

Small Business Regulatory Enforcement Fairness Act (SBREFA)

These supplementary rules are not a "major rule" as defined at 5 U.S.C. 804(2). They would not result in an annual effect on the economy of \$100 million or more, in a major increase in costs or prices, or in significant adverse effects on competition, employment, investment, productivity, innovation, or on the ability of United States-based enterprises to compete with foreign-based enterprises in domestic and export markets. They merely would impose reasonable restrictions on certain recreational activities on certain public lands to protect natural resources, the environment, human health, and safety.

Unfunded Mandates Reform Act

These supplementary rules do not impose an unfunded mandate on state, local, or tribal governments, in the aggregate, or the private sector, of more than \$100 million in any one year; nor do these supplementary rules have a significant or unique effect on small governments. They would merely impose reasonable restrictions on certain recreational activities on certain public lands to protect natural resources and the environment, human health, and safety. Therefore, BLM is not required to prepare a statement containing the information required by the Unfunded Mandates Reform Act at 2 U.S.C. 1532.

Executive Order 12630, Governmental Actions and Interference With Constitutionally Protected Property Rights (Takings)

The supplementary rules are not a government action capable of interfering with constitutionally protected property rights. The reasonable restrictions that would be imposed by these supplementary rules would not deprive anyone of property or interfere with anyone's property rights. Therefore, the Department of the Interior has determined that the rule would not cause a taking of private property or require further discussion of takings implications under this Executive Order.

Executive Order 13132, Federalism

The supplementary rules will not have a substantial direct effect on the states, on the relationship between the national government and the states, or on the distribution of power and responsibilities among the various levels of government. The shooting restrictions in the supplementary rules do not apply to hunting with a state hunting license. Therefore, in

accordance with Executive Order 13132, BLM has determined that the supplementary rules do not have sufficient Federalism implications to warrant preparation of a Federalism Assessment.

Executive Order 12988, Civil Justice Reform

Under Executive Order 12988, the Office of the Solicitor has determined that these supplementary rules would not unduly burden the judicial system and that the requirements of sections 3(a) and 3(b)(2) of the Order are met.

Executive Order 13175, Consultation and Coordination With Indian Tribal Governments

In accordance with Executive Order 13175, we have found that these supplementary rules do not contain policies that have tribal implications. As such, no duties under Executive Order 13175 are required.

Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use

In accordance with Executive Order 13211, BLM has determined that the supplementary rules are not significant energy actions. The rules are not likely to have a significant adverse effect on energy supply, distribution, or use, including any shortfall in supply or price increase, and should have no substantial effect on fuel consumption.

Paperwork Reduction Act

These supplementary rules do not contain information collection requirements that the Office of Management and Budget must approve under the Paperwork Reduction Act of 1995, 44 U.S.C. 3501 *et seq.*

Author

The principal author of these supplementary rules is Leah Quesenberry, Outdoor Recreation Planner, Royal Gorge Field Office, Bureau of Land Management.

Notice of Proposed Withdrawal Extension and Opportunity for Public Meeting; New Mexico

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice.

SUMMARY: The Bureau of Land Management proposes to extend the duration of Public Land Order (PLO) No. 6616 for an additional 20-year period. PLO No. 6616 withdrew 16.45 acres of public land in San Juan County, New Mexico from settlement, sale, location or entry under the general land laws, including the United States mining laws, to protect the Bureau of Land Management's Farmington Administrative Site.

DATES: Comments and requests for a public meeting must be received by June 26, 2006.

ADDRESSES: Comments and meeting requests should be sent to the BLM Farmington Assistant Field Manager for Resources, 1235 La Plata Highway, Farmington, New Mexico 87401.

FOR FURTHER INFORMATION CONTACT: Mary Jo Albin, BLM Farmington Field Office, 1235 La Plata Highway, Farmington, New Mexico 87401, 505-599-6332.

SUPPLEMENTARY INFORMATION: The withdrawal created by PLO No. 6616 (51 FR 25205) will expire on July 10, 2006, unless extended. The Bureau of Land Management has filed an application to extend PLO No. 6616 for an additional 20-year period. The withdrawal was made to protect the Farmington Administrative Site on public land described as follows:

New Mexico Principal Meridian

T. 29 N., R. 13 W.,
Sec. 7, lots 5, 11, and 12.

The area described contains 16.45 acres in San Juan County.

The purpose of the proposed extension is to continue the withdrawal created by PLO No. 6616 for an additional 20-year term to protect the Federal investment in the Farmington Administrative Site.

As extended, the withdrawal would not alter the applicability of those public land laws governing the use of land under lease, license, or permit or governing the disposal of the mineral or vegetative resources other than under the mining laws.

The use of a right-of-way or interagency or cooperative agreement would not adequately protect the Federal investment in the Farmington Administrative Site.

There are no suitable alternative sites available since the Farmington Administrative Site is already constructed on the above-described public land.

No water rights would be needed to fulfill the purpose of the requested withdrawal extension.

For a period of 90 days from the date of publication of this notice, all persons who wish to submit comments, suggestions, or objections in connection with the proposed withdrawal extension may present their views in writing to the BLM Farmington Assistant Field Manager for Resources at the address noted above.

Comments, including names and street addresses of respondents, will be available for public review at the BLM Farmington Field Office at the address noted above during regular business hours 7:45 a.m. to 4:30 p.m., Monday through Friday, except holidays. Individual respondents may request confidentiality. If you wish to withhold your name or address from public review or from disclosure under the Freedom of Information Act, you must state this prominently at the beginning of your comments. Such requests will be honored to the extent allowed by law. All submissions from organizations or businesses, and from individuals identifying themselves as representatives or officials of organizations or businesses, will be made available for public inspection in their entirety.

Notice is hereby given that an opportunity for a public meeting is afforded in connection with the proposed withdrawal extension. All interested persons who desire a public meeting for the purpose of being heard on the proposed withdrawal extension must submit a written request to the BLM Farmington Assistant Field Manager for Resources within 90 days from the date of publication of this notice. If the authorized officer determines that a public meeting will be held, a notice of the time and place will be published in the **Federal Register** at least 30 days before the scheduled date of the meeting. This withdrawal extension proposal will be processed in accordance with the applicable regulations set forth in 43 CFR 2310.4.

(Authority: 43 CFR 2310.3-1)

Dated: March 16, 2006.

Joel E. Farrell,

*Assistant Field Manager for Resources,
