#### **Petroleum Wax Candles From the People's Republic of China: Partial Termination of Circumvention Inquiry and Affirmative Preliminary Determination of Circumvention of the Antidumping Duty Order**

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**ACTION:** Notice of Partial Termination and Affirmative Preliminary Determination of Circumvention of the Antidumping Duty Order: Petroleum

Wax Candles from the People's Republic of China.

**SUMMARY:** On December 14, 2005, the Department of Commerce (the Department) received from the National Candle Association (NCA) an allegation of circumvention of the antidumping duty order on petroleum wax candles from the People's Republic of China (PRC). Pursuant to that allegation, the Department initiated an anticircumvention inquiry on May 11, 2006, with respect to four importers. We preliminarily determine that the importation by, or sale to, three U.S. importers (DECOR-WARE, Inc.; A&M Wholesalers, Inc.; and Albert E. Price) of wickless petroleum wax forms from the PRC, which subsequently undergo insertion of a wick and clip assembly in the United States, constitutes circumvention of the aforementioned order, within the meaning of section 781(a) of the Tariff Act of 1930, as amended (the Act). Because NCA withdrew its allegation with respect to the fourth importer, Northern Lights Enterprises, the Department is terminating the inquiry with respect to Northern Lights Enterprises.

**EFFECTIVE DATE:** March 28, 2007.

**FOR FURTHER INFORMATION CONTACT:** Steve Bezirgianian or Robert James, AD/CVD Operations, Office 7, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC, 20230; telephone: 202-482-1131 and 202-482-0649, respectively.

#### **SUPPLEMENTARY INFORMATION:**

##### **Background**

On December 14, 2005, the NCA requested that the Department conduct an anticircumvention inquiry pursuant to section 781(a) of the Act to determine whether candles assembled in the United States from certain wax forms produced in the PRC are circumventing the antidumping duty order on petroleum wax candles from the PRC. *See Antidumping Duty Order: Petroleum Wax Candles From the People's Republic of China*, 51 FR 30686 (August 28, 1986) (Candles Order). NCA asserted that the molded or carved articles of wax from the PRC are essentially wickless wax candles, and that producers in the PRC are shipping these wickless wax forms to the United States, with or without a pre-drilled

hole in the center, for final assembly of the candle through insertion of a wick and clip assembly. Such assembly in the United States, NCA stated, constitutes circumvention of the order on petroleum wax candles from the PRC. *See Request for Determination of Circumvention - Wickless Wax Candles Petroleum Wax Candles from the People's Republic of China* (A-570-504), dated December 14, 2005 (NCA Request).

On April 3 and 4, 2006, NCA supplemented the record with additional information. The April 3, 2006, submission contained a revised list of names of alleged PRC producers/exporters and alleged U.S. importers/assemblers of the wickless wax candles; the April 4, 2006, submission contained copies of Customs Tariff Classification Rulings that NCA had identified in its original December 14, 2005, request.

On May 11, 2006, the Department initiated the anticircumvention inquiry with respect to four importers. *See Petroleum Wax Candles from the People's Republic of China: Initiation of Anticircumvention Inquiry on Antidumping Duty Order*, 71 FR 28661 (May 17, 2006) (Notice of Initiation).

The Department issued questionnaires to each of the four importers: Northern Lights Enterprises (on June 20, 2006); A&M Wholesalers, Inc. (on June 20, 2006); DECOR-WARE, Inc. (on June 21, 2006); and Albert E. Price (on June 22, 2006). Responses to those questionnaires were originally due on July 11, 2006. Northern Lights Enterprises requested, and was granted, an extension for responding to the original questionnaire, and submitted its response on August 12, 2006. The remaining three importers (DECOR-WARE, Inc.; A&M Wholesalers, Inc.; and Albert E. Price) failed to respond by the deadline of July 11, 2006. Each of these remaining three importers was sent a letter on July 27, 2006, requesting each to respond to the questionnaire by July 31, 2006, and indicating that further delays or lack of response may result in the Department proceeding with results based on facts available including, where appropriate, facts adverse to the importer. All three failed to respond.

On May 17, 2006, the Department indicated to NCA that any request to add additional importers to the inquiry needed to be filed by July 5, 2006. *See Memorandum from Robert James for the*
