DEPARTMENT OF ENERGY

Federal Energy Regulatory Commission

[Project No. 2601]

Duke Power, a Division of Duke Energy Corporation Nantahala Area; Notice of Authorization for Continued Project Operation

August 12, 2005.

On July 22, 2003, Duke Power, a division of Duke Energy Corporation, Nantahala Area, licensee for the Bryson Project No. 2601, filed an application for a new or subsequent license pursuant to the Federal Power Act (FPA) and the Commission's regulations thereunder. Project No. 2601 is located on the Oconaluftee River in Swain County, North Carolina.

The license for Project No. 2601 was issued for a period ending July 31, 2005. Section 15(a)(1) of the FPA, 16 U.S.C. 808(a)(1), requires the Commission, at the expiration of a license term, to issue from year to year an annual license to the then licensee under the terms and conditions of the prior license until a new license is issued, or the project is otherwise disposed of as provided in section 15 or any other applicable section of the FPA. If the project's prior license waived the applicability of section 15 of the FPA, then, based on section 9(b) of the Administrative Procedure Act, 5 U.S.C. 558(c), and as set forth at 18 CFR 16.21(a), if the licensee of such project has filed an application for a subsequent license, the licensee may continue to operate the project in accordance with the terms and conditions of the license after the minor or minor part license expires, until the Commission acts on its application. If the licensee of such a project has not filed an application for a subsequent license, then it may be required, pursuant to 18 CFR 16.21(b), to continue project operations until the Commission issues someone else a

license for the project or otherwise orders disposition of the project.

If the project is subject to section 15 of the FPA, notice is hereby given that an annual license for Project No. 2601 is issued to Duke Power, a division of Duke Energy Corporation, Nantahala Area for a period effective August 1, 2005 through July 31, 2006, or until the issuance of a new license for the project or other disposition under the FPA, whichever comes first. If issuance of a new license (or other disposition) does not take place on or before August 1, 2006, notice is hereby given that, pursuant to 18 CFR 16.18(c), an annual license under section 15(a)(1) of the FPA is renewed automatically without further order or notice by the Commission, unless the Commission orders otherwise.

If the project is not subject to section 15 of the FPA, notice is hereby given that Duke Power, a division of Duke Energy Corporation, Nantahala Area is authorized to continue operation of the Bryson Project No. 2601 until such time as the Commission acts on its application for subsequent license.

Magalie R. Salas,

Secretary.

Federal Energy Regulatory Commission

[Project No. 2603]

Duke Power, a Division of Duke Energy Corporation Nantahala Area; Notice of Authorization for Continued Project Operation

August 12, 2005.

On July 22, 2003, Duke Power, a division of Duke Energy Corporation, Nantahala Area, licensee for the Franklin Project No. 2603, filed an application for a new or subsequent license pursuant to the Federal Power Act (FPA) and the Commission's regulations. Project No. 2603 is located on the Little Tennessee River in Macon County, North Carolina.

The license for Project No. 2603 was issued for a period ending July 31, 2005. Section 15(a)(1) of the FPA, 16 U.S.C. 808(a)(1), requires the Commission, at the expiration of a license term, to issue from year to year an annual license to the then licensee under the terms and conditions of the prior license until a new license is issued, or the project is otherwise disposed of as provided in section 15 or any other applicable

section of the FPA. If the project's prior license waived the applicability of section 15 of the FPA, then, based on section 9(b) of the Administrative Procedure Act, 5 U.S.C. 558(c), and as set forth at 18 CFR 16.21(a), if the licensee of such project has filed an application for a subsequent license, the licensee may continue to operate the project in accordance with the terms and conditions of the license after the minor or minor part license expires, until the Commission acts on its application. If the licensee of such a project has not filed an application for a subsequent license, then it may be required, pursuant to 18 CFR 16.21(b), to continue project operations until the Commission issues someone else a license for the project or otherwise orders disposition of the project.

If the project is subject to section 15 of the FPA, notice is hereby given that an annual license for Project No. 2603 is issued to Duke Power, a division of Duke Energy Corporation, Nantahala Area for a period effective August 1, 2005 through July 31, 2006, or until the issuance of a new license for the project or other disposition under the FPA, whichever comes first. If issuance of a new license (or other disposition) does not take place on or before August 1, 2006, notice is hereby given that, pursuant to 18 CFR 16.18(c), an annual license under section 15(a)(1) of the FPA is renewed automatically without further order or notice by the Commission, unless the Commission orders otherwise.

If the project is not subject to section 15 of the FPA, notice is hereby given that Duke Power, a division of Duke Energy Corporation, Nantahala Area is authorized to continue operation of the Franklin Project No. 2603 until such time as the Commission acts on its application for subsequent license.

[Project No. 2619]

Duke Power, a Division of Duke Energy Corporation, Nantahala Area; Notice of Authorization for Continued Project Operation

August 12, 2005.

On July 22, 2003, Duke Power, a division of Duke Energy Corporation,

Nantahala Area, licensee for the Mission Project No. 2619, filed an application for a new or subsequent license pursuant to the Federal Power Act (FPA) and the Commission's regulations. Project No. 2619 is located on the Hiwassee River in Clay County, North Carolina.

The license for Project No. 2619 was issued for a period ending July 31, 2005. Section 15(a)(1) of the FPA, 16 U.S.C. 808(a)(1), requires the Commission, at the expiration of a license term, to issue from year to year an annual license to the then licensee under the terms and conditions of the prior license until a new license is issued, or the project is otherwise disposed of as provided in section 15 or any other applicable section of the FPA. If the project's prior license waived the applicability of section 15 of the FPA, then, based on section 9(b) of the Administrative Procedure Act, 5 U.S.C. 558(c), and as set forth at 18 CFR 16.21(a), if the licensee of such project has filed an application for a subsequent license, the licensee may continue to operate the project in accordance with the terms and conditions of the license after the minor or minor part license expires, until the Commission acts on its application. If the licensee of such a project has not filed an application for a subsequent license, then it may be required, pursuant to 18 CFR 16.21(b), to continue project operations until the Commission issues someone else a license for the project or otherwise orders disposition of the project.

If the project is subject to section 15 of the FPA, notice is hereby given that an annual license for Project No. 2619 is issued to Duke Power, a division of Duke Energy Corporation, Nantahala Area for a period effective August 1, 2005 through July 31, 2006, or until the issuance of a new license for the project or other disposition under the FPA, whichever comes first. If issuance of a new license (or other disposition) does not take place on or before August 1, 2006, notice is hereby given that, pursuant to 18 CFR 16.18(c), an annual license under section 15(a)(1) of the FPA is renewed automatically without further order or notice by the Commission, unless the Commission orders otherwise.

If the project is not subject to section 15 of the FPA, notice is hereby given that Duke Power, a division of Duke Energy Corporation, Nantahala Area is authorized to continue operation of the Mission Project No. 2619 until such

time as the Commission acts on its application for subsequent license.

[Docket No. PR05-16-000]

Grama Ridge Storage and Transportation, LLC; Notice of Petition for Rate Approval

August 12, 2005.

Take notice that on July 29, 2005, Grama Ridge Storage and Transportation, LLC (Grama) filed a petition for rate approval of market-based rates for storage and hub services pursuant to section 284.123Co(2) of the Commission's Regulations. Grama requests that the Commission authorize Grama to continue to charge market-based rates for its storage services, as well as authorize Grama to charge market-based rates for its proposed interruptible hub services, pursuant to section 311 of the Natural Gas Policy Act of 1978.

Any person desiring to participate in this rate proceeding must file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington DC 20426, in accordance with Sections 385.214 or 385.211 of the Commission's Rules and Regulations. All such motions or protests must be filed with the Secretary of the Commission on or before the date as indicated below. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. This petition for rate approval is available for review at the Commission in the Public Reference Room or may be viewed on the Commission's Web site at <http://www.ferc.gov> using the "eLibrary" link.
