

that placed the sell order. Then, with respect to each ITS participant exchange, the exchange will determine whether it is a net sender or net receiver of ITS trades and send fees to or accept fees from each other exchange accordingly. The Commission believes this is an equitable manner for the exchanges to obtain funds to pay their Section 31 fees on covered sales resulting from ITS trades.

Under Section 19(b)(2) of the Act,¹⁸ the Commission may not approve any proposed rule change prior to the thirtieth day after the date of publication of the notice of filing thereof, unless the Commission finds good cause for so doing. The Commission hereby finds good cause for approving the proposed rule change prior to the thirtieth day after publishing notice of filing thereof in the **Federal Register**. In this case, the Commission does not believe a comment period is necessary because all of the parties affected by the proposed fee—the other ITS participant exchanges—have already consented to and will adopt the same fee arrangement.¹⁹

For the reasons set forth above, the Commission finds good cause to accelerate approval of the proposed rule change pursuant to Section 19(b)(2) of the Act.²⁰

V. Conclusion

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,²¹ that the proposed rule change (SR-CHX-2005-33) is hereby approved on an accelerated basis.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.²²

Secretary.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, NASD included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. NASD has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

NASD is proposing to amend Rule 3360, Short-Interest Reporting, to require that members maintain and report on a monthly basis total short positions in OTC equity securities in all customer and proprietary firm accounts.³ Currently, Rule 3360(a) requires members to maintain a record of total short positions⁴ in all customer⁵ and proprietary firm accounts in Nasdaq securities (and listed securities if not reported to another self-regulatory organization (“SRO”)) and requires members to report such information to

³ Non-self-clearing broker-dealers generally are considered to have satisfied their reporting requirement by making appropriate arrangements with their respective clearing organizations. See *Notice to Members* 03-08 (January 2003).

⁴ Rule 3360(b) provides that short positions required to be reported under the rule are those resulting from short sales as the term is defined in SEC Rule 200 of Regulation SHO, with limited exceptions. SEC Rule 200 of Regulation SHO provides, in part, the following: “The term ‘short sale’ shall mean any sale of a security which the seller does not own or any sale which is consummated by the delivery of a security borrowed by, or for the account of, the seller.” 17 CFR 242.200(a).

⁵ Short sale positions held for other broker-dealers that fall within the definition of short position provided in Rule 3360(b) must be reported under Rule 3360(a), unless these positions already are reported to an SRO. See *Notice to Members* 03-08 (January 2003).

NASD on a monthly basis. NASD believes that expanding the monthly short interest reporting requirements to OTC equity securities will increase the information available to public investors and other interested parties related to trading in OTC equity securities.

Accordingly, NASD proposes to amend Rule 3360(a) to require that members maintain and report to NASD short sale positions for OTC equity securities. For purposes of the proposed rule change, OTC equity securities would be defined as any equity security that is not listed on The Nasdaq Stock Market or a national securities exchange.

NASD will announce the effective date of the proposed rule change in a *Notice to Members* to be published no later than 60 days following Commission approval. In recognition of the technological and systems changes the proposed rule change may require, the effective date will be 90 days following publication of the *Notice to Members* announcing Commission approval.

2. Statutory Basis

NASD believes that the proposed rule change is consistent with the provisions of Section 15A(b)(6) of the Act,⁶ which requires, among other things, that NASD rules must be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, and, in general, to protect investors and the public interest. NASD believes that the proposed rule change will increase the information available to public investors and other interested parties related to trading in OTC equity securities.

B. Self-Regulatory Organization's Statement on Burden on Competition

NASD does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 35 days of the date of publication of this notice in the **Federal Register** or within such longer period (i) as the Commission may designate up to 90 days of such date if it finds such

longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the self-regulatory organization consents, the Commission will:

A. By order approve such proposed rule change, or

B. Institute proceedings to determine whether the proposed rule change should be disapproved.

IV. Solicitation of Comments

The Commission notes that the NASD is proposing an implementation period for proposed NASD Rule 3360. Specifically, the Commission notes that the NASD is proposing that it will announce the effective date of the proposed rule change in a *Notice to Members* to be published no later than 60 days following Commission approval and that the effective date of the proposed rule change will be 90 days following publication of the *Notice to Members* announcing Commission approval. The Commission specifically requests comment regarding whether this implementation period could be shorter.
