Alabama Electric Cooperative, Inc.; Notice of Availability of Environmental Assessment

September 23, 2005.

In accordance with the National Environmental Policy Act of 1969 and part 380 of the Federal Energy Regulatory Commission's (Commission) regulations, 18 CFR part 380; FERC Order No. 486 and 52 FR 47,897, the Office of Energy Projects has reviewed the application for a new license for the Conecuh River Project, located on the Conecuh River, in Covington County, Alabama, and has prepared a single environmental assessment (EA) for the project.
