Title: Loan Guaranty, Insurance, and Interest Subsidy, 25 CFR 103.

Brief description of collection: The purpose of the Loan Guaranty, Insurance, and Interest Subsidy Program, 25 U.S.C. 1481 *et seq.* and 25 U.S.C. 1511 *et seq.*, is to encourage private lending to individual Indians and organizations of Indians, by providing lenders with loan guaranties or loan insurance to reduce their potential risk. Lenders, borrowers, and the loan purpose all must qualify under Program terms. In addition, the Secretary of the Interior must be satisfied that there is a reasonable prospect that the loan will be repaid. DOI collects information under the proposed regulations to assure compliance with Program requirements.

There are currently 293 outstanding loans. Based upon historical records, DOI anticipates approximately 65 applications for loan guaranties each year. DOI will receive approximately 20 additional loan insurance applications

or notices of loan insurance per year. Of the combined 85 applications/notices, DOI expects that it will guarantee or insure approximately 62 new loans each year, of which approximately 45 will receive interest subsidy. We will have about 350 loans outstanding by the close of Fiscal Year 2007.

In all, DOI estimates the total annual Program compliance burden to range from approximately 1–2 hours per loan, with the average loan causing a burden of approximately 1.50 hours. Most compliance burdens fall below this average.

DOI assumes the average hourly cost per respondent to be \$20.00.
