Stainless Steel Wire Rod from India: Notice of Initiation of Antidumping Duty New-Shipper Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: March 20, 2007.

SUMMARY: On December 29, 2006, the Department of Commerce received a request to conduct a new-shipper review of the antidumping duty order on stainless steel wire rod from India. In accordance with section 751(a)(2)(B) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.214(d), we are initiating a new-shipper review of Sunflag Iron & Steel Co., Ltd., the exporter and producer that requested the new-shipper review.

FOR FURTHER INFORMATION CONTACT: Catherine Cartos or Minoo Hatten at (202) 482-1757 or (202) 482-1690, respectively, AD/CVD Operations, Office 5, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230.

SUPPLEMENTARY INFORMATION:

Background

The notice announcing the antidumping duty order on stainless steel wire rod from India was published on December 1, 1993. See *Antidumping Duty Order: Certain Stainless Steel Wire Rods from India*, 58 FR 63335 (December 1, 1993). On December 29, 2006, the Department of Commerce (the Department) received a timely request for a new-shipper review of the order from Sunflag Iron & Steel Co., Ltd. (Sunflag). See section 751(a)(2)(B) of the Act and 19 CFR 351.214(c). Sunflag is both the Indian producer and exporter of the subject merchandise to the United States on which its request for a new-shipper review is based. As required by 19 CFR 351.214(b)(2)(i) and (iii)(A), Sunflag certified that it is a producer and exporter of the subject merchandise, that it did not export stainless steel wire rod to the United States during the period of investigation (POI) (July 1, 1992, through December 31, 1992), and that, since the initiation of the investigation, it has never been affiliated with any exporter or producer that exported stainless steel wire rod to the United States during the POI.¹

In addition, pursuant to 19 CFR 351.214(b)(2)(iv), the company submitted documentation establishing the following: (1) the date on which it first shipped the subject merchandise for export to the United States; (2) the volume of its first shipment and its subsequent shipment;² and (3) the date of its first sale to an unaffiliated customer in the United States.

On January 31, 2007, the Department postponed its decision regarding whether to initiate the new-shipper review because, based upon its routine examination of Customs and Border Protection entry data, it was not clear whether the merchandise exported by Sunflag to the United States qualified as subject merchandise. See Memorandum from Catherine Cartos through Minoo Hatten to the File, New-Shipper Review of Stainless Steel Wire Rod from India: Customs and Border Protection Entry Data, dated January 31, 2007. Under 19 CFR 351.302(b), the Department may extend any time limit established by its regulations for good cause unless expressly precluded by the statute. See Letter from Laurie Parkhill to Mr. M.D. Ghumare, General Manager of Exports for Sunflag, dated January 31, 2007. The status of the Sunflag entries is no longer at issue because the Department has

determined that the merchandise exported by Sunflag to the United States qualifies as subject merchandise. See Memorandum from Catherine Cartos through Minoo Hatten to the File, New-Shipper Review of Stainless Steel Wire Rod from India: Customs and Border Protection Entry Data and Documents, dated March 13, 2007.

Initiation of New-Shipper Review

In accordance with section 751(a)(2)(B) of the Act and 19 CFR 351.214(b)(2) and (d)(1), we find that Sunflag's request meets the threshold requirements for initiation of a new-shipper review. See March 13, 2007, Memorandum to the File through Laurie Parkhill, Director, AD/CVD Operations, Office 5, from the team regarding the new-shipper review initiation checklist. Accordingly, we are initiating a new-shipper review of the antidumping duty order on stainless steel wire rod from India for shipments produced and exported by Sunflag. The period of review is December 1, 2005, through November 30, 2006. See 19 CFR 351.214(g)(1)(i)(A). We intend to issue the preliminary results of this new-shipper review no later than 180 days after initiation of this review. See section 751(a)(2)(B)(iv) of the Act and 19 CFR 351.214(i). We intend to issue the final results of this review no later than 90 days after the date on which the preliminary results are issued. See section 751(a)(2)(B)(iv) of the Act and 19 CFR 351.214(i). On August 17, 2006, the Pension Protection Act of 2006 (H.R. 4) was signed into law. Section 1632 of H.R. 4 temporarily suspends the authority of the Department to instruct Customs and Border Protection to collect a bond or other security in lieu of a cash deposit in new-shipper reviews. Therefore, the posting of a bond under section 751(a)(2)(B)(iii) of the Act and 19 CFR 351.214(e) in lieu of a cash deposit is not available in this case. Importers of subject merchandise manufactured and exported by Sunflag must continue to pay a cash deposit of estimated antidumping duties on each entry of subject merchandise at the current all-others rate of 48.80 percent.

Interested parties that need access to proprietary information in this new-shipper review should submit applications for disclosure under administrative protective orders in accordance with 19 CFR 351.305 and 351.306.

This initiation and notice are in accordance with section 751(a)(2)(B) of the Act, 19 CFR 351.214(d), and 19 CFR 351.221(c)(1)(i).

¹ See Sunflag's Request for New Shipper Review, dated December 29, 2006.

² In its December 29, 2006, Request for New Shipper Review, Sunflag provided information on its subsequent shipment.

Dated: March 13, 2007.

Gary Taverman,

Acting Deputy Assistant Secretary for Import Administration.

DEPARTMENT OF COMMERCE

Minority Business Development Agency

White House Initiative on Asian Americans and Pacific Islanders, President's Advisory Commission on Asian Americans and Pacific Islanders

AGENCY: Minority Business Development Agency, Department of Commerce.

ACTION: Notice of public teleconference meeting.

SUMMARY: The President's Advisory Commission on Asian Americans and Pacific Islanders (Commission) will convene a teleconference meeting on April 5, 2007 to deliberate the draft Commission report to the President. This meeting is open to the public and interested persons may listen to the teleconference by using the call-in number and pass code provided below (see **ADDRESSES**).

DATES: Thursday, April 5, 2007, beginning at 1:15 p.m. (EST).

ADDRESSES: By telephone: Beginning at 1 p.m. (EST) on Thursday, April 5, 2007, members of the public may call 1-800-619-6733 and dial pass code 4656049 to access the teleconference. Advance registration is not required.

FOR FURTHER INFORMATION CONTACT: For information regarding the Commission, please contact Ms. Cianna Ferrer, Executive Assistant, Office of the White House Initiative on Asian Americans and Pacific Islanders, Minority Business Development Agency, U.S. Department of Commerce, 1401 Constitution Avenue, NW., Room 5612, Washington DC 20230; telephone (202) 482-3949; facsimile (202) 482-501-6239; e-mail: info@aapi.gov. Note that any correspondence sent by regular mail may be substantially delayed or suspended in delivery, since all regular mail sent to the Department of Commerce is subject to extensive security screening.

SUPPLEMENTARY INFORMATION: In accordance with Section 10(a)(2) of the Federal Advisory Committee Act, as amended (5 U.S.C. App. 2), public announcement is made of the Commission's intent to convene a teleconference meeting on April 5, 2007. This meeting is open to the public and

interested persons may listen to the teleconference by using the call-in number and pass code set forth above (see **ADDRESSES**). Advance registration is not required to access the teleconference.

Prospective agenda items for the meeting include a deliberation of the draft Commission report to the President, administrative tasks and such other Commission business as may arise during the course of the meeting. In addition, the Commission welcomes interested persons to submit written comments to the Office of the White House Initiative on Asian Americans and Pacific Islanders (see **FOR FURTHER INFORMATION CONTACT**) at any time before or after the meeting. To facilitate distribution of written comments to Commission members prior to the meeting, the Commission suggests that comments be submitted by facsimile or by e-mail no later than April 2, 2007. The Commission will not be receiving public comment during the meeting.

Dated: March 15, 2007.

Ronald Marin,

Financial Management Officer, Minority Business Development Agency.

BILLING CODE 3510-21-P

DEPARTMENT OF COMMERCE

National Oceanic and Atmospheric Administration

[I.D. 022007E]

Antarctic Marine Living Resources Convention Act of 1984; Conservation and Management Measures

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice.

SUMMARY: NMFS issues this notice to notify the public that the United States has accepted conservation and management measures and resolutions pertaining to fishing in Antarctic waters managed by the Commission for the Conservation of Antarctic Marine Living Resources (Commission or CCAMLR). The Commission adopted these measures at its twenty-fifth meeting in Hobart, Tasmania, October 23 to November 3, 2006. The measures have been agreed upon by the Member countries of CCAMLR, including the United States, in accordance with Article IX of the Convention for the Conservation of Antarctic Marine Living Resources (the Convention). The measures include measures previously

adopted by the Commission and remaining in force; measures adopted for the 2006/2007 fishing season to restrict overall catches, research catch and bycatch of certain species of fish, krill and crab; limit participation in several exploratory fisheries; restrict fishing in certain areas and to certain gear types; and set forth: fishing seasons fishery-by-fishery, revisions to previously adopted measures; new measures, and new resolutions. The Commission also adopted a list of vessels suspected to be engaged in illegal, unregulated or unreported fishing in the Convention Area.

ADDRESSES: Copies of the CCAMLR conservation and management measures may be obtained from the Assistant Administrator for Fisheries, NOAA, National Marine Fisheries Service, 1315 East-West Highway, Silver Spring, MD 20910.

FOR FURTHER INFORMATION CONTACT: Robin Tuttle, 301-713-2282.

SUPPLEMENTARY INFORMATION:

Background

The full text of the conservation and management measures and resolutions agreed to by consensus by CCAMLR at its 2006 meeting were published by the U.S. Department of State in a formal notice in the **Federal Register** on January 29, 2007 (72 FR 4068).

Public comments were invited on the notice; one comment was received. The commenter suggested that the use of gillnets and longlines be banned in the Convention Area. As indicated in the Department of State notice, CCAMLR has adopted an interim prohibition on the use of deep-sea gillnets. The prohibition will remain in force until the CCAMLR Scientific Committee has investigated and reported on the potential impacts of gillnets in the Convention Area. Regarding longline fishing, CCAMLR first adopted measures requiring fishers to employ techniques minimizing the incidental mortality of seabirds in the course of longline fishing in 1991. At its 2006 meeting, CCAMLR's Ad Hoc Working Group on Incidental Mortality Associated with Fishing noted the resulting continuing low levels of incidental mortality of seabirds in regulated longline fisheries in most parts of the Convention Area. There were no reports of incidental mortality of marine mammals in longline gear in the 2005/2006 fishing season.

Through this action, NMFS notifies the public that the United States has accepted the measures and resolutions adopted at CCAMLR's twenty-fifth meeting. NMFS provides the following
