

Environment

We have analyzed this proposed rule under Commandant Instruction M16475.ID and Department of Homeland Security Management Directive 5100.1, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321–4370f), and have made a preliminary determination that there are no factors in this case that would limit the use of a categorical exclusion under section 2.B.2 of the Instruction. Therefore, we believe that this rule should be categorically excluded, under figure 2–1, paragraph (34)(h), of the Instruction, from further environmental documentation. Under figure 2–1, paragraph (34)(h), of the Instruction, an “Environmental Analysis Check List” is not required for this rule. Comments on this section will be considered before we make the final decision on whether to categorically exclude this rule from further environmental review.

SUPPLEMENTARY INFORMATION:

Background

On April 21, 2006, the Service published a proposed special rule (71 FR 20625) under section 4(d) of the Endangered Species Act, as amended (16 U.S.C. 1531 *et seq.*) to promote the conservation of the Pacific Coast distinct population segment of the western snowy plover. The proposed

special rule opened a 60-day public comment period, which was to end on June 20, 2006, on that action. Also on April 21, 2006, we published our not-warranted 12-month finding (71 FR 20607) on a petition to delist the Pacific Coast population of the western snowy plover. We have received requests from the public to view our records associated with the 12-month finding to help in their review of the proposed special 4(d) rule. To ensure that the public has sufficient opportunity to review the requested records, we are extending the comment period for the proposed special rule published on April 21, 2006, at 71 FR 20625, for an additional 60 days. Comments on the proposed special rule will be accepted through Monday, August 21, 2006.

Authority

The authority for this action is the Endangered Species Act of 1973, as amended (16 U.S.C. 1531 *et seq.*).

Dated: June 14, 2006.

Matt Hogan,

Acting Assistant Secretary for Fish and Wildlife and Parks.
