TransCanada Hydro Northeast Inc., Town of Rockingham, VT, Bellows Falls Power Company, LLC, Vermont Hydro-Electric Power Authority; Notice of Deadline To File Answers to Motion

August 19, 2005.

On January 26, 2005, as amended May 24, 2005, TransCanada Hydro Northeast Inc. (TC Hydro NE); the Town of Rockingham, Vermont (the Town); Bellows Falls Power Company, LLC (BFPC); and Vermont Hydro-Electric Power Authority (VHPA) requested Commission approval to transfer the license for the Bellows Falls Project No. 1855 from TC Hydro NE to the Town and BFPC as co-licensees and for approval of a financing plan whereby VHPA would, at closing, take title to project property and transfer it to the Town.

The Town, BFPC, and VHPA filed a motion on August 10, 2005, requesting approval to substitute as a transferee/applicant VHPA for the Town. Movants filed a supplement to their motion on August 17, 2005. The deadline for filing answers to the motion and supplement is 15 days following the filing date of

the supplement, or September 1, 2005.

[Docket No. PR05-19-000]

Unocal Keystone Gas Storage, LLC; Notice of Petition for Rate Approval

August 22, 2005.

Take notice that on August 10, 2005, Unocal Keystone Gas Storage, LLC (Keystone) tendered for filing, pursuant to § 284.123 of the Commission's regulations, revisions to its Operating Statement with a September 1, 2005 effective date. Keystone states that the proposed revisions serve to clarify the operating provisions and do not propose any new services or new rates. Keystone further requests a waiver of the "shipper must have title" policy for off-system capacity it may acquire to provide interstate storage services. Keystone also states that it will not implement its proposal to hold capacity on interconnected pipelines prior to Commission approval.

Pursuant to § 284.123(b)(2)(ii), if the Commission does not act within 150 days of the date of this filing, the rates will be deemed to be fair and equitable and not in excess of an amount which interstate pipelines would be permitted to charge for similar transportation service. The Commission may, prior to the expiration of the 150 day period, extend the time for action or institute a proceeding to afford parties an opportunity for written comments and for the oral presentation of views, data, and arguments.

Any person desiring to participate in this rate filing must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, on or before the date as indicated below. Anyone filing an intervention or protest must serve a copy of that document on the Applicant. Anyone filing an intervention or protest on or before the intervention or protest date need not

serve motions to intervene or protests on persons other than the Applicant.

The Commission encourages electronic submission of protests and interventions in lieu of paper using the "eFiling" link at <http://www.ferc.gov>. Persons unable to file electronically should submit an original and 14 copies of the protest or intervention to the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426.
