You may not e-mail an electronic copy of a grant application to us. We request your participation in Grants.gov.

You may access the electronic grant application for Grants to Reduce Alcohol at: <http://www.grants.gov>. You must search for the downloadable application package for this program by the CFDA number. Do not include the CFDA number's alpha suffix in your search.

- Applications received by Grants.gov are time and date stamped. Your application must be fully uploaded and submitted with a date/time received by the Grants.gov system no later than 4:30 p.m., Washington, DC time, on the application deadline date. We will not consider your application if it was received by the Grants.gov system later than 4:30 p.m. on the application deadline date. V. Application Review Information

1. *Selection Criteria:* The selection criteria for this program are in 34 CFR 75.210 and in the application package for this competition.

2. *Review and Selection Process:* An additional factor we consider in selecting an application for an award is rural and low-income status.

Applications from rural and low-income applicants will be read and scored separately and up to 25 percent of the available funds will be reserved for awards to these LEAs. The following is a suggested definition of rural and low-income that has been used by this program in previous competitions; however, LEAs that want to be considered as rural and low-income applicants may provide other supporting evidence of their status as rural and low-income.

A rural and low-income LEA is one (a) that is designated with a locale code of 6, 7, or 8, as determined by the Department's National Center for Education Statistics (NCES); and (b) in which 20 percent or more of the children ages 5 through 17 years served by the LEA are from families with incomes below the poverty line.

Note: Applicants wishing to be considered under this factor must be both rural and low-income.

VI. Award Administration Information

1. *Award Notices:* If your application is successful, we will notify your U.S. Representative and U.S. Senators and send you a Grant Award Notice (GAN). We may also notify you informally.

If your application is not evaluated or not selected for funding, we will notify you.

2. Administrative and National Policy Requirements:

We identify administrative and national policy requirements in the application package and reference these and other requirements in the *Applicable Regulations* section of this notice.

We reference the regulations outlining the terms and conditions of an award in the *Applicable Regulations* section of this notice and include these and other specific conditions in the GAN. The GAN also incorporates your approved application as part of your binding commitments under the grant.

3. *Reporting:* At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. If you receive a multi-year award, you must submit an annual performance report that provides the most current performance and financial expenditure information as specified by the Secretary in 34 CFR 75.718.

4. *Performance Measures:* Under the Government Performance and Results Act (GPRA), three measures have been developed for evaluating the overall effectiveness of the Grants to Reduce Alcohol Abuse competition: (1) The percentage of grantees whose target students show a measurable decrease in binge drinking; (2) the percentage of grantees that show a measurable increase in the percentage of target students who believe that alcohol abuse is harmful to their health; and (3) the percentage of grantees that show a measurable increase in the percentage of target students who disapprove of alcohol abuse. These three measures constitute the Department's indicators of success for this program. Consequently, applicants for a grant under this program are advised to give careful consideration to these three measures in conceptualizing the design, implementation, and evaluation of their proposed project. If funded, applicants will be asked to collect and report data in their annual performance reports about progress toward these goals.
