Notice of Proposed Information Collection Requests

AGENCY: Department of Education.

SUMMARY: The Director, Regulatory Information Management Services, Office of the Chief Information Officer, invites comments on the proposed information collection requests as required by the Paperwork Reduction Act of 1995.

DATES: Interested persons are invited to submit comments on or before March 7, 2005.

SUPPLEMENTARY INFORMATION: Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35) requires that the Office of Management and Budget (OMB) provide interested Federal agencies and the public an early opportunity to comment on information collection requests. OMB may amend or waive the requirement for public consultation to the extent that public participation in the approval process would defeat the purpose of the information collection, violate State or Federal law, or substantially interfere with any agency's ability to perform its statutory obligations. The Director,

Regulatory Information Management Services, Office of the Chief Information Officer, publishes that notice containing proposed information collection requests prior to submission of these requests to OMB. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, e.g. new, revision, extension, existing or reinstatement; (2) title; (3) summary of the collection; (4) description of the need for, and proposed use of, the information; (5) respondents and frequency of collection; and (6) reporting and/or recordkeeping burden. OMB invites public comment.

The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology.

Dated: December 30, 2004.

DEPARTMENT OF EDUCATION

Submission of Data by State Educational Agencies

AGENCY: National Center for Education Statistics, Institute of Education Sciences, Department of Education.

ACTION: Notice of dates of submission of State revenue and expenditure reports for fiscal year 2004 and of revisions to those reports.

SUMMARY: The Secretary of Education announces dates for the submission by State educational agencies (SEAs) of expenditure and revenue data and average daily attendance statistics on ED Form 2447 (the National Public Education Financial Survey (NPEFS)) for fiscal year (FY) 2004. The Secretary sets these dates to ensure that data are available to serve as the basis for timely distribution of Federal funds. The U.S. Bureau of the Census is the data collection agent for the National Center for Education Statistics (NCES). The data will be published by NCES and will be used by the Secretary in the calculation of allocations for FY 2006 appropriated funds.

DATES: The date on which submissions will first be accepted is March 15, 2005. The mandatory deadline for the final submission of all data, including any revisions to previously submitted data, is September 6, 2005.

ADDRESSES AND SUBMISSION INFORMATION: SEAs may mail ED Form 2447 to: Bureau of the Census, ATTENTION:

Governments Division, Washington, DC 20233-6800.

SEAs may submit data via the World Wide Web using the interactive survey form at <http://www.census.gov/govs/www/npefs.html>. If the Web form is used, it includes a digital confirmation page where a pin number may be entered. A successful entry of the pin number serves as a signature by the authorizing official. A certification form may also be printed from the Web site, and signed by the authorizing official and mailed to the Governments Division of the Bureau of the Census, at the address listed in the previous paragraph. This signed form must be mailed within five business days of Web form data submission.

Alternatively, SEAs may hand deliver submissions by 4 p.m. (eastern time) to: Governments Division, Bureau of the Census, 8905 Presidential Parkway, Washington Plaza II, room 508, Upper Marlboro, MD 20772.

If an SEA's submission is received by the Bureau of the Census after September 6, 2005, in order for the submission to be accepted, the SEA must show one of the following as proof that the submission was mailed on or before the mandatory deadline date:

1. A legibly dated U.S. Postal Service postmark.
2. A legible mail receipt with the date of mailing stamped by the U.S. Postal Service.
3. A dated shipping label, invoice, or receipt from a commercial carrier.
4. Any other proof of mailing acceptable to the Secretary.

If the SEA mails ED Form 2447 through the U.S. Postal Service, the Secretary does not accept either of the following as proof of mailing:

1. A private metered postmark.
2. A mail receipt that is not dated by the U.S. Postal Service.

Note: The U.S. Postal Service does not uniformly provide a dated postmark. Before relying on this method, an SEA should check with its local post office.

FOR FURTHER INFORMATION CONTACT: Ms. Sharon J. Meade, Chief, Bureau of the Census, Attention: Governments Division, Washington, DC 20233-6800. Telephone: (301) 763-7316. If you use a telecommunications device for the deaf (TDD), you may call the Federal Information Relay Service (FIRS) at 1-800-877-8339.

Individuals with disabilities may obtain this document in an alternative format (e.g., Braille, large print, audiotape, or computer diskette) on request to: Frank Johnson, National Center for Education Statistics, Institute of Education Sciences, U.S. Department

of Education, Washington, DC 20208-5651. Telephone: (202) 502-7362.

SUPPLEMENTARY INFORMATION: Under the authority of section 153(a)(1)(I) of the Education Sciences Reform Act of 2002 (Pub. L. 107-279), 20 U.S.C. 9543, which authorizes NCES to gather data on the financing of education, NCES collects data annually from SEAs through ED Form 2447. The report from SEAs includes attendance, revenue, and expenditure data from which NCES determines the average State per pupil expenditure (SPPE) for elementary and secondary education, as defined in the Elementary and Secondary Education Act of 1965, as amended (ESEA) (currently 20 U.S.C. 7801(2)).

In addition to utilizing the SPPE data as general information on the financing of elementary and secondary education, the Secretary uses these data directly in calculating allocations for certain formula grant programs, including Title I of the ESEA, Impact Aid, and Indian Education. Other programs such as the Educational Technology State Grants program (Title II of the ESEA, Part D), the Education for Homeless Children and Youth Program under Title VII of the McKinney-Vento Homeless Assistance Act, the Teacher Quality State Grants (Title II of the ESEA, Part A) Program, and the Safe and Drug-Free Schools and Communities (Title IV of the ESEA, Part A) Program make use of SPPE data indirectly because their formulas are based, in whole or in part, on State Title I allocations.

In January 2005, the Bureau of the Census, acting as the data collection agent for NCES, will mail to SEAs ED Form 2447 with instructions and request that SEAs submit data to the Bureau of the Census on March 15, 2005, or as soon as possible thereafter. SEAs are urged to submit accurate and complete data on March 15, or as soon as possible thereafter, to facilitate timely processing. Submissions by SEAs to the Bureau of the Census will be checked for accuracy and returned to each SEA for verification. All data, including any revisions, must be submitted to the Bureau of the Census by an SEA not later than September 6, 2005.

Having accurate and consistent information on time is critical to an efficient and fair allocation process and to the NCES statistical process. To ensure timely distribution of Federal education funds based on the best, most accurate data available, NCES establishes, for allocation purposes, September 6, 2005, as the final date by which the NPEFS Web form or ED Form 2447 must be submitted. If an SEA submits revised data after the final

deadline that results in a lower SPPE figure, its allocations may be adjusted downward or the Department may request the SEA to return funds. SEAs should be aware that all of these data are subject to audit and that, if any inaccuracies are discovered in the audit process, the Department may seek recovery of overpayments for the applicable programs. If an SEA submits revised data after September 6, 2005, the data may also be too late to be included in the final NCES published dataset.
