Environmental Impact Statement Adoption: Douglas County, KS

AGENCY: Federal Highway Administration (FHWA), DOT.

ACTION: Notice of intent.

SUMMARY: The FHWA is issuing this notice to advise the public of its intent to adopt an existing Final Environmental Impact Statement in accordance with the Council on Environmental Quality regulations, 40 CFR 1506.3. The Final EIS has been prepared and approved by the U.S. Army Corps of Engineers, Kansas City District, for the South Lawrence Trafficway located in Lawrence, Kansas.

FOR FURTHER INFORMATION CONTACT: Mr. Wendall L. Meyer, Assistant Division Administrator, FHWA, Kansas Division Office, 6111 SW., 29th Street, Topeka, KS 66614, Telephone: (785) 228-2544; or Mr. Corky Armstrong, Road Design Engineer, Kansas Department of Transportation, Dwight D. Eisenhower Building, 700 SW Harrison Street, Topeka, KS 66603-3754, Telephone: (785) 296-3901.

SUPPLEMENTARY INFORMATION: The FHWA, in cooperation with the Kansas Department of Transportation (KDOT), intends to adopt an approved Final EIS for the South Lawrence Trafficway located in Lawrence, Kansas. The EIS was prepared by the U.S. Army Corps of Engineers, Kansas City District, as part of a Section 404 Permit Application, Permit Application Number 200101697. The Notice of Intent for the EIS appeared in the FR, Volume 66, Number 152, August 7, 2001. The project consists of construction of a new section of K-10 Highway beginning in Douglas County at the existing K-10/U.S. 59 Highway interchange in southwest Lawrence extending approximately six miles north and east to a location on the existing K-10 alignment near the eastern edge of the City of Lawrence. The preferred alternative would replace the existing K-10 route through Lawrence with a limited access freeway along the southern edge of the city on an alignment identified as 32nd Street Alignment B. The EIS considered the social, environmental, and economic impacts of the project. The No-Action alternative and five roadway corridors

with a total of twelve reasonable build alternative alignments were evaluated and discussed in the Draft and Final EIS. The FHWA will also prepare and coordinate the distribution of a Draft and Final Section 4(f) Evaluation for the project, in accordance with 49 U.S.C. 303. These documents will evaluate the reasonable alternatives to determine if they are feasible and prudent as they relate to section 4(f). In addition, FHWA will prepare its own Record of Decision for the South Lawrence Trafficway alternative in accordance with 40 CFR 1505.2. Comments or questions concerning these proposed actions should be directed to the FHWA or KDOT at the addresses provided above.

(Catalog of Federal Domestic Assistance Program Number 20.205, Highway Planning and Construction. The regulations implementing Executive Order 12372 regarding intergovernmental consultation on Federal programs and activities apply to this program.)

Notice of Final Federal Agency Actions on Proposed Highway in Illinois

AGENCY: Federal Highway Administration (FHWA), DOT.

ACTION: Notice of limitation on claims for judicial review of actions by FHWA and other Federal agencies.

SUMMARY: This notice announces actions taken by the FHWA and other Federal agencies that are final within the meaning of 23 U.S.C. 139(l)(1). The actions relate to a proposed highway project, U.S. Route 20, Galena to Freeport in JoDaviess and Stephenson Counties, State of Illinois. Those actions grant licenses, permits, and approvals for the project.

DATES: By this notice, the FHWA is advising the public of final agency actions subject to 23 U.S.C. 139(l)(1). A claim seeking judicial review of the Federal agency actions on the highway project will be barred unless the claim is filed on or before October 10, 2006. If the Federal law that authorizes judicial review of a claim provides a time period of less than 180 days for filing such claim, then that shorter time period still applies.

FOR FURTHER INFORMATION CONTACT: Mr. Norman R. Stoner, Division Administrator, Federal Highway Administration, 3250 Executive Park Drive, Springfield, Illinois 62703-4514; Office Hours: 7:30 a.m.-4:15 p.m.; Telephone: (217) 492-4640; E-mail Address: Norman.Stoner@fhwa.dot.gov. You may also contact Mr. Gregory L. Mounts, Illinois Department of Transportation, Deputy Director, Region Two Engineer, 819 Depot Avenue, Dixon, Illinois 61021; Office Hours: 8 a.m.-4:30 p.m.; Telephone: (815) 284-2271; E-mail Address: MountsGL@dot.il.gov.

SUPPLEMENTARY INFORMATION: Notice is hereby given that the FHWA and other Federal agencies have taken final agency actions by issuing licenses, permits, and approvals for the following highway project in the State of Illinois: U.S. Route 20 from Galena to Freeport is a principal route in northwestern Illinois having national, state, regional, and local importance. This corridor is part of the National Highway System. The route has high existing and forecasted traffic volumes including trucks, high crash rates, and substandard capacity and level of service. The Selected Alternative will be a 78.8 km (49.7 mi) long, four-lane freeway with grade separations at all intersecting roadways requiring approximately 1,127 hectares (2,784 acres) of new right-of-way. It will begin northwest of Galena near the existing intersection of IL Route 84 and U.S. Route 20, proceed to the north and east of Galena, south of the Galena Territory, along the north side of Tapley Woods, north of Elizabeth and Woodbine, north of Stockton and south of Lena, and end northwest of Freeport, tying into the western end of the U.S. Route 20 Freeport Bypass. Except for the termini, which tie in along the existing U.S. Route 20, the entire proposed freeway would be on new alignment. The actions by the Federal agencies, and the laws under which such actions were taken, are described in the Final Environmental Impact Statement (FEIS) for the project, approved on November 16, 2004, in the FHWA Record of Decision (ROD) issued on September 22, 2005, and in other documents in the FHWA administrative record. The FEIS, ROD, and other documents in the FHWA administrative record file are available by contacting the FHWA or the Illinois Department of Transportation at the addresses provided above. The FHWA FEIS can be viewed and downloaded from the project Web site at <http://www.dot.il.gov/desenv/env/html> or hard copies of the FHWA FEIS and the ROD are available upon request.
