The tract is located within the boundary of the Battlefield in the Commonwealth of Virginia and will remain so after consummation of the exchange. There are no threatened or endangered species or other species of management concern present on the tract. No cultural or archeological resources are known to exist on the tract.

In exchange for the land identified in Paragraph I, the United States will acquire Tract 01-150, a 0.85-acre parcel situated outside the boundary of the Battlefield near The Crater, an historic site within the boundary of the Battlefield. Federal acquisition of this tract will allow for protection of the visual integrity of the landscape from The Crater and the Crater Battlefield, a significant and threatened park resource. Executive Order No. 7329, dated March 30, 1936, authorizes the Secretary of the Interior to acquire this tract because of its proximity to The Crater property.
