

Corrections

Federal Register
Vol. 71, No. 81
Thursday, April 27, 2006

This section of the FEDERAL REGISTER contains editorial corrections of previously published Presidential, Rule, Proposed Rule, and Notice documents. These corrections are prepared by the Office of the Federal Register. Agency prepared corrections are issued as signed documents and appear in the appropriate document categories elsewhere in the issue.

DEPARTMENT OF THE INTERIOR

Fish and Wildlife Service

50 CFR Part 17

RIN 1018-AU22; 1018-AI48

Endangered and Threatened Wildlife and Plants; Final Rule To Remove the Arizona Distinct Population Segment of the Cactus Ferruginous Pygmy-owl (*Glaucidium brasilianum cactorum*) From the Federal List of Endangered and Threatened Wildlife; Withdrawal of the Proposed Rule to Designate Critical Habitat; Removal of Federally Designated Critical Habitat

Correction

FR Document 06-3470 was published in the Rules section of the Federal

Register in the issue of April 14, 2006 (71 FR 19452). This document was inadvertently published as a single Rule document. However, the portion of the document withdrawing the proposed rule to designate new critical habitat for the Arizona DPS of the pigmy-owl (67 FR 7103, November 27, 2002) should have been a separate document, and should have appeared in the Proposed Rule section.
