

to determine how to most effectively deal with these charges. The Exchange believes it is appropriate to delay implementation of the cancellation fee due to the incomplete data that had been previously communicated to the member organizations.¹⁰ In addition, the Exchange seeks to clarify that pre-market cancellations are not included in the calculation of the cancellation fee because this is not the type of behavior that the Exchange is trying to discourage. No other changes are being proposed in connection with the delayed assessment of the cancellation fee.

2. Statutory Basis

The Exchange believes that its proposal to amend its schedule of fees is consistent with Section 6(b) of the Act,¹¹ in general, and furthers the objectives of Section 6(b)(4) of the Act,¹² in particular, in that it is an equitable allocation of reasonable fees and other charges among Exchange members.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing proposed rule change has been designated as a fee change pursuant to Section 19(b)(3)(A)(ii) of the Act¹³ and Rule 19b-4(f)(2)¹⁴ thereunder. Accordingly, the proposal will take effect upon filing with the Commission. At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors,

or otherwise in furtherance of the purposes of the Act.

SOCIAL SECURITY ADMINISTRATION

Agency Information Collection Activities: Proposed Request

The Social Security Administration (SSA) publishes a list of information collection packages that will require clearance by the Office of Management and Budget (OMB) in compliance with Public Law 104-13, the Paperwork Reduction Act of 1995, effective October 1, 1995. The information collection packages that may be included in this notice are for new information collections, approval of existing information collections, revisions to OMB-approved information collections, and extensions (no change) of OMB-approved information collections.

SSA is soliciting comments on the accuracy of the agency's burden estimate; the need for the information; its practical utility; ways to enhance its quality, utility, and clarity; and on ways to minimize burden on respondents, including the use of automated collection techniques or other forms of information technology. Written comments and recommendations regarding the information collection(s) should be submitted to the SSA Reports Clearance Officer. The information can be mailed and/or faxed to the addresses and fax number listed below:

(SSA) Social Security Administration, DCFAM, Attn: Reports Clearance Officer, 1338 Annex Building, 6401 Security Blvd., Baltimore, MD 21235, Fax: 410-965-6400.

The information collection listed below is pending at SSA and will be submitted to OMB within 60 days from the date of this notice. Therefore, your comments should be submitted to SSA within 60 days from the date of this publication. You can obtain a copy of the collection instrument by calling the SSA Reports Clearance Officer at 410-965-0454 or by writing to the address listed above.

SSI Monthly Wage Reporting Phase 2 Pilot—20 CFR 416.701-732—0960-0715. Supplemental Security Income (SSI) recipients are required to report changes in their income, resources and living arrangements that may affect eligibility or payment amount.

¹⁰ The Exchange indicated that no rebates need to be processed. Although January and February cancellation charges were billed on the February invoice, the Exchange separately discovered a billing issue and credited the amount of cancellation charges billed to member organizations while the billing issue was reviewed.

¹¹ 15 U.S.C. 78f(b).

¹² 15 U.S.C. 78f(b)(4).

¹³ 15 U.S.C. 78s(b)(3)(A)(ii).

¹⁴ 17 CFR 240.19b-4(f)(2).

¹⁵ 17 CFR 200.30-3(a)(12).

Currently, SSI recipients report changes on Form SSA-8150, Reporting Events—SSI, or to an SSA teleservice representative through SSA's toll-free telephone number, or they visit their local Social Security office.

The SSI wage reporting program area has the highest error rate largely due to non-reporting, which accounts for approximately \$500 million in overpayments each year. Consequently, SSA is evaluating methods for increasing reporting. SSA is conducting a pilot to test an additional method for individuals to report wages for the SSI program. We are testing to determine if, given an easily accessible automated format, individuals will increase compliance with reporting responsibilities. Increased timely reporting could result in a decrease in improper payments. SSA will also be testing the use of knowledge-based authentication to determine if this is an effective method of accessing SSA's system. Lastly, SSA will test recent system enhancements and additional systems enhancements expected in May 2006 that will make reporting easier.

During the pilot, participants who need to report a change in earned income will call an SSA toll-free telephone number to report the change. The participants will access SSA's system using knowledge-based authentication (providing name, SSN and date of birth). Participants will either speak their report (voice recognition technology) or key in the information using the telephone key pad. SSA will issue receipts to participants who report wages using this method. Respondents to this collection are SSI recipients, deemors and representative payees of recipients who agree to participate in the pilot.

Type of Request: Extension of OMB approval.

Number of Respondents: 600.

Frequency of Response: 7.

Average Burden Per Response: 5 minutes.

Estimated Annual Burden: 350 hours.

Dated: April 18, 2006.

Reports Clearance Officer, Social Security Administration.
