

The United States Department of Justice, National Drug Intelligence Center (NDIC) has submitted the following information collection request to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995. The proposed information collection is published to obtain comments from the public and affected agencies. Comments are encouraged and will be accepted for "sixty days" until May 16, 2006. This process is in accordance with 5 CFR 1320.10.

If you have any comments, especially on the estimated public burden or associated response time, or suggestions, or need a copy of the proposed information collection instrument with instructions or additional information, please contact, Mr. Michael Walther, National Drug Intelligence Center, Fifth Floor, 319, Washington Street, Johnstown, PA 15901.

Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your comments should address one or more of the following four points:

- Evaluate whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the collection of information, including the validity of the methodology and assumption used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology (e.g., permitting electronic submission of responses).
