vlandren, Director, Regulatory Information Management Services, Office of the Chief Information Officer.

Full Text of Announcement

I. Funding Opportunity Description

Purpose of the Program: The School-Based Student Drug-Testing program awards grants to LEAs and public and private entities to develop and implement, or expand, school-based drug-testing programs for students.

Priorities: These priorities are from the notice of final eligibility and application requirements, priorities, and selection criteria for this competition, published elsewhere in this issue of the **Federal Register**.

Absolute Priority: For FY 2005 and any subsequent year in which we make awards based on the list of unfunded applications from this competition, this priority is an absolute priority. Under 34 CFR 75.105(c)(3) we consider only applications that meet this priority.

This priority is:

Mandatory Random and Voluntary Student Drug-Testing Programs. Under this priority, we will provide Federal financial assistance to eligible applicants to develop and implement, or expand, school-based mandatory random or voluntary drug-testing programs for students in one or more grades 6 through 12. Any drug-testing program conducted with funds awarded under this priority must be limited to one or more of the following:

(1) Students who participate in the school's athletic program;

(2) Students who are engaged in competitive, extracurricular, school-sponsored activities; and

(3) A voluntary drug-testing program for students who, along with their parent or guardian, have provided written consent to participate in a random drug-testing program.

Applicants that propose voluntary drug testing for students who, along with their parent or guardian, provide written consent, must not prohibit students who do not consent from participating in school or extracurricular activities.

Note: Applicants are encouraged to ensure, to the extent feasible, that all students who participate in the drug-testing program remain in the random drug-testing pool for the entire academic year.

Competitive Preference Priority: Within this absolute priority, we give competitive preference to applications that address the following priority.

For FY 2005 and any subsequent year in which we make awards based on the list of unfunded applications from this
