II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of, and basis for, the proposed rule changes. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Parties in arbitration often seek the production of documents from third parties as part of pre-hearing discovery. Exchange Rule 619 sets forth procedures for the issuance of subpoenas and for the production of documents. The rule provides that arbitrators and attorneys for the parties have subpoena powers as provided by law, and that all parties are to be given copies of subpoenas when issued.

Under the current procedures, the opposing attorney may not receive notice of the subpoena until after it has been served on a non-party. In such situations, non-parties may produce documents that are the subject of dispute as to whether they should be produced at all. This has led to court action to have subpoenas quashed, which adds expense and delay to the arbitration process. Under the proposed

amendments, the arbitrators, rather the courts, would rule on these discovery disputes.

Under the proposed rule, the party who requests or issues a subpoena must send a copy of the request or subpoena to all parties to the arbitration, and to non-parties, if applicable, in a manner reasonably expected to result in delivery to everyone on the same day.

As amended, the rule provides that subpoenas can be issued to non-parties only after all parties have ten days advance notice and the opportunity to file objections. If a party has an objection to the propriety or scope of the subpoena, that party may file objections in writing with the Director of Arbitration and send copies to all other parties within the ten-day period prior to the issuance or service of the subpoena. The party requesting the subpoena may file a reply to objections. The arbitrator(s) shall determine the propriety and scope of the requested subpoena(s).

Additionally, as amended, the rule provides that non-parties must be advised that documents subpoenaed are to be preserved but not delivered pending any determination that may be required by the arbitrator(s). Furthermore, the proposed rule does not apply to subpoenas addressed to parties or non-parties to appear at a hearing before the arbitrator(s).³ The proposed rule also provides that the arbitrator(s) may quash or limit the scope of subpoena(s).

The proposed amendments are based on the Securities Industry Conference on Arbitration's Uniform Code of Arbitration.

2. Statutory Basis

The proposed changes are consistent with Section 6(b)(5)⁴ of the Act in that they promote just and equitable principles of trade by ensuring that members and member organizations and the public have a fair and impartial forum for the resolution of their disputes.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

⁴ 15 U.S.C. 78f(b)(5).

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

The Exchange has neither solicited nor received comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 35 days of the date of publication of this notice in the **Federal Register** or within such longer period (i) as the Commission may designate up to 90 days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the self-regulatory organization consents, the Commission will:

A. By order approve the proposed rule change, or

B. Institute proceedings to determine whether the proposed rule change should be disapproved.

IV. Solicitation of Comments

Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the

SMALL BUSINESS ADMINISTRATION

Small Business Size Standards: Waiver of the Nonmanufacturer Rule

AGENCY: U.S. Small Business Administration.

ACTION: Notice of intent to waive the Nonmanufacturer Rule for Photographic Film, Paper, Plate, and Chemical Manufacturing.

SUMMARY: The U.S. Small Business Administration (SBA) is considering granting a waiver of the Nonmanufacturer Rule for Photographic Film, Paper, Plate, and Chemical Manufacturing. The basis for waivers is that no small business manufacturers are supplying these classes of products to the Federal government. The effect of a waiver would be to allow otherwise qualified regular dealers to supply the products of any domestic manufacturer on a Federal contract set aside for small businesses, service disabled veteran-owned small businesses or SBA's 8(a) Business Development Program. The purpose of this notice is to solicit comments and potential source information from interested parties.

DATES: Comments and sources must be submitted on or before October 7, 2005.

FOR FURTHER INFORMATION CONTACT: Edith Butler, Program Analyst, by telephone at (202) 619-0422; by FAX at 481-1788; or by e-mail at edith.butler@sba.gov.

SUPPLEMENTARY INFORMATION: Section 8(a)(17) of the Small Business Act, (Act) 15 U.S.C. 637(a)(17), requires that recipients of Federal contracts set aside for small businesses, service-disabled veteran-owned small businesses, or SBA's 8(a) Business Development Program provide the product of a small business manufacturer or processor, if the recipient is other than the actual manufacturer or processor. This requirement is commonly referred to as the Nonmanufacturer Rule.

The SBA regulations imposing this requirement are found at 13 CFR

121.406 (b). Section 8(a)(17)(b)(iv) of the Act authorizes SBA to waive the Nonmanufacturer Rule for any "class of products" for which there are no small business manufacturers or processors in the Federal market.

As implemented in SBA's regulations at 13 CFE 121.1204, in order to be considered available to participate in the Federal market for a class of products, a small business manufacturer must have submitted a proposal for a contract solicitation or received a contract from the Federal government within the last 24 months. The SBA defines "class of products" based on six digit coding systems. The first coding system is the Office of Management and Budget *North American Industry Classification System (NAICS)*. The second is the Product and Service Code required as a data entry field by the Federal Procurement Data System.

The SBA is currently processing a request to waive the Nonmanufacturer Rule for Photographic Film, Paper, Plate, and Chemical Manufacturing, North American Industry Classification System (NAICS) 325992. The public is invited to comment or provide source information to SBA on the proposed waiver of the nonmanufacturer rule for this NAICS code.

Authority: 15 U.S.C. 637(A)(17).

Dated: September 15, 2005.

Karen C. Hontz,

Associate Administrator for Government Contracting.
