BILLING CODE 4810-02-P

DEPARTMENT OF THE TREASURY

Departmental Offices; Debt
Management Advisory Committee
Meeting

Notice is hereby given, pursuant to 5 U.S.C. App. 2, § 109(a)(2), that a meeting will be held at the Hay-Adams Hotel, 16th Street and Pennsylvania Avenue, NW., Washington, DC, on October 30, 2006 at 3:30 p.m. of the following debt management advisory committee:

Treasury Borrowing Advisory Committee of The Bond Market Association ("Committee").

The agenda for the meeting provides for a charge by the Secretary of the Treasury or his designate that the

Committee discuss particular issues, and a working session. Following the working session, the Committee will present a written report of its recommendations. The meeting will be closed to the public, pursuant to 5 U.S.C. App. 2, § 10(d) and Public Law 103-202, § 202(c)(1)(B) (31 U.S.C. 3121 note).

This notice shall constitute my determination, pursuant to the authority placed in heads of agencies by 5 U.S.C. App. 2, § 10(d) and vested in me by Treasury Department Order No. 101-05, that the meeting will consist of discussions and debates of the issues presented to the Committee by the Secretary of the Treasury and the making of recommendations of the Committee to the Secretary, pursuant to Public Law 103-202, § 202(c)(1)(B). Thus, this information is exempt from disclosure under that provision and 5 U.S.C. 552b(c)(3)(B). In addition, the meeting is concerned with information that is exempt from disclosure under 5 U.S.C. 552b(c)(9)(A). The public requires that such meetings be closed to the public because the Treasury Department requires frank and full advice from representatives of the financial community prior to making its final decisions on major financing operations. Historically, this advice has been offered by debt management advisory committees established by the several major segments of the financial community. When so utilized, such a committee is recognized to be an advisory committee under 5 U.S.C. App. 2, § 3.

Although the Treasury's final announcement of financing plans may not reflect the recommendations provided in reports of the Committee, premature disclosure of the Committee's deliberations and reports would be likely to lead to significant financial speculation in the securities market. Thus, this meeting falls within the exemption covered by 5 U.S.C. 552b(c)(9)(A).

Treasury staff will provide a technical briefing to the press on the day of the Committee meeting, following the release of a statement of economic conditions, financing estimates and technical charts. This briefing will give the press an opportunity to ask questions about financing projections and technical charts. The day after the Committee meeting, Treasury will release the minutes of the meeting, any charts that were discussed at the meeting, and the Committee's report to the Secretary.

The Office of Debt Management is responsible for maintaining records of debt management advisory committee meetings and for providing annual reports setting forth a summary of Committee activities and such other matters as may be informative to the public consistent with the policy of 5 U.S.C. 552(b). The Designated Federal Officer or other responsible agency official who may be contacted for additional information is Jeff Huther, Director, Office of Debt Management, at (202) 622-1868.

Dated: October 12, 2006.

Emil W. Henry, Jr.,

Assistant Secretary, Financial Institutions.

SUPPLEMENTARY INFORMATION: The system notice for the Consumer Complaint and Inquiry Information System was last published in its entirety in the **Federal Register** on July 11, 2005, at 70 FR 39853.

At present, the sixth routine use of records maintained in this system provides for the disclosure of complaint and inquiry information to "[a] Congressional office when the information is relevant to an inquiry made at the request of the individual about whom the record is maintained."

While continuing to authorize these disclosures, the proposed amendment or alteration of this routine use would extend this authority to the making of comparable disclosures to governmental or tribal organizations that have referred complaints and inquiries to the OCC on behalf of individuals who have sought these organizations' assistance with respect to OCC-regulated entities. An additional routine use would authorize disclosures to governmental or tribal organizations when such an organization is in communication with the OCC concerning a complaint or inquiry it has received concerning the actions of an OCC-regulated entity. These uses of information maintained in this system are consistent with the OCC's Customer Assistance Program in that these disclosures will facilitate and enhance the receipt of public sector assistance by individuals in resolving their complaints and inquiries regarding concerning the actions of OCC-regulated entities.

As required by 5 U.S.C. 552a(r) and Appendix I to OMB Circular A-130, "Federal Agency Responsibilities for Maintaining Records About Individuals," dated November 30, 2000, a report of an altered system of records has been submitted to the Committee on Government Reform of the House of Representatives, the Committee on Homeland Security and Governmental Affairs of the Senate, and the Office of Management and Budget.

For the above reasons, the OCC proposes to alter its system of records notice by revising routine use (6), redesignating routine uses (7) and (8) as, respectively, (8) and (9), and adding a new routine use (7) as set forth below:
