

applicability of the Buy American Act for some foreign supplies and construction materials from Morocco, and specifies procurement procedures designed to ensure fairness, applicable to the acquisition of supplies and services.

No comments were received by the close of the public comment period on June 19, 2006. Therefore, the Councils agreed to convert the interim rule to a final rule without change.

This is not a significant regulatory action and, therefore, was not subject to review under Section 6(b) of Executive Order 12866, Regulatory Planning and Review, dated September 30, 1993. This rule is not a major rule under 5 U.S.C. 804.

B. Regulatory Flexibility Act

The Department of Defense, the General Services Administration, and the National Aeronautics and Space Administration certify that this final rule will not have a significant economic impact on a substantial number of small entities within the meaning of the Regulatory Flexibility Act, 5 U.S.C. 601, *et seq.* Although the rule opens up Government procurement to the products of Morocco, the Councils do not anticipate any significant economic impact on U.S. small businesses. The Department of Defense only applies the trade agreements to the non-defense items listed at DFARS 225.401–70, and acquisitions that are set aside for small businesses are exempt.

C. Paperwork Reduction Act

The Paperwork Reduction Act does apply; however, these changes to the FAR do not impose additional information collection requirements to the paperwork burden previously approved under OMB Control Numbers 9000–0025 and 9000–0141.

Item I—Common Identification Standard for Contractors (FAR Case 2005–015)

This rule converts the interim rule published at 71 FR 208, January 3, 2006, to a final rule with changes. The rule amends the Federal Acquisition Regulation (FAR) by addressing the contractor personal identification requirements in Homeland Security Presidential Directive (HSPD) 12,

“Policy for a Common Identification Standard for Federal Employees and Contractors,” and Federal Information Processing Standards Publication (FIPS PUB) Number 201, “Personal Identity Verification (PIV) of Federal Employees and Contractors.” The primary objectives of HSPD–12 are to establish a process to enhance security, increase Government efficiency, reduce identity fraud, and protect personal privacy by establishing a mandatory, Governmentwide standard for secure and reliable forms of identification issued by the Federal Government to its employees and contractors who require routine physical access to Federally-controlled facilities, and/or routine access to Federally-controlled information systems.
