### Background

On October 25, 2005, the Department of Commerce ("Department") initiated an administrative review of the antidumping duty order on freshwater crawfish tail meat from the People's Republic of China. **See Notice of Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part**, 70 FR 61601 (October 25, 2005). The review was initiated for 13 individually named firms, and the period of review (POR) is September 1, 2004, through August 31, 2005.<sup>1</sup> Of the 13 named firms for which the Department initiated an administrative review, the reviews of 7 of these firms were rescinded on February 15, 2006. *See Notice of Partial Rescission of Antidumping Administrative Review*, 71 FR 7915 (February 15, 2006).<sup>2</sup>

The preliminary results of this administrative review for the remaining respondents (Jiangsu JOM, Shanghai Sunbeauty, Qingdao JYX, Qingdao Wentai, Xuzhou Jinjiang, and Yancheng Hi-King) are currently due by June 2, 2006.

### Extension of Time Limit for Preliminary Results

Pursuant to section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), the Department shall issue preliminary results in an administrative review of an antidumping duty order within 245 days after the last day of the anniversary month of the date of publication of the order for which a review is requested and the final results within 120 days after the date on which the preliminary

results are published. However, if it is not practicable to complete the review within the specified time periods, section 751(a)(3)(A) of the Act allows the Department to extend these deadlines to a maximum of 365 days and 180 days, respectively.

The Department has determined that completion of the preliminary results within the originally anticipated time limit, *i.e.*, by June 2, 2006, is impracticable. The Department requires additional time to analyze the parties' responses to the Department's questionnaires, as well as to issue any necessary supplemental questionnaires and to conduct verifications. Consequently, it is not practicable to complete the review within the time specified under the Act. Therefore, the Department is extending the time limit for completion of these preliminary results by 120 days to September 30, 2006, in accordance with section 751(a)(3)(A) of the Act.

Additionally, on February 16, 2006, and February 21, 2006, in accordance with 19 CFR 351.214(j)(3), Xuzhou Jinjiang and Xiping Opeck Food Co. Ltd., respectively, agreed to waive the time limits of their new shipper reviews, and agreed to have their reviews conducted concurrently with the administrative review of this order for the same POR. *See Notice of Postponement of Time Limits for New Shipper Antidumping Duty Reviews in Conjunction With Administrative Review*, 71 FR 13963 (March 20, 2006). Therefore, the preliminary results of these new shipper reviews will also be extended by 120 days to September 30, 2006. The deadline for the final results of these reviews continues to be 120 days after the publication of the preliminary results.

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: May 15, 2006.

### Extension of Time Limits for Final Results

Section 751(a)(2)(B)(iv) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.214(i)(1) require the Department to issue the preliminary results of a new shipper review within 180 days after the date on which the new shipper review was initiated and

final results of a review within 90 days after the date on which the preliminary results were issued. The Department may, however, extend the deadline for completion of the final results of a new shipper review to 150 days if it determines that the case is extraordinarily complicated (19 CFR 351.214 (i)(2)).

The Department has determined that the review is extraordinarily complicated as the Department must consider numerous arguments presented in the case briefs of the three respondents and petitioner's rebuttal brief including arguments regarding the respondents' sales prices, quantities, and issues relating to two respondents' U.S. affiliates. Based on the timing of the case, the final results of this new shipper review cannot be completed within the statutory time limit of 90 days. Accordingly, the Department is extending the time limit for the completion of the final results by 30 days from the original May 24, 2006, deadline, to June 23, 2006, in accordance with section 751(a)(2)(B)(iv) of the Act and 19 CFR 351.214(i)(2). This notice is published pursuant to sections 751(a)(2)(B)(iv) and 777(i)(1) of the Act.

#### **SUPPLEMENTARY INFORMATION:**

##### **Background**

On December 10, 2001, the Department of Commerce (the

Department) published in the **Federal Register** an antidumping duty order covering honey from the People's Republic of China (PRC). *Notice of Amended Final Determination of Sales at Less Than Fair Value and Antidumping Duty Order; Honey from the People's Republic of China*, 66 FR 63670 (December 10, 2001). The Department received timely requests from Shanghai Taiside Trading Co., Ltd. (Taiside) and Wuhan Shino-Food Trade Co., Ltd. (Shino-Food), in accordance with section 751(a)(2)(B) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.214(c), for new shipper reviews of the antidumping duty order on honey from the PRC, which has a December annual anniversary month and a June semi-annual anniversary month.

On August 5, 2005, the Department initiated a review with respect to Taiside and Shino-Food. *Honey from the People's Republic of China: Initiation of New Shipper Antidumping Duty Review*, 70 FR 45367 (August 5, 2005).

On January 13, 2006, the Department extended the deadline for the preliminary results to March 31, 2006. *Honey from the People's Republic of China: Extension of Time Limit for Preliminary Results of 2004/2005 New Shipper Review*, 71 FR 2182 (January 13, 2006). #### **Extension of Time Limits for Preliminary Results**

Section 751(a)(2)(B)(iv) of the Act, and 19 CFR 351.214(i)(1) require the Department to issue the preliminary results of a new shipper review within 180 days after the date on which the new shipper review was initiated and final results of a review within 90 days after the date on which the preliminary results were issued. The Department may, however, extend the deadline for completion of the preliminary results of a new shipper review to 300 days if it determines that the case is extraordinarily complicated. See section 751(a)(2)(B)(iv) of the Act, and 19 CFR 351.214(i)(2).

Pursuant to section 751(a)(2)(B)(iv) of the Act and 19 CFR 351.214(i)(2), the Department has determined that, due to the extraordinarily complicated nature of this review, specifically the complex issues raised in this review segment, including honey valuation and *bona*

*fides* issues arising from verification, it is not practicable to complete this administrative review within the current time limit. Accordingly, the Department is extending the time limit for the completion of the preliminary results until May 30, 2006, which is the first business day 300 days from the date on which this new shipper review was initiated, in accordance with section 751(a)(2)(B)(iv) of the Act and 19 CFR 351.214(i)(2). The final results, in turn, will be due 90 days after the date of issuance of the preliminary results, unless extended.

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act.
