Abstract: The LEAP and SLEAP programs use matching Federal and State funds to provide a nationwide system of grants to assist postsecondary educational students with substantial financial need. On this application the states provide information the Department requires to obligate funds and for program management. The signed assurances legally bind the states to administer the programs according to regulatory and statutory requirements. With the clearance of this collection, the Department is seeking to automate the application for web-based applying for both the LEAP Program and the subprogram, SLEAP. There are no significant changes to the current LEAP form data elements. There are, however, some additional items pertaining to the SLEAP Program which combines the application into one form for both programs.
