

examined sales to the total quantity of sales examined. Where the assessment rate is above *de minimis*, the importer-specific rate will be assessed uniformly on all entries made during the POR.

Cash Deposit Requirements

The following cash deposit rates will be effective upon publication of the final results for all shipments of FMTCs from the PRC entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided for by section 751(a)(1) of the Act: (1) for Feili, which has a separate rate, the cash deposit rate will be the company-specific rate established in the final results of the review; (2) the cash deposit rates for any other companies, that have separate rates established in the investigation or first administrative review of this case, but were not reviewed in this proceeding, will not change; (3) for all other PRC exporters, the cash deposit rate will be the PRC rate, 70.71 percent, which is the "All Other PRC Manufacturers, Producers and Exporters" rate from the *Notice of Final Determination of Sales of Less Than Fair Value: Folding Metal Tables and Chairs from the People's Republic of China*, 67 FR 20090 (Apr. 24, 2002); and (4) for non-PRC exporters of subject merchandise from the PRC, the cash deposit rate will be the rate applicable to the PRC supplier of that exporter. These deposit rates, when imposed, shall remain in effect until publication of the final results of the next administrative review.

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This determination is issued and published in accordance with sections 751(a)(1) and 777(I)(1) of the Act.

Dated: June 30, 2005.

Joseph A. Spetrini,
Acting Assistant Secretary for Import Administration.

Fresh Garlic From the People's Republic of China; Initiation of New Shipper Reviews

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: July 11, 2005.

SUMMARY: The Department of Commerce (the "Department") has determined that three requests for new shipper reviews of the antidumping duty order on fresh garlic from the People's Republic of China ("PRC"), received in May 2005, meet the statutory and regulatory requirements for initiation. The period of review ("POR") of these new shipper reviews is November 1, 2004, through April 30, 2005.

FOR FURTHER INFORMATION CONTACT:

Ryan A. Douglas or Brian Ledgerwood at (202) 482-1277 and (202) 482-3836, respectively, AD/CVD Operations, Office 8, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230.

SUPPLEMENTARY INFORMATION:

Background

The notice announcing the antidumping duty order on fresh garlic from the PRC was published on November 16, 1994. On May 17, May 26, and May 31, 2005, we received requests for new shipper reviews from Shandong Chengshun Farm Produce Trading Company, Ltd. ("Shandong Chengshun"); Xi'an XiongLi Foodstuff Co., Ltd. ("Xian XiongLi"); and Shenzhen Fanhui Import and Export Co., Ltd. ("Fanhui"), respectively.

Fanhui certified that it grew and exported the garlic on which it based its request for a new shipper review. Shandong Chengshun and Xian XiongLi certified that they exported, but did not grow, the fresh garlic on which they based their requests for a new shipper review. Specifically, Shandong Chengshun certified that Jinxiang Chengsen Agricultural Trade Company, Ltd. ("CATC") grew the fresh garlic it exported and Xian XiongLi certified that Jinxiang Tianshan Foodstuff Co., Ltd. ("JTFC") grew the fresh garlic it exported.

Initiation of New Shipper Reviews.

Pursuant to section 751(a)(2)(B)(i)(I) of the Act and 19 CFR 351.214(b)(2)(i), Shandong Chengshun, Fanhui, and Xian

XiongLi certified that they did not export fresh garlic to the United States during the period of investigation ("POI"). In addition, pursuant to 19 CFR 351.214(b)(2)(ii)(B), CATC and JTFC, the growers of the garlic exported by Shandong Chengshun and Xian XiongLi, respectively, provided certification that they did not export fresh garlic to the United States during the POI. Pursuant to section 751(a)(2)(B)(i)(II) of the Act and 19 CFR 351.214(b)(2)(iii)(A), each of the three exporters, Shandong Chengshun, Fanhui, and Xian XiongLi, certified that, since the initiation of the investigation, they have never been affiliated with any exporter or grower who exported fresh garlic to the United States during the POI, including those not individually examined during the investigation. As required by 19 CFR 351.214(b)(2)(iii)(B), each of the above-mentioned companies also certified that their export activities were not controlled by the central government of the PRC.

In addition to the certifications described above, the exporters submitted documentation establishing the following: (1) the date on which they first shipped fresh garlic for export to the United States and the date on which the fresh garlic was first entered, or withdrawn from warehouse, for consumption; (2) the volume of their first shipment and the volume of subsequent shipments; and (3) the date of their first sale to an unaffiliated customer in the United States.

Pursuant to section 751(a)(2)(B) of the Act and 19 CFR 351.214(d)(1), we are initiating three new shipper reviews for shipments of fresh garlic from the PRC:

- 1) grown by CATC and exported by Shandong Chengshun;
- 2) grown and exported by Fanhui; and
- 3) grown by JTFC and exported by Xian XiongLi.

The POR is November 1, 2004, through April 30, 2005. See 19 CFR 351.214(g)(1)(i)(B). We intend to issue preliminary results of these reviews no later than 180 days from the date of initiation, and final results of these reviews no later than 270 days from the date of initiation. See section 751(a)(2)(B)(iv) of the Act.

Because Fanhui has certified that it grew and exported the fresh garlic on which it based its request for a new shipper review, we will instruct U.S. Customs and Border Protection (CBP) to allow, at the option of the importer, the posting of a bond or security in lieu of a cash deposit for each entry of fresh garlic both grown and exported by Fanhui until the completion of the new shipper reviews, pursuant to section 751(a)(2)(B)(iii) of the Act. With respect

to Shandong Chengshun and Xian XiongLi, they have certified that they exported, but did not grow, the fresh garlic on which they based their requests for new shipper reviews. Therefore, until completion of the new shipper reviews, we will instruct CBP to allow, at the option of the importer, the posting of a bond or security in lieu of a cash deposit for entries of fresh garlic grown by CATC and exported by Shandong Chengshun or fresh garlic grown by JTFC and exported by Xian XiongLi.

Interested parties that need access to proprietary information in this new shipper review should submit applications for disclosure under administrative protective order in accordance with 19 CFR 351.305 and 351.306.

This initiation and notice are in accordance with section 751(a)(2)(B) of the Act and 19 CFR 351.214 and 351.221(c)(1)(i).

Dated: June 30, 2005.

Notice of Extension of Time Limit for Preliminary Results of Antidumping Duty Administrative Review: Certain Hot-Rolled Carbon Steel Flat Products From Thailand

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: July 11, 2005.

FOR FURTHER INFORMATION CONTACT: Stephen Bailey, AD/CVD Operations, Office 7, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230, at (202) 482-0193.

SUPPLEMENTARY INFORMATION:

Background

The Department of Commerce ("the Department") received timely requests for administrative review of the antidumping duty order on certain hot-rolled carbon steel flat products from Thailand, with respect to Sahaviriya Steel Industries Public Company Limited ("SSI") on November 30, 2004 from both SSI and domestic producer

Nucor Corporation. Also on November 30, 2004, the Department received a request for administrative review of the same order for SSI, Nakornthai Strip Mill Public Co., Ltd., and G Steel Public Company Limited (formerly Siam Strip Mill Public Co., Ltd.) from United States Steel Corporation. On December 27, 2004, the Department published a notice of initiation of this administrative review for the period of November 1, 2003, through October 31, 2004. *See Notice of Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 69 FR 77181 (December 27, 2004).

Extension of Time Limits for Preliminary Results

Pursuant to section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"), the Department shall issue preliminary results in an administrative review of an antidumping duty order within 245 days after the last day of the anniversary month of the date of publication of the order. The Act further provides, however, that the Department may extend that 245-day period to 365 days if it determines it is not practicable to complete the review within the foregoing time period.

In light of the complexity of analyzing SSI's sales data of its multiple affiliates, its cost calculations and the control number reporting methodology for various products, it is not practicable to complete this review by the current deadline of August 2, 2005. Therefore, in accordance with section 751(a)(3)(A) of the Act, the Department is extending the time limit for the preliminary results until November 30, 2005, which is 365 days after the last day of the anniversary month of the date of publication of the order. The final results continue to be due 120 days after the publication of the preliminary results, in accordance with section 351.213 (h) of the Department's regulations.

This notice is issued and published in accordance to sections 751(a)(1) and 777(i)(1) of the Act.

Dated: June 30, 2005.
