

Santa Clara Counties, CA, and to relieve the restrictions on the interstate movement of regulated articles from those areas. Under these circumstances, the Administrator has determined that prior notice and opportunity for public comment are contrary to the public interest and that there is good cause under 5 U.S.C. 553 for making this action effective less than 30 days after publication in the **Federal Register**.

We will consider comments we receive during the comment period for this interim rule (see **DATES** above). After the comment period closes, we will publish another document in the **Federal Register**. The document will include a discussion of any comments we receive and any amendments we are making to the rule.

Executive Order 12866 and Regulatory Flexibility Act

This rule has been reviewed under Executive Order 12866. For this action, the Office of Management and Budget has waived its review under Executive Order 12866.

This action amends the Medfly regulations by removing Los Angeles, San Bernardino, and Santa Clara Counties, CA, from the list of quarantined areas.

County records indicated there are approximately 297 small entities that may be affected by the lifting of the quarantine in this interim rule. These include 127 yard maintenance firms, 110 fruit sellers, 22 nurseries, 15 growers, 4 distributors, 4 haulers, 3 certified farmers' market, 3 processors, 2 harvesters, 2 packers, 2 recyclers, 1 food bank, 1 producer, and 1 swapmeet. These 297 entities comprise less than 1 percent of the total number of similar entities operating in the State of California.

We expect that the effect of this interim rule on the small entities referred to above will be minimal. Small entities located within the quarantined area that sell regulated articles do so primarily for local intrastate, not interstate, movement, so the effect, if any, of this rule on these entities appears likely to be minimal. In addition, the effect on any small entities that may move regulated articles interstate has been minimized during the quarantine period by the availability of various treatments that allow these small entities, in most cases, to move regulated articles interstate with very little additional cost. Thus, just as the previous interim rule establishing the quarantined area in portions of Los Angeles, San Bernardino, and Santa Clara Counties, CA, had little effect on the small entities in the area, the lifting

of the quarantine in the current interim rule will also have little effect.

Under these circumstances, the Administrator of the Animal and Plant Health Inspection Service has determined that this action will not have a significant economic impact on a substantial number of small entities.

RIN 0694–AD83

Amendment to General Order No. 3: Addition of Certain Entities; Correction

AGENCY: Bureau of Industry and Security, Commerce.

ACTION: Correcting amendment.

SUMMARY: The Bureau of Industry and Security (BIS) published a final rule in the **Federal Register** on Wednesday, September 6, 2006 (71 FR 52426) that amended a general order published on June 5, 2006 in the **Federal Register** to add nine additional entities related to Mayrow General Trading. The September 6, 2006, final rule contained an error in the amendatory language for paragraph (a)(1). This document corrects that error by revising that paragraph of the general order.

DATES: *Effective Date:* This rule is effective September 6, 2006.

FOR FURTHER INFORMATION CONTACT: Michael D. Turner, Director, Office of Export Enforcement, Bureau of Industry and Security, Department of Commerce, P.O. Box 273, Washington, DC 20044; Phone: (202) 482–1208, x3; E-mail: rpd2@bis.doc.gov; Fax: (202) 482–0964.

SUPPLEMENTARY INFORMATION:

Background

This document corrects an inadvertent error in the final rule that was published by the Bureau of Industry and Security (BIS) on September 6, 2006 (71 FR 52426). In the September 6, 2006, final rule, the amendatory instruction for General Order No. 3 to Supplement No. 1 to part 736, paragraph (a)(1) did not specify that the entire paragraph (a)(1) was being revised. This document corrects General Order No. 3 to Supplement No. 1 to part 736, by revising paragraph (a)(1).

Consistent with section 6 of the Export Administration Act of 1979, as amended (50 U.S.C. app. 2401–2420) (2000) (the “Act”), a foreign policy report was submitted to Congress on August 29, 2006, notifying Congress of

the imposition of a control in the form of a licensing requirement for exports and reexports of all items subject to the EAR destined to the nine additional entities related to Mayrow General Trading that were added to General Order No. 3 with the September 6, 2006, final rule.

Since August 21, 2001, the Act has been in lapse and the President, through Executive Order 13222 of August 17, 2001 (3 CFR, 2001 Comp. 783 (2002)), as extended most recently by the Notice of August 3, 2006 (71 FR 44551 (August 7, 2006)), has continued the EAR in effect under the International Emergency Economic Powers Act (50 U.S.C. 1701–1706 (2000)) (“IEEPA”). BIS continues to carry out the provisions of the Act, as appropriate and to the extent permitted by law, pursuant to Executive Order 13222.

Rulemaking Requirements

1. This rule has been determined to be not significant for purposes of Executive Order 12866.

2. Notwithstanding any other provision of law, no person is required to respond to nor be subject to a penalty for failure to comply with a collection of information, subject to the requirements of the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 et seq.) (PRA), unless that collection of information displays a currently valid Office of Management and Budget (OMB) Control Number. This regulation involves collections previously approved by the OMB under control numbers 0694–0088, “Multi-Purpose Application,” which carries a burden hour estimate of 58 minutes to prepare and submit form BIS–748.

Miscellaneous and recordkeeping activities account for 12 minutes per submission. Total burden hours associated with the Paperwork Reduction Act and Office and Management and Budget control number 0694–0088 are expected to increase slightly as a result of this rule. Send comments regarding these burden estimates or any other aspect of this collection of information, including suggestions for reducing the burden, to David Rostker, OMB Desk Officer, by e-mail at david_rostker@omb.eop.gov or by fax to (202) 395–7285; and to the Regulatory Policy Division, Bureau of Industry and Security, Department of Commerce, P.O. Box 273, Washington, DC 20044, e-mail: publiccomments@bis.doc.gov.

3. This rule does not contain policies with Federalism implications as that term is defined in Executive Order 13132.

4. The provisions of the Administrative Procedure Act (5 U.S.C. 553) requiring notice of proposed rulemaking, the opportunity for public participation, and a delay in effective date, are inapplicable because this regulation involves a military or foreign affairs function of the United States. (See 5 U.S.C. 553(a)(1)) Further, no other law requires that a notice of proposed rulemaking and an opportunity for public comment be given for this rule. Because a notice of proposed rulemaking and an opportunity for public comment are not required to be given for this rule by 5 U.S.C. 553, or by any other law, the analytical requirements of the Regulatory Flexibility Act, 5 U.S.C. 601 et seq., are not applicable.

■ 2. General Order 3 to Supplement No. 1 to part 736, paragraph (a)(1) is correctly revised to read as follows:

Supplement No. 1 to Part 736—General Orders

* * * * *

(a) *License requirements.* (1) Effective June 5, 2006, a license is required to export or reexport any item subject to the EAR to Mayrow General Trading or entities related, as follows: Micatic General Trading; Majidco Micro Electronics; Atlinx Electronics; Micro Middle East Electronics; Narinco; Farrokh Nia Yaghmaei, a.k.a., Farrokh Nia Yaghmayi; and H.
