**ACTION:** Interim rule with request for comments.

**SUMMARY:** DoD has issued an interim rule amending the Defense Federal Acquisition Regulation Supplement (DFARS) to implement the Dominican Republic-Central America-United States Free Trade Agreement with respect to El Salvador, Honduras, and Nicaragua. #### SUPPLEMENTARY INFORMATION:

##### A. Background

This interim rule amends DFARS provisions and clauses to implement the Dominican Republic-Central America-United States Free Trade Agreement (CAFTA-DR) with respect to El Salvador, Honduras, and Nicaragua. Congress approved the CAFTA-DR in the Dominican Republic-Central America-United States Free Trade Agreement Implementation Act (Pub. L. 109-53). Other signatory countries to the CAFTA-DR are Costa Rica, the Dominican Republic, and Guatemala. The DFARS will be further amended when the CAFTA-DR takes effect for these countries. The CAFTA-DR waives the applicability of the Buy American Act for some foreign supplies and construction materials and specifies procurement procedures designed to ensure fairness.

For supply and service contracts, the CAFTA-DR has the same dollar threshold as the other Free Trade Agreements (\$64,786), except that the Morocco Free Trade Agreement has a higher threshold that is equal to the threshold for the World Trade Organization Government Procurement Agreement (\$193,000); and the North American Free Trade Agreement (NAFTA) has a lower threshold with respect to supply contracts involving Canada (\$25,000). For construction contracts, the CAFTA-DR and the Morocco Free Trade Agreement have the same threshold as the Australia Free Trade Agreement, the Chile Free Trade Agreement, the Singapore Free Trade Agreement, and the World Trade Organization Government Procurement Agreement (\$7,407,000), which is lower than the NAFTA threshold of \$8,422,165 for construction contracts. Therefore, the DFARS provision and clause that implement the Free Trade Agreements below the World Trade Organization Government Procurement Agreement threshold (DFARS 252.225-7035 and 252.225-7036) apply to end products from all Free Trade Agreement countries except Morocco. The construction contract clause that implements trade agreements (DFARS 252.225-7045) applies to all designated

country construction material except Mexican construction material, because Canada, the other NAFTA country, is a member of the World Trade Organization Government Procurement Agreement.

This rule was not subject to Office of Management and Budget review under Executive Order 12866, dated September 30, 1993.

##### B. Regulatory Flexibility Act

DoD does not expect this rule to have a significant economic impact on a substantial number of small entities within the meaning of the Regulatory Flexibility Act, 5 U.S.C. 601, *et seq.* Although the rule opens up DoD procurement to the products of El Salvador, Honduras, and Nicaragua, DoD does not believe there will be a significant economic impact on U.S. small businesses. DoD applies the trade agreements to only those non-defense items listed at DFARS 225.401-70, and procurements that are set aside for small businesses are exempt from application of the trade agreements. Therefore, DoD has not performed an initial regulatory flexibility analysis. DoD invites comments from small businesses and other interested parties. DoD also will consider comments from small entities concerning the affected DFARS subparts in accordance with 5 U.S.C. 610. Such comments should be submitted separately and should cite DFARS Case 2006-D019.

##### C. Paperwork Reduction Act

This interim rule affects the certification and information collection requirements in the provisions at DFARS 252.225-7020 and 252.225-7035, currently approved under Office of Management and Budget Control Number 0704-0229. The impact, however, is negligible.

##### D. Determination To Issue an Interim Rule

A determination has been made under the authority of the Secretary of Defense that urgent and compelling reasons exist to publish an interim rule prior to affording the public an opportunity to comment. This interim rule implements the Dominican Republic-Central America-United States Free Trade Agreement with respect to El Salvador, Honduras, and Nicaragua, as approved by Congress in Public Law 109-53. The Free Trade Agreement waives the applicability of the Buy American Act for some foreign supplies and construction materials from El Salvador, Honduras, and Nicaragua, and specifies procurement procedures designed to ensure fairness. The Free Trade

Agreement became effective for El Salvador on March 1, 2006, and for Honduras and Nicaragua on April 1, 2006. Comments received in response to this interim rule will be considered in the formation of the final rule.
