

create a more efficient registration process by migrating from a manual paper-based Exchange procedure for registration to a web-based registration process that is operated by the NASD. The proposed fees are similar to those fees charged by other Self-Regulatory Organizations that use NASD's Web CRD.<sup>12</sup>

The purpose of adopting the Member Exchange and Off-Floor Trader fees is to help offset the Exchange's increased costs relating to its regulatory oversight and enforcement programs.

Members and member and participant organizations will be instructed to pay the NASD fees associated with Web CRD as well as any Registered Representative/Member Exchange/Off-Floor Trader Registration fees directly to the NASD through Web CRD. NASD will retain the NASD fees and remit the Registered Representative/Member Exchange/Off-Floor Trader Registration fees it collects to Phlx.

Finally, additional modifications are being made to the fee schedule to group similar fees together for ease of reference.

## 2. Statutory Basis

The Exchange believes that its proposal to amend its schedule of fees is consistent with Section 6(b) of the Act<sup>13</sup> in general, and furthers the objectives of Section 6(b)(4) of the Act<sup>14</sup> in particular, in that it is an equitable allocation of reasonable fees among Exchange members.

### B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

### C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

## III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing rule change establishes or changes a due, fee, or other charge imposed by the Exchange,

it has become effective pursuant to Section 19(b)(3)(A)(ii) of the Act<sup>15</sup> and paragraph (f)(2) of Rule 19b-4 thereunder.<sup>16</sup>

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.<sup>17</sup>

## IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change, as amended, is consistent with the Act. Comments may be submitted by any of the following methods:

## II. Description of the Proposed Rule Change

Section 12 of the Act<sup>7</sup> and Rule 12d2-2 thereunder<sup>8</sup> ("SEC Rule 12d2-2") govern the process for the delisting and deregistration of securities listed on national securities exchanges. Recent amendments to SEC Rule 12d2-2 ("amended SEC Rule 12d2-2") and other Commission rules require the electronic filing of revised Form 25<sup>9</sup> on the Commission's Electronic Data Gathering, Analysis, and Retrieval ("EDGAR") system by exchanges and issuers for all delistings, other than delistings of standardized options and securities futures, which are exempted.<sup>10</sup>

In the case of exchange-initiated delistings, amended SEC Rule 12d2-2(b) states that a national securities exchange may file an application on Form 25 to strike a class of securities from listing and/or withdraw the registration of such securities, in accordance with its rules, if the rules of such exchange, at a minimum, provide for:

- (i) Notice to the issuer of the exchange's decision to delist its securities;
- (ii) An opportunity for appeal to the exchange's board of directors, or to a committee designated by the board; and
- (iii) Public notice of the national securities exchange's final

determination to remove the security from listing and/or registration, by issuing a press release and posting notice on its Web site. Public notice must be disseminated no fewer than 10 days before the delisting becomes effective pursuant to amended SEC Rule 12d2-2(d)(1), and must remain posted on its Web site until the delisting is effective.

Phlx Rule 811 (Delisting Policies and Procedures) establishes the procedures for the Exchange to delist a company that is below the Exchange's continued listing criteria. The Exchange proposes to revise Phlx Rule 811 to incorporate the new requirements set forth in amended SEC Rule 12d2-2(b). The provisions set forth in current Phlx Rule 811, which provide for notification to the issuer in the event that the Exchange determines to delist the issuer's securities and the right to appeal the Exchange's determination, satisfy the minimum provisions set forth in amended SEC Rule 12d2-2(b)(1)(i)-(ii). Phlx rules do not currently provide for the mandated public notice, and accordingly, amended Phlx Rule 811(g) would require the Exchange to provide public notice of its final determination to remove a security from listing and/or registration, pursuant to SEC Rule 12d2-2(b)(1)(iii). In addition, proposed Commentary to Phlx Rule 810 would require the Exchange to deliver a copy of the Form 25 promptly to the issuer, pursuant to amended SEC Rule 12d2-2(b)(2).

With respect to issuer voluntary delisting procedures, the Exchange proposes to amend Phlx Rule 811 to require an issuer seeking to voluntarily delist from the Exchange to submit Form 25 to the Commission in compliance with the requirements of amended SEC Rule 12d2-2(c). In addition, the issuer would be required to provide a copy of the Form 25 to the Exchange simultaneously with the filing of the Form with the Commission.

In addition, Phlx proposes to amend Phlx Rule 809(c) to clarify that not less than ten days before the issuer submits Form 25 an issuer seeking to voluntarily apply to withdraw a security from listing on the Exchange where the issuer has received notice from the Exchange, pursuant to Phlx Rule 811 or otherwise, that the issuer is below the Exchange's continued listing policies and standards, or that the issuer is aware that it is below such continued listing policies and standards notwithstanding that it has not received such notice from the Exchange, must:

- (i) Provide written notice to the Exchange of its decision to withdraw from listing indicating all material facts

relating to the reasons for withdraw in compliance with amended SEC Rule 312d2-2(c); and

- (ii) Contemporaneously with providing such notice to the Exchange disclose that it is no longer eligible for continued listing (including the specific continued listing policies and standards that the issue is below) in (A) its statement of all material facts relating to the reasons for withdrawal from listing provided to the Exchange along with written notice of its determination to withdraw from listing required by amended SEC Rule 12d2-2(c)(2)(ii), and (B) its release and Web site notice required by amended SEC Rule 12d2-2(c)(2)(iii).<sup>11</sup>

Finally, the Exchange has proposed changes in its rules to clarify that the Form 25 serves as the application to remove a security from listing and/or registration and to specify that the proposed changes will be effective as of April 24, 2006 as required by amended SEC Rule 12d2-2.

## III. Commission's Findings and Order Granting Accelerated Approval of Proposed Rule Change and Amendment Nos. 1, 2, and 3

The Commission finds that the proposed rule change, as amended, is consistent with the requirements of the Act and the rules and regulations thereunder applicable to a national securities exchange<sup>12</sup> and, in particular, the requirements of Section 6 of the Act.<sup>13</sup> Specifically, as discussed below, the Commission finds that the proposal, as amended, is consistent with Section 6(b)(5) of the Act,<sup>14</sup> which requires, in part, that the rules of an exchange be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, and processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. Further, as noted in more detail below, the changes being adopted by Phlx meet the requirements of amended SEC Rule 12d2-2.

<sup>11</sup> See Amendment No. 2, *supra* note 5.

<sup>12</sup> In approving this proposal, the Commission has considered the proposed rule's impact on efficiency, competition, and capital formation. See 15 U.S.C. 78c(f).

<sup>4</sup> See Securities Exchange Act Release No. 53496 (March 16, 2006), 71 FR 14769.

<sup>5</sup> In Amendment No. 2, Phlx amended its rule text to clarify that an issuer that is below the continued listing policies and standards of the Exchange and seeks to voluntarily apply to withdraw a class of securities from listing must disclose that it is no longer eligible for continued listing in its statement of material facts relating to the reason for withdrawal from listing, its public press release, and its Web site notice.

<sup>6</sup> In Amendment No. 3, the Exchange revised Phlx Rule 811 to clarify that an issuer that is below the continued listing policies and standards of the Exchange and considering delisting may file a delisting application pursuant to the procedures outlined in amended Phlx Rule 809(b)-(c).

### A. Exchange Delisting

Amended SEC Rule 12d2-2(b) states that a national securities exchange may file an application on Form 25 to strike a class of securities from listing and/or withdraw the registration of such securities, in accordance with its rules, if the rules of such exchange, at a minimum, provide for notice to the issuer of the exchange's decision to delist, opportunity for appeal, and public notice of the exchange's final determination to delist. The Commission believes that Phlx's current rules and proposal comply with the dictates of amended SEC Rule 12d2-2(b).

Phlx rules currently provide the requisite issuer notice as well as an opportunity for appeal to a committee designated by the Exchange's Board of Governors. Specifically, issuers may appeal delisting determinations by the Allocation, Evaluation and Securities Committee to an ad hoc Exchange committee appointed by the Board of Governors and the committee will consist of three persons, at least one of which must be a member of the Board of Governors.<sup>15</sup> Finally, the proposed rule change will provide for public notice of the exchange's final determination to remove the security from listing and/or registration. This should ensure that investors have adequate notice of an exchange delisting and is consistent with the protection of investors under Section 6(b)(5) of the Act.<sup>16</sup>

### B. Issuer Voluntary Delisting

The Exchange proposes to set forth in its Exchange rules the general requirements of amended SEC Rule 12d2-2(c) regarding issuer voluntary delisting. Accordingly, amended Phlx Rule 809 would state that an issuer shall delist its security by filing Form 25 electronically via Edgar in compliance with all of the requirements of amended SEC Rule 12d2-2(c). The Commission believes that the proposal will better inform issuers of the requirements for voluntary delisting of their securities under Phlx rules and federal securities laws.

The proposal also sets forth a new requirement not in amended SEC Rule 12d2-2 that would require an issuer seeking to voluntarily delist its security to provide a copy of the Form 25 that it has filed with the Commission

simultaneously with such filing. The Commission believes that this requirement will allow the Exchange to be fully informed of the filing of a Form 25 and be prepared to take timely action to delist the security in accordance with the filing of the Form.

In addition, Phlx proposes to amend Phlx Rule 809 to clarify that not less than ten days before the issuer submits Form 25, an issuer seeking to voluntarily apply to withdraw a security from listing on the Exchange where the issuer has received notice from the Exchange, pursuant to Phlx Rule 811 or otherwise, that the issuer is below the Exchange's continued listing policies and standards, or that the issuer is aware that it is below such continued listing policies and standards notwithstanding that it has not received such notice from the Exchange, must:

(i) Provide written notice to the Exchange of its decision to withdraw from listing indicating all material facts relating to the reasons for withdraw in compliance with amended SEC Rule 12d2-2(c); and

(ii) Contemporaneously with providing such notice to the Exchange disclose that it is no longer eligible for continued listing (including the specific continued listing policies and standards that the issue is below) in (A) its statement of all material facts relating to the reasons for withdrawal from listing provided to the Exchange along with written notice of its determination to withdraw from listing required by amended SEC Rule 12d2-2(c)(2)(ii), and (B) its release and Web site notice required by amended SEC Rule 12d2-2(c)(2)(iii).<sup>17</sup>

The Commission believes that this requirement will allow shareholders to be informed and aware that the issuer has failed to meet Exchange listing standards and is voluntarily delisting with the consent of the Exchange. Issuers will therefore not be permitted to delist voluntarily without public disclosure of their noncompliance with Exchange listing standards.

### C. Accelerated Approval of Proposed Rule Change and Amendment No. 1, and Amendment Nos. 2 and 3

Pursuant to Section 19(b)(2) of the Act,<sup>18</sup> the Commission may not approve any proposed rule change, or amendment thereto, prior to the 30th day after the date of publication of notice of the filing thereof, unless the Commission finds good cause for so doing and publishes its reasons for so finding. The Commission hereby finds

good cause for approving the proposed rule change, as amended, prior to the 30th day after publishing notice of the proposed rule change and Amendment Nos. 1, 2, and 3 in the **Federal Register**. In the SEC Rule 12d2-2 Approval Order, the Commission stated that the compliance date of the amendments is April 24, 2006.<sup>19</sup> In addition, no comments were received on the proposal, as originally published.<sup>20</sup> Accelerated approval of the proposal, as amended, would enable the Exchange's amended rules to become operative by the compliance date set forth by the Commission.

The Commission further finds good cause for approving Amendment Nos. 2 and 3 to the proposal, prior to the 30th day after publishing notice of Amendment Nos. 2 and 3 in the **Federal Register**. In Amendment No. 2, Phlx amended its rule text to clarify that an issuer that is below the continued listing policies and standards of the Exchange and seeks to voluntarily apply to withdraw a class of securities from listing must disclose its status. In Amendment No. 3, the Exchange revised Phlx Rule 811 to clarify that an issuer that is below the continued listing policies and standards of the Exchange and considering delisting may file a delisting application pursuant to the procedures outlined in amended Phlx Rule 809(b)-(c).

As previously discussed, the revisions made to the proposal in Amendment No. 2 will allow shareholders to be informed and aware that the issuer has failed to meet Exchange listing standards and is voluntarily delisting with the consent of the Exchange. The Commission believes that granting accelerated approval of Amendment No. 2 will permit the Exchange to implement this new provision as expeditiously as possible, to the benefit of investors. In addition, the revisions made to the proposal in Amendment No. 3 are clarifying changes. The Commission also believes that accelerating approval of Amendment Nos. 2 and 3 is appropriate because these revisions do not raise new regulatory issues.

Accordingly, pursuant to Section 19(b)(2) of the Act,<sup>21</sup> the Commission finds good cause to approve the proposed rule change, as amended, prior to the 30th day after notice of the proposed rule change and Amendment

<sup>15</sup> The other two members of the Committee may be governors, members, Exchange officials, and/or other persons (not having an interest in the matter) as the Chairman of the Board of Governors shall determine. See Phlx Rule 811(d).

#### **SMALL BUSINESS ADMINISTRATION**

##### **Small Business Size Standards: Waiver of the Nonmanufacturer Rule**

**AGENCY:** U.S. Small Business Administration.

**ACTION:** Notice of waiver of the Nonmanufacturer Rule for certain Petroleum Products.

**SUMMARY:** The U.S. Small Business Administration (SBA) is granting a request for a waiver of the Nonmanufacturer Rule for Industrial Gases Manufacturing; Refinery Gases made in Petroleum Refineries; Cryogenic Tanks, Heavy Gauge Metal Manufacturing; Liquid Oxygen Tanks Manufacturing; Liquefied Petroleum Gases (LPG) Cylinders Manufacturing; Bulk Storage Tanks, Heavy Gauge Metal, Manufacturing; Gas Storage Tanks, Heavy Gauge Metal, Manufacturing; and Cylinders, Pressure, Heavy Gauge Metal, Manufacturing.

The effect of a waiver would be to allow otherwise qualified regular dealers to supply the products of any domestic manufacturer on a Federal contract set aside for small businesses; service-disabled veteran-owned small businesses or SBA's 8(a) Business Development Program.

**DATES:** This waiver is effective May 12, 2006.

**FOR FURTHER INFORMATION CONTACT:** Edith Butler, Program Analyst, by telephone at (202) 619-0422; by FAX at (202) 481-1788; or by e-mail at [edith.butler@sba.gov](mailto:edith.butler@sba.gov).

**SUPPLEMENTARY INFORMATION:** Section 8(a)(17) of the Small Business Act (Act), 15 U.S.C. 637(a)(17), requires that recipients of Federal contracts set aside for small businesses, service-disabled veteran-owned small businesses, or SBA's 8(a) Business Development Program provide the product of a small business manufacturer or processor, if the recipient is other than the actual manufacturer or processor of the product. This requirement is commonly referred to as the Nonmanufacturer

Rule. The SBA regulations imposing this requirement are found at 13 CFR 121.406(b). Section 8(a)(17)(b)(iv) of the Act authorizes SBA to waive the Nonmanufacturer Rule for any "class of products" for which there are no small business manufacturers or processors available to participate in the Federal market.

As implemented in SBA's regulations at 13 CFR 121.1202(c), in order to be considered available to participate in the Federal market for a class of products, a small business manufacturer must have submitted a proposal for a contract solicitation or received a contract from the Federal government within the last 24 months. The SBA defines "class of products" based on a six digit coding system. The coding system is the Office of Management and Budget North American Industry Classification System (NAICS).

The SBA received a request on January 10, 2006 to waive the Nonmanufacturer Rule for Industrial Gases Manufacturing; Refinery Gases made in Petroleum Refineries; Cryogenic Tanks, Heavy Gauge Metal Manufacturing; Liquid Oxygen Tanks Manufacturing; Liquefied Petroleum Gases (LPG) Cylinders Manufacturing; Bulk Storage Tanks, Heavy Gauge Metal, Manufacturing; Gas Storage Tanks, Heavy Gauge Metal, Manufacturing; and Cylinders, Pressure, Heavy Gauge Metal, Manufacturing.

In response, on February 24, 2006 SBA published in the **Federal Register** a notice of intent to waive the Nonmanufacturer Rule for Industrial Gases Manufacturing; Refinery Gases made in Petroleum Refineries; Cryogenic Tanks, Heavy Gauge Metal Manufacturing; Liquid Oxygen Tanks Manufacturing; Liquefied Petroleum Gases (LPG) Cylinders Manufacturing; Bulk Storage Tanks, Heavy Gauge Metal, Manufacturing; Gas Storage Tanks, Heavy Gauge Metal, Manufacturing; and Cylinders, Pressure, Heavy Gauge Metal, Manufacturing. SBA explained in the notice that it was soliciting comments and sources of small business manufacturers of these classes of products. In response to this notice, comments were received from interested parties. SBA has determined that there are no small business manufacturers of these classes of products, and is therefore granting the waiver of the Nonmanufacturer Rule for Industrial Gases Manufacturing; Refinery Gases made in Petroleum Refineries; Cryogenic Tanks, Heavy Gauge Metal Manufacturing; Liquid Oxygen Tanks Manufacturing; Liquefied Petroleum Gases (LPG) Cylinders Manufacturing; Bulk Storage Tanks, Heavy Gauge Metal,
