SUPPLEMENTARY INFORMATION:**Background**

The Department of Commerce (the Department) published an antidumping duty order on honey from Argentina on December 10, 2001 (*see Notice of Antidumping Duty Order; Honey From Argentina*, 66 FR 63672). On January 3, 2006, Patagonik S.A., an Argentine exporter of subject merchandise, requested that the Department conduct a new shipper review. On January 20, 2006, the Department initiated this new shipper review. *See Honey from Argentina: Initiation of New Shipper Antidumping Duty Review*, 71 FR 4349 (January 26, 2006). The preliminary results of this administrative review are currently due no later than July 19, 2006.

Extension of Time Limit for Preliminary Results

Pursuant to section 751(a)(2)(B) of the Tariff Act of 1930 as amended (the Act), the Department shall issue preliminary results in a new shipper review of an antidumping duty order within 180 days after the date on which the new shipper review was initiated. The Act further provides, however, that the Department may extend the deadline for completion of the preliminary results of a new shipper review from 180 days to 300 days if it determines that the case is extraordinarily complicated. *See* section 751(a)(2)(B)(iv) of the Act. We determine that this new shipper review is extraordinarily complicated because of issues involving cost, third country sales, and the nature of the U.S. sale.

Section 751(a)(2)(B) of the Act and section 351.214(i)(2) of the Department's regulations allow the Department to

extend the deadline for the preliminary results to a maximum of 300 days from the date on which the new shipper review was initiated. For the reasons noted above, we are extending the time for the completion of preliminary results until no later than November 16, 2006, which is 300 days from the date on which the new shipper review was initiated. The deadline for the final results of this administrative review continues to be 90 days after the publication of the preliminary results.

This notice is issued and published in accordance with section 751(a)(2)(B) of the Act.

Dated: June 30, 2006.

Stephen J. Claeys,

Deputy Assistant Secretary for Import Administration.

David Cordell or Robert James, AD/CVD Operations, Office 7, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-0408 or (202) 482-0469, respectively.

SUPPLEMENTARY INFORMATION:**Background:**

On December 22, 2005, in response to a request from petitioners, (United States Steel Corporation), and interested parties (Mittal Steel USA Inc. and Nucor Corporation), we published a notice of initiation of this administrative review in the *Federal Register*. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 70 FR 76024 (December 22, 2005).

Extension of Time Limit for Preliminary Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), requires the Department to make a preliminary determination within 245 days after the

last day of the anniversary month of an order or finding for which a review is requested and a final determination within 120 days after the date on which the preliminary determination is published. However, if it is not practicable to complete a review within these time periods, section 751(a)(3)(A) of the Act allows the Department to extend the 245-day time limit for the preliminary determination to a maximum of 365 days and the time limit for the final determination to 180 days (or 300 days if the Department does not extend the time limit for the preliminary determination) from the date of publication of the preliminary determination.

The Department has determined that it is not practicable to complete the preliminary results of this review within the original time limit (*i.e.*, by August 2, 2006) because of significant issues that require additional time to evaluate. These include the examination of sales by respondent Corus Staal, BV's many affiliated parties in the U.S. market and in the home market and further examination of Corus Staal BV's cost of production response. Therefore, the Department is fully extending the time limit for completion of the preliminary results of this review by 120 days, or until November 30, 2006, in accordance with section 751(a)(3)(A) of the Act. The deadline for the final results of this administrative review continues to be 120 days after publication of the preliminary results of review.

This notice is issued and published in accordance with sections 751(a)(3)(A) and 777(i) of the Act.

Dated: June 30, 2006.

Stephen J. Claeys,

Deputy Assistant Secretary for Import Administration.

SUPPLEMENTARY INFORMATION:

Background

On February 1, 2006, the Department of Commerce (the Department) published in the **Federal Register** a notice of "Opportunity To Request Administrative Review" of the antidumping duty order on stainless steel butt-weld pipe fittings from Malaysia for the period February 1, 2005, through January 31, 2006. *See Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity To Request Administrative Review*, 71 FR 5239 (February 1, 2006). On February 28, 2006, Sapura-Schulz Hydroforming Sdn. Bhd. (Sapura-Schulz), requested an administrative review of its sales for the above-mentioned period. In addition, on February 28, 2006, the petitioners¹ requested an administrative review of the sales for the above-mentioned period made by Kanzen Tetsu Sdn. Bhd. (Kanzen) and Sapura-Schulz. On April 5, 2006, the Department published a notice of initiation of an administrative review of the antidumping duty order on stainless steel butt-weld pipe fittings from Malaysia with respect to Sapura-Schulz and Kanzen. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Deferral of Administrative Reviews*, 71 FR 25145 (April 5, 2006).

Partial Rescission of Review

On June 19, 2006, Sapura-Schulz and the petitioners simultaneously withdrew their requests for an administrative review of the sales made by Sapura-Schulz during the above-referenced period. Section 351.213(d)(1) of the Department's regulations requires that the Secretary rescind an administrative review if a party requesting a review withdraws the request within 90 days of the date of publication of the notice of initiation. In this case, Sapura-Schulz and the petitioners have withdrawn their requests for review within the 90-day period. We have received no other submissions regarding the withdrawals of the requests for review. Therefore, we are rescinding in part this review of the antidumping duty order on stainless

steel butt-weld pipe fittings from Malaysia with respect to Sapura-Schulz. This review will continue with respect to Kanzen.
