Adoption of Updated EDGAR Filer Manual

AGENCY: Securities and Exchange Commission.

ACTION: Final rule.

SUMMARY: The Securities and Exchange Commission (the Commission) is adopting revisions to the Electronic Data Gathering, Analysis, and Retrieval System (EDGAR) Filer Manual to reflect updates to the EDGAR system. The revisions are being made primarily to support the amended rules and forms adopted by the Commission requiring that certain open-end management investment companies and insurance company separate accounts identify in their EDGAR submissions information relating to their investment company type, series and classes (or contracts, in the case of separate accounts), and ticker symbols. Revisions are also being made to support the final rule requiring that Form 25—NSE be filed electronically. In addition, revisions are being made to revoke submission types based on the Public Utility Holding Company Act of 1935 which was repealed in the enactment of the Energy Policy Act of 2005. Finally, revisions are being made to complete the removal of the submission types rescinded on December 1, 2005 as a result of the adoption of securities offering reform initiatives.

The revisions to the Filer Manual reflect changes within Volumes I and II, entitled EDGAR Filer Manual, Volume I: "General Information," Version 2 (February 2006) and EDGAR Filer Manual, Volume II: "EDGAR Filing," Version 3 (February 2006) respectively. The updated manual will be incorporated by reference into the Code of Federal Regulations.

EFFECTIVE DATE: February 6, 2006. The incorporation by reference of the EDGAR Filer Manual is approved by the Director of the Federal Register as of February 6, 2006.

SUPPLEMENTARY INFORMATION: Today we are adopting an updated EDGAR Filer Manual (Filer Manual). The Filer Manual describes the technical formatting requirements for the preparation and submission of electronic filings through the EDGAR system.¹ It also describes the requirements for filing using EDGARLink² and the Online Forms/XML Web site.

The Filer Manual contains all the technical specifications for filers to submit filings using the EDGAR system. Filers must comply with the applicable provisions of the Filer Manual in order to assure the timely acceptance and processing of filings made in electronic format.³ Filers should consult the Filer Manual in conjunction with our rules governing mandated electronic filing when preparing documents for electronic submission.⁴

¹ We originally adopted the Filer Manual on April 1, 1993, with an effective date of April 26, 1993. Release No. 33-6986 (April 1, 1993) [58 FR 18638]. We implemented the most recent update to the Filer Manual on November 7, 2005. See Release No. 33-8633 (November 1, 2005) [70 FR 67350].

² This is the filer assistance software we provide filers filing on the EDGAR system.

³ See Rule 301 of Regulation S-T (17 CFR 232.301).

⁴ See Release Nos. 33-6977 (February 23, 1993) [58 FR 14628], IC-19284 (February 23, 1993) [58 FR 14848], 35-25746 (February 23, 1993) [58 FR 14999], and 33-6980 (February 23, 1993) [58 FR 15009] in which we comprehensively discuss the rules we adopted to govern mandated electronic filing. See also Release No. 33-7122 (December 19, 1994) [59 FR 67752], in which we made the EDGAR rules final and applicable to all domestic registrants; Release No. 33-7427 (July 1, 1997) [62 FR 36450], in which we adopted minor amendments to the EDGAR rules; Release No. 33-7472 (October 24, 1997) [62 FR 58647], in which we announced that, as of January 1, 1998, we would not accept in paper filings that we require filers to submit electronically; Release No. 34-40934 (January 12, 1999) [64 FR 2843], in which we made mandatory the electronic filing of Form 13F; Release No. 33-7684 (May 17, 1999) [64 FR 27888],

The revisions are being made primarily to support the amended rules and forms adopted by the Commission requiring that certain open-end management investment companies and insurance company separate accounts identify in their EDGAR submissions information relating to their series and classes (or contracts, in the case of separate accounts).⁵ Specifically, we will be adding fields to certain EDGAR submission templates for use by certain open-end management investment company and insurance company separate account filers to identify their Investment Company Type and the series and classes (contracts) on behalf of which a filing is being made. Beginning February 6, 2006, filers would include information on existing series and classes (contracts) and new series and classes (contracts) on behalf of which a filing is made; they would also include information on series and classes (contracts) involved in mergers. (Filers were required to enter information on series and classes (contracts) in existence prior to February 6, 2006 via the www.edgarfiling.sec.gov Web site to obtain identifiers prior to that date.)

In addition, revisions are being made to support the requirement to file Form 25–NSE electronically.⁶

⁵ See Rulemaking for EDGAR System, Release No. 33–8590 (July 18, 2005) [70 FR 43558 (July 27, 2005)].

⁶ In a prior release, Commission updates to the Filer Manual supporting the issuer submission type 25 were included. This version of the manual includes updates for submission type 25–NSE which will be filed by the National Securities Exchanges. Submission type 25 and form type 25–NSE will both be a required electronic form starting on April 24, 2006. See Removal From Listing and Registration of Securities Pursuant to Section 12(d) of the Securities Exchange Act of 1934, Release No. 34–52029 (July 14, 2005) [70 FR 42456].

As a result of the adoption of securities offering reform initiatives, the submission of types S–2, S–2/A, F–2, F–2/A were eliminated. Amendments to these form types filed after December 1, 2005 must comply with the requirements of Forms S–1/A, S–3/A, F–1/A or F–3/A as appropriate.

The recent enactment of the Energy Policy Act of 2005 will result in the repeal of the Public Utility Holding Company Act of 1935 (“1935 Act”) effective February 8, 2006. Therefore, the EDGAR system will no longer accept 1935 Act filings as of 5:30 PM on February 8, 2006. Submission types and references to the 1935 Act will be removed from the EDGAR Filer Manual in this release of the volume, but 1935 Act submission types will be accepted for the period ending at the close of business on February 8th following the February 6th publication of the manual. The 1935 Act submission types will be removed from EDGARLink in a future release.

For EDGAR Release 9.3, the EDGARLink software and submission templates 1, 2, and 3 will be updated to support the aforementioned submission type changes. All investment company filers should download and use the new software and submission templates to ensure that submissions will be processed successfully. Previous versions of the software and templates will not work properly for submissions that require series and class (contract) data. Notice of the update has previously been provided on the EDGAR Filing Web site and on the Commission’s public Web site. The discrete updates are reflected on the EDGAR Filing Web site and in the updated Filer Manual Volumes.

Along with adoption of the Filer Manual, we are amending Rule 301 of Regulation S–T to provide for the incorporation by reference into the Code of Federal Regulations of today’s revisions. This incorporation by reference was approved by the Director of the Federal Register in accordance with 5 U.S.C. 552(a) and 1 CFR part 51.

You may obtain paper copies of the updated Filer Manual at the following address: Public Reference Room, U.S. Securities and Exchange Commission, 100 F Street, NE., Room 1580, Washington, DC 20549. We will post electronic format copies on the Commission’s Web site; the address for the Filer Manual is <http://www.sec.gov/info/edgar.shtml>. You may also obtain copies from Thomson Financial, the paper document contractor for the Commission, at (800) 638–8241.

Since the Filer Manual relates solely to agency procedures or practice,

publication for notice and comment is not required under the Administrative Procedure Act (APA).⁷ It follows that the requirements of the Regulatory Flexibility Act⁸ do not apply.

The effective date for the updated Filer Manual and the rule amendments is February 6, 2006. In accordance with the APA,⁹ we find that there is good cause to establish an effective date less than 30 days after publication of these rules. The EDGAR system upgrade to Release 9.3 is scheduled to become available on February 6, 2006. The Commission believes that it is necessary to coordinate the effectiveness of the updated Filer Manual with the scheduled system upgrade.

Quarterly Excise Tax Filing for Small Alcohol Excise Taxpayers (2005R-441P)

AGENCY: Alcohol and Tobacco Tax and Trade Bureau, Treasury.

ACTION: Temporary rule; Treasury decision.

SUMMARY: This temporary rule implements the quarterly excise tax payment procedure for small alcohol excise taxpayers contained in section 11127 of the Safe, Accountable, Flexible, Efficient Transportation Equity Act: A Legacy for Users, which amended section 5061 of the Internal Revenue Code of 1986. Before passage of this law, most Federal alcohol excise taxpayers paid the tax on a semimonthly basis. We are amending the applicable regulations on a temporary basis to incorporate the legislative change allowing quarterly payments. We also are soliciting comments from all interested parties on the implementation of this new procedure through a notice of proposed rulemaking published elsewhere in this issue of the **Federal Register**.

DATES: *Effective Date:* This temporary rule is effective on January 1, 2006.

FOR FURTHER INFORMATION CONTACT: For questions concerning quarterly filing procedures, contact James S. McCoy, National Revenue Center, Alcohol and Tobacco Tax and Trade Bureau (513-684-2120); for other questions concerning this document, contact Marjorie Ruhf, Regulations and Rulings Division, Alcohol and Tobacco Tax and Trade Bureau (202-927-8202 or marjorie.ruhf@ttb.gov).

SUPPLEMENTARY INFORMATION:

Background

This temporary rule implements the statutory change contained in section 11127 of the Safe, Accountable, Flexible, Efficient Transportation Equity Act: A Legacy for Users, Pub. L. 109-59, 119 Stat. 1144 ("the Act"), signed by President Bush on August 10, 2005. Section 11127 of the Act amended section 5061(d) of the Internal Revenue Code of 1986 (IRC), 26 U.S.C. 5061(d), by redesignating paragraphs (4) and (5) as paragraphs (5) and (6), respectively, and by inserting a new paragraph (4) which allows certain Federal alcohol excise taxpayers to pay taxes quarterly, rather than on a semimonthly basis as provided in section 5061(d) before the amendment. This new provision applies to quarterly tax payment periods beginning on and after January 1, 2006.

New paragraph (4) of section 5061(d) specifically references taxes imposed under subparts A, C, and D of part I of subchapter A of chapter 51 of the IRC and section 7652 of the IRC. The taxes imposed under subparts A, C, and D involve gallonage taxes on distilled spirits (26 U.S.C. 5001), wines (26

U.S.C. 5041), and beer (26 U.S.C. 5051). These taxes apply to spirits, wines, and beer produced in or imported into the United States. The Alcohol and Tobacco Tax and Trade Bureau (TTB) collects these taxes from proprietors of domestic bonded premises pursuant to regulations contained in 27 CFR parts 19, 24, and 25, and the Bureau of Customs and Border Protection (CBP) collects these taxes from importers of these products pursuant to regulations contained in title 19 of the CFR. Section 7652 (26 U.S.C. 7652) imposes a tax on spirits, wines, and beer coming to the United States from Puerto Rico and the U.S. Virgin Islands. TTB collects these taxes from regulated premises in Puerto Rico under regulations in 27 CFR part 26, and CBP collects these taxes pursuant to title 19 of the CFR when the products in question come to the United States from the U.S. Virgin Islands. Tax payments in connection with transactions that are subject to regulations administered by CBP are not dealt with in this document.

The provisions of new paragraph (4) apply to "any taxpayer who reasonably expects to be liable for not more than \$50,000 in taxes * * * for the calendar year and who was liable for not more than \$50,000 in such taxes in the preceding calendar year." In such a case the taxpayer must pay the tax no later than the 14th day after the last day of the calendar quarter during which the action giving rise to the tax (that is, withdrawal, removal, entry, and bringing in from Puerto Rico) occurs. The statute defines a "calendar quarter" as the three-month period ending on March 31, June 30, September 30, or December 31.

New paragraph (4) also provides that the quarterly tax payment procedure does not apply to a taxpayer for any remaining portion of the calendar year following the date on which the aggregate amount of tax due from the taxpayer exceeds \$50,000. If at any point during the year the taxpayer's liability exceeds \$50,000, any tax that has not been paid on that date becomes due on the 14th day after the last day of the semimonthly period in which that date falls. Thus, in effect, a taxpayer whose tax payments exceed the \$50,000 limit during the calendar year is required to revert to the semimonthly payment procedure for the remainder of the year.

Basic Interpretative Considerations

Based on a careful reading of the statutory language, TTB has applied the following considerations in drafting the implementing regulatory changes set forth in this document.
