

U.S. representative of the manufacturer of the Land Rover Defender 90 MPV, to learn whether the company had originally manufactured for importation into and sale in the United States Land Rover Defender 90 model MPVs as 1997 model year vehicles. LRNA stated in response that they had in fact imported into the United States for sale Defender 90 model MPVs that it designated as model year 1997 vehicles. Noting that similar vehicles were manufactured for many markets around the world, LRNA stated that only those with the vehicle identification number ("VIN") prefix "SALDV224*VA" or "SALDV324*VA" should be considered substantially similar to vehicles originally manufactured for importation into and sale in the U.S., and as having the capability of being modified to comply with the FMVSS in the manner described in the subject petition.

LRNA called into question the petition's claim that the vehicles may require modification to conform to FMVSS No. 118 Power-Operated Window, Petition, and Roof Panel Systems in light of the fact that the 1997 Defender 90 model MPVs that were imported and sold in the United States were not equipped with power operated window systems.

In addition, LRNA stated that because none of the 1997 Defender 90 model MPVs were equipped with automatic restraint systems, only those manufactured prior to September 1, 1997, were imported for sale into the United States.

In view of JK's comments, and the LRNA response, NHTSA has decided to grant import eligibility only to 1997 Land Rover Defender 90 MPVs identified by VIN prefix "SALDV224*VA" or "SALDV324*VA" that were manufactured prior to September 1, 1997.

Vehicle Eligibility Number for Subject Vehicles

The importer of a vehicle admissible under any final decision must indicate on the form HS-7 accompanying entry the appropriate vehicle eligibility number indicating that the vehicle is eligible for entry. VSP-432 is the vehicle eligibility number assigned to vehicles admissible under this notice of final decision.

Final Decision

Accordingly, on the basis of the foregoing, NHTSA hereby decides that 1997 Land Rover Defender 90 MPVs that were not originally manufactured to comply with all applicable FMVSS, but that have been assigned VIN prefix "SALDV224*VA" or "SALDV324*VA"

and were manufactured prior to September 1, 1997, are substantially similar to 1997 Land Rover Defender 90 MPVs originally manufactured for importation into and sale in the United States and certified under 49 U.S.C. 30115, and are capable of being readily altered to conform to all applicable FMVSS.

Authority: 49 U.S.C. 30141(a)(1)(A) and (b)(1); 49 CFR 593.8; delegations of authority at 49 CFR 1.50 and 501.8.

Claude H. Harris,
Director, Office of Vehicle Safety Compliance.
