II. What Does This Correction Do?

On February 18, 1998, (63 FR 8284) EPA published streamlined procedures for use by local governments seeking reimbursement for emergency response costs. Local governments may be reimbursed for certain costs they incur in taking temporary emergency measures related to releases of hazardous substances pollutants and contaminants. Those procedures are found in 40 CFR part 310. Section 310.15(d) gives the address to mail the completed application and supporting data for reimbursement. Appendix II to 40 CFR part 310 provides EPA Regions and NRC Telephone Lines. The mailing address and some of the telephone numbers are now incorrect. This technical correction provides the corrected address to mail the completed application and supporting data and the EPA Regions and NRC phone numbers.

III. Why Is This Correction Issued as a Final Rule?

Section 553 of the Administrative Procedure Act (APA), 5 U.S.C. 553(b)(B), provides that, when an Agency for good cause finds that notice and public procedure are impracticable, unnecessary or contrary to the public interest, the agency may issue a final rule without providing notice and an opportunity for public comment. EPA has determined that there is good cause for making today's technical correction final without prior proposal and opportunity for comment, because EPA is merely correcting information that

has become out of date since the previously published final rule. The address to submit applications found in 40 CFR 310.15, How do I apply for reimbursement? and some of the telephone numbers listed in Appendix II to part 310 have changed since the February 18, 1998, publication of the final rule. EPA finds that this constitutes good cause under 5 U.S.C. 553(b)(B).

IV. Do Any of the Statutory and Executive Order Reviews Apply to This Action?

The applicable statutory and Executive Order reviews were included in the February 18, 1998 **Federal Register** document. This document is a technical correction and as such no new review requirements are applicable.

V. Congressional Review Act

The Congressional Review Act, 5 U.S.C. 801 *et seq.*, as added by the Small Business Regulatory Enforcement Fairness Act of 1996, generally provides that before a rule may take effect, the agency promulgating the rule must

submit a rule report, which includes a copy of the rule, to each House of the Congress and to the Comptroller General of the United States. EPA will submit a report containing this rule and other required information to the U.S. Senate, the U.S. House of Representatives, and the Comptroller General of the United States prior to publication of this final rule in the **Federal Register**. This final rule is not a "major rule" as defined by 5 U.S.C. 804(2).

FEDERAL MARITIME COMMISSION

46 CFR Part 531

[Docket No. 05-05]

RIN 3072-AC31

Non-Vessel-Operating Common Carrier Service Arrangements

AGENCY: Federal Maritime Commission.

ACTION: Final rule.

SUMMARY: The Federal Maritime Commission has revised its exemption for non-vessel-operating common carriers (NVOCCs) from certain tariff requirements of the Shipping Act of 1984 to allow NVOCCs and shippers' associations with NVOCC members to act as shipper parties in NVOCC Service Arrangements.

EFFECTIVE DATE: October 28, 2005.

FOR FURTHER INFORMATION CONTACT:

Amy W. Larson, General Counsel, Federal Maritime Commission, 800 N. Capitol St., NW., Washington, DC 20573-0001, (202) 523-5740, generalcounsel@fmc.gov.

SUPPLEMENTARY INFORMATION:

I. Background

On August 3, 2005, the Federal Maritime Commission ("FMC" or "Commission") proposed a revision to its regulations at 46 CFR part 531, Non-Vessel-Operating Common Carrier Service Arrangements. 70 FR 456267 (August 8, 2005) ("NPR"). The NPR proposed revisions to 46 CFR sections 531.3(o), 531.5(a), 531.6(c)(2), and 531.6(d) that would have the effect of allowing non-vessel-operating common carriers ("NVOCCs") to act as either shippers or carriers in an NVOCC Service Arrangement ("NSA"). *Id.*

On January 19, 2005, 46 CFR part 531 became effective, exempting NVOCCs from certain tariff publication requirements of the Shipping Act of 1984, 46 U.S.C. app. 1701 *et seq.* ("Shipping Act"). 69 FR 75850 (December 20, 2004) (final rule) ("NSA Rule"). The NSA Rule was issued pursuant to the Commission's authority under section 16 of the Shipping Act, 46 U.S.C. app. 1715 ("Section 16"). The exemption relieved NVOCCs from certain tariff requirements of the Shipping Act, provided the carriage in question was done pursuant to an NSA filed with the Commission and the essential terms are published in the NVOCC's tariff. *Id.*

The NSA Rule defined an "NSA shipper" as a cargo owner, the person for whose account the ocean transportation is provided, the person to whom delivery is to be made, or a shippers' association. 46 CFR 531.3(o). This definition specifically *excluded*
