(March 1, 2005). On the basis of a notice of intent to participate and an adequate substantive response filed on behalf of the domestic interested parties and no response from respondent interested parties (in this case, no response), the Department conducted an expedited sunset review of this CVD order pursuant to section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(B). As a result of this sunset review, the Department finds that revocation of the CVD order would be likely to lead to continuation or recurrence of a countervailable subsidy at the level indicated in the "Final Results of Review" section of this notice.

SUPPLEMENTARY INFORMATION:

Background

On March 1, 2005, the Department initiated a sunset review of the CVD order on top-of-the-stove stainless steel cookware from Korea pursuant to section 751(c) of the Act. See *Notice of Initiation of Five-year ("Sunset") Reviews*, 70 FR 9919 (March 1, 2005).

On March 16, 2005, the Department received a notice of intent to participate from the following domestic interested parties: Paper Allied Industrial Chemical & Energy Workers, Local 7-0850 ("PACE") and Vita Craft Corporation ("Vita"), which make up the Stainless Steel Cookware Committee ("Committee"), an ad hoc coalition of domestic producers and employees, and Regal Ware, Inc. (collectively "domestic interested parties"), within the deadline specified in 19 CFR 351.218(d)(1)(i). The domestic interested parties claimed interested party status under sections 771(9)(C), (D), (E) and (F) of the Act, as an ad hoc association which is comprised of domestic producers of the subject merchandise.

On March 31, 2005, the Department received a complete substantive response from the domestic interested parties within the 30-day deadline specified in 19 CFR 351.218(d)(3)(i). However, the Department did not receive a substantive response from any government or respondent interested

party to this proceeding. As a result, pursuant to section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(C)(2), the Department conducted an expedited review of this CVD order.

Scope of the Order

The merchandise subject to this CVD order is top-of-the-stove stainless steel cookware ("cookware") from Korea. The subject merchandise is all non-electric cooking ware of stainless steel which may have one or more layers of aluminum, copper or carbon steel for more even heat distribution. The subject merchandise includes skillets, frying pans, omelette pans, saucepans, double boilers, stock pots, dutch ovens, casseroles, steamers, and other stainless steel vessels, all for cooking on stove top burners, except tea kettles and fish poachers.

Excluded from the scope of the order is stainless steel oven ware and stainless steel kitchen ware. Certain stainless steel pasta and steamer inserts and certain stainless steel eight-cup coffee percolators are within the scope (63 FR 41545 (August 4, 1998) and 58 FR 11209 (February 24, 1993), respectively).

Moreover, as a result of a changed circumstances review, the Department revoked the order in part with regards to certain stainless steel camping ware that: (1) is made of single-ply stainless steel having a thickness no greater than 6.0 millimeters; and (2) consists of 1.0, 1.5, and 2.0 quart saucepans without handles and with lids that also serve as fry pans (62 FR 32767, June 17, 1997).

Cookware is currently classifiable under Harmonized Tariff Schedule ("HTS") item numbers 7323.93.00 and 9604.00.00. The HTS item numbers are provided for convenience and customs purposes only. The written description remains dispositive.

In addition, a complete version of the Decision Memorandum can be accessed directly on the Web at <http://ia.ita.doc.gov/frn>. The paper copy and

electronic version of the Decision Memorandum are identical in content.

Final Results of Review

Producers/Exporters	Net Countervailable Subsidy (percent)
All Manufacturers ¹	0.77

¹ Dae Sung Industrial Co. and Woo Sung Company Ltd. were excluded from the order. See *Countervailing Order: Certain Stainless Steel Cooking Ware from the Republic of Korea*, 52 FR 2140 (January 20, 1987).

SUPPLEMENTARY INFORMATION: GRNMS is one of the largest nearshore live-bottom reefs off the southeastern United States, encompassing approximately 17 square nautical miles. The area earned sanctuary designation in 1981. The sanctuary consists of a series of sandstone outcroppings and ledges up to 10 feet in height, in a predominantly sandy, flat-bottomed sea floor. The live bottom and ledge habitat support an abundant reef fish and invertebrate community. Loggerhead sea turtles, a threatened species, also use GRNMS year-round for foraging and resting, and the reef is within the known winter calving ground for the highly endangered Northern right whale. The GRNMS Advisory Council was established in August 1999 to provide advice and recommendations on management and protection of the sanctuary. The Council through its members also serves as liaison to the community regarding sanctuary issues, and represents community interests, concerns, and management needs to the sanctuary and NOAA.
