DEPARTMENT OF JUSTICE

Office of Community Oriented Policing Services FY 2005 Community Policing Discretionary Grants

AGENCY: Office of Community Oriented Policing Services, Department of Justice.

ACTION: Notice of availability of the Finding of No Significant Impact and the Environmental Assessment.

SUMMARY: The Environmental Assessment, which is available to the public, concludes that the methamphetamine investigation and clandestine laboratory closure activities of the Methamphetamine Initiative will not have significant impact on the quality of the human environment given adherence to all applicable laws and regulations.

ADDRESSES: For copies of the Environmental Assessment, please contact: COPS Grants Administration Division, 1100 Vermont Avenue, NW., Washington, DC 20530; phone: (202) 616-3031 or 1-800-431-6770.

FOR FURTHER INFORMATION CONTACT: The U.S. Department of Justice Response Center, 1-800-421-6770 and ask to speak with your Grant Program Specialist.

SUPPLEMENTARY INFORMATION: In Fiscal Year 2003, the COPS Office prepared an Environmental Assessment for its methamphetamine law enforcement programs, with specific application for the Methamphetamine Initiative. This Environmental Assessment was prepared as required by the Council on Environmental Quality's regulations (40 CFR parts 1500 through 1508), implementing the National Environmental Policy Act of 1969 (42 U.S.C. 4321, *et al.*) The Environmental Assessment is current and accurate, since the underlying science on which it was based has not changed. The Methamphetamine Initiative addresses a broad array of law enforcement initiatives pertaining to the investigation of methamphetamine trafficking in many heavily impacted areas of the country. For the purposes of this program, funded items may include training of law enforcement officers in

methamphetamine-related issues; collection and maintenance of intelligence and information relative to methamphetamine trafficking and traffickers; investigation, arrest and prosecution of producers, traffickers and users of methamphetamine; interdiction and removal of laboratories, finished products, and precursor chemicals and other elements necessary to produce methamphetamine; transportation and storage of finished products, and precursor chemicals, and other elements necessary to produce methamphetamine; and preventive efforts to reduce the spread and use of methamphetamine. Individual projects will reflect a concentration on program areas consistent with Congressional appropriations.

Among the many challenges faced by law enforcement agencies in the Methamphetamine Initiative will be discovery, interdiction, and dismantling of clandestine drug laboratories. These lab sites, as well as other methamphetamine crime venues must be comprehensively dealt with in compliance with a variety of health, safety and environmental laws and regulations. The COPS Office requires that recipients, when encountering illegal drug laboratories, use grant funds to effect the proper removal and disposal of hazardous materials located at those laboratories and directly associated sites in accordance with all applicable laws and regulations.

Overview

Environmental Assessment

The COPS Office will award grants to State and local criminal justice agencies for the FY 2005 COPS Methamphetamine Initiative. The Environmental Assessment concludes that the funding of this program will not have a significant impact on the quality of the human environment given adherence to all applicable laws and regulations. Therefore, an Environmental Impact Statement will not be prepared for the funding of this program.

Dated: January 26, 2005.

Carl R. Peed,
Director, Office of Community Oriented Policing Services.

BILLING CODE 4410-01-P

DEPARTMENT OF LABOR

Employment Standards Administration; Wage and Hour Division

Minimum Wages for Federal and Federally Assisted Construction; General Wage Determination Decisions

General wage determination decisions of the Secretary of Labor are issued in accordance with applicable law and are based on the information obtained by the Department of Labor from its study of local wage conditions and data made available from other sources. They specify the basic hourly wage rates and fringe benefits which are determined to be prevailing for the described classes of laborers and mechanics employed on construction projects of a similar character and in the localities specified therein.

The determinations in these decisions of prevailing rates and fringe benefits

have been made in accordance with 29 CFR part 1, by authority of the Secretary of Labor pursuant to the provisions of the Davis-Bacon Act of March 3, 1931, as amended (46 Stat. 1494, as amended, 40 U.S.C. 276a) and of other Federal statutes referred to in 29 CFR part 1, Appendix, as well as such additional statutes as may from time to time be enacted containing provisions for the payment of wages determined to be prevailing by the Secretary of Labor in accordance with the Davis-Bacon Act. The prevailing rates and fringe benefits determined in these decisions shall, in accordance with the provisions of the foregoing statutes, constitute the minimum wages payable on Federal and federally assisted construction projects to laborers and mechanics of the specified classes engaged on contract work of the character and in the localities described therein.

Good cause is hereby found for not utilizing notice and public comment procedure thereon prior to the issuance of these determinations as prescribed in 5 U.S.C. 553 and not providing for delay in the effective date as prescribed in that section, because the necessity to issue current construction industry wage determinations frequently and in large volume causes procedures to be impractical and contrary to the public interest.

General wage determination decisions, and modifications and supersedeas decisions thereto, contain no expiration dates and are effective from their date of notice in the **Federal Register**, or on the date written notice is received by the agency, whichever is earlier. These decisions are to be used in accordance with the provisions of 29 CFR parts 1 and 5. Accordingly, the applicable decision, together with any modifications issued, must be made a part of every contract for performance of the described work within the geographic area indicated as required by an applicable Federal prevailing wage law and 29 CFR part 5. The wage rates and fringe benefits, notice of which is published herein, and which are contained in the Government Printing Office (GPO) document entitled "General Wage Determinations Issued Under the Davis-Bacon And Related Acts," shall be the minimum paid by contractors and subcontractors to laborers and mechanics.

Any person, organization, or governmental agency having an interest in the rates determined as prevailing is encouraged to submit wage rate and fringe benefit information for consideration by the Department. Further information and self-explanatory forms for the purpose of

submitting this data may be obtained by writing to the U.S. Department of Labor, Employment Standards Administration, Wage and Hour Division, Division of Wage Determinations, 200 Constitution Avenue, NW., Room S-3014, Washington, DC 20210.

Modification to General Wage Determination Decisions

The number of the decisions listed to the Government Printing Office document entitled "General Wage Determinations Issued Under the Davis-Bacon and Related Acts" being modified are listed by Volume and State. Dates of publication in the **Federal Register** are in parentheses following the decisions being modified.

General Wage Determination Publication

General wage determinations issued under the Davis-Bacon and related Acts, including those noted above, may be found in the Government Printing Office (GPO) document entitled "General Wage Determinations Issued Under the Davis-Bacon And Related Acts". This publication is available at each of the 50 Regional Government Depository Libraries and many of the 1,400 Government Depository Libraries across the country.

General wage determinations issued under the Davis-Bacon and related Acts are available electronically at no cost on the Government Printing Office Web site at <http://www.access.gpo.gov/davisbacon>. They are also available electronically by subscription to the Davis-Bacon Online Service (<http://davisbacon.fedworld.gov>) of the National Technical Information Service (NTIS) of the U.S. Department of Commerce at 1-800-363-2068. This subscription offers value-added features such as electronic delivery of modified wage decisions directly to the user's desktop, the ability to access prior wage decisions issued during the year, extensive Help Desk Support, etc.

Hard-copy subscriptions may be purchased from: Superintendent of Documents, U.S. Government Printing Office, Washington, DC 20402. (202) 512-1800.

When ordering hard-copy subscription(s), be sure to specify the State(s) of interest, since subscriptions may be ordered for any or all of the six separate Volumes, arranged by State. Subscriptions include an annual edition (issued in January or February) which includes all current general wage determinations for the States covered by each volume. Throughout the remainder of the year, regular weekly updates will be distributed to subscribers.

Signed in Washington, DC this 10th day of February, 2005.

John Frank,

Acting Chief, Branch of Construction Wage Determinations.
