

District Resource Advisory Council (RAC), will meet as indicated below.

**DATES:** The meeting will be held June 6–7, 2006 starting at the Soda Springs City Council Chambers, 9 West 2nd South, Soda Springs, Idaho 83276. The meeting will start at 1 p.m. on June 6, with the public comment period as the first agenda item. The second day will conclude at or before 5 p.m. Following the first two hours of the meeting at the Soda Springs City Hall, the rest of the meeting will be conducted as a field tour. Meeting attendees outside of BLM staff and RAC members should provide their own transportation if they wish to participate.

**SUPPLEMENTARY INFORMATION:** The 15-member Council advises the Secretary of the Interior, through the Bureau of Land Management, on a variety of planning and management issues associated with public land management in the BLM Idaho Falls District (IFD), which covers eastern Idaho. At this meeting, the Advisory Council will receive updates on current IFD and BLM Idaho issues. The field tour for the RAC will be to Blackfoot Reservoir Campground on June 6 and the Simplot Smoky Canyon Mine on June 7.

All meetings are open to the public. The public may present written comments to the Council. Each formal Council meeting will also have time allocated for hearing public comments. Depending on the number of persons wishing to comment and time available, the time for individual oral comments may be limited. Individuals who plan to attend and need special assistance, such as sign language interpretation, tour transportation or other reasonable accommodations, should contact the BLM as provided below.

Proposed Collection; Comment  
Request**

**AGENCY:** Bureau of Reclamation,  
Interior.

**ACTION:** Notice and request for  
comments.

**SUMMARY:** In accordance with the Paperwork Reduction Act of 1995, this notice announces that the Bureau of Reclamation (Reclamation) intends to seek approval of the following proposed new information collection: Recreation Survey, New Melones Lake Project, Sonora, CA. Before submitting the information collection request to the Office of Management and Budget for approval, Reclamation is soliciting comments on specific aspects of the information collection.

**DATES:** Comments on this notice must be received by July 3, 2006.

**ADDRESSES:** Address all comments concerning this information collection to Bureau of Reclamation, Central California Area Office, 7794 Folsom Dam Road, Folsom, CA 95630.

**FOR FURTHER INFORMATION CONTACT:** For further information or a copy of the proposed collection of information form, contact Ms. Elizabeth Ayres, Bureau of Reclamation, telephone 916-989-7192, or at the address above.

**SUPPLEMENTARY INFORMATION:** Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of Reclamation's functions, including whether the information will have practical use; (b) the accuracy of Reclamation's estimated time and cost burdens of the proposed collection of information, including the validity of the methodology and assumptions used; (c) ways to enhance the quality, use, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including increased use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted within 60 days of this publication.

*Title:* Recreation Survey, New Melones Lake Project, Sonora, CA.

*Abstract:* The purpose of the on-site recreation survey is to characterize

existing users, characterize their use of the New Melones Project, assess their satisfaction with their experience and the facilities, and find out what other opportunities or facilities they would like to see developed at the New Melones Lake Project. The purpose of the regional telephone survey is to characterize regional population, their outdoor recreation use, the demand for various types of outdoor recreation activities, trends in outdoor recreation use, and the extent to which regional population use New Melones Lake Project, Sonora, CA. Together the on-site survey and the regional telephone survey shall describe the recreational preferences of visitors to the New Melones Lake Project and provide guidance on what recreational planning objectives should be included in the New Melones Lake Project RMP/EIS.

*Description of respondents:* Persons who recreate at New Melones Lake Project and the areas surrounding New Melones Lake Project, and residents in Sonora and Tuolumne counties.

*Frequency:* This is a one-time voluntary survey.

*Estimated Total Number of Respondents:* 1,500.

*Estimated Number of Responses per Respondent:* 1.

*Estimated Total Annual Burden on Respondents:* 375 hours.

**ESTIMATE OF BURDEN FOR EACH FORM**

Form	Burden estimate per form (in minutes)	Number of respondents	Annual burden on respondents (in hours)
On-site survey .....	15	1250	312.5
Telephone survey .....	15	250	62.5
Total .....	.....	1500	375

Our practice is to make comments, including names and home addresses of respondents, available for public review. Individual respondents may request that we withhold their home address from public disclosure, which we will honor to the extent allowable by law. There also may be circumstances in which we would withhold a respondent's identity from public disclosure, as allowable by law. If you wish us to withhold your name and/or address, you must state this prominently at the beginning of your comment. We will make all submissions from organizations or businesses, and from individuals identifying themselves as representatives or officials of

organizations or businesses, available for public disclosure in their entirety.

Dated: April 24, 2006.
