Filing Information

As a courtesy, we are making information related to Sunset proceedings, including copies of the Department's regulations regarding Sunset Reviews (19 CFR 351.218) and *Sunset Policy Bulletin*, the Department's schedule of Sunset Reviews, case history information (*i.e.*, previous margins, duty absorption determinations, scope language, import volumes), and service lists available to the public on the Department's sunset Internet website at the following address: "http://ia.ita.doc.gov/sunset." All submissions in these Sunset Reviews must be filed in accordance with the Department's regulations regarding format, translation, service, and certification of documents. These rules can be found at 19 CFR 351.303.

Pursuant to 19 CFR 351.103(c), the Department will maintain and make available a service list for these proceedings. To facilitate the timely preparation of the service list(s), it is requested that those seeking recognition as interested parties to a proceeding contact the Department in writing within 10 days of the publication of this notice of initiation.

Because deadlines in Sunset Reviews can be very short, we urge interested parties to apply for access to proprietary

information under administrative protective order ("APO") immediately following publication in the **Federal Register** of the notice of initiation of the sunset review. The Department's regulations on submission of proprietary information and eligibility to receive access to business proprietary information under APO can be found at 19 CFR 351.304-306.

Information Required from Interested Parties

Domestic interested parties (defined in section 771(9)(C), (D), (E), (F), and (G) of the Act and 19 CFR 351.102(b)) wishing to participate in these Sunset Reviews must respond not later than 15 days after the date of publication in the **Federal Register** of this notice of initiation by filing a notice of intent to participate. The required contents of the notice of intent to participate are set forth at 19 CFR 351.218(d)(1)(ii). In accordance with the Department's regulations, if we do not receive a notice of intent to participate from at least one domestic interested party by the 15-day deadline, the Department will automatically revoke the orders without further review. See 19 CFR 351.218(d)(1)(iii).

If we receive an order-specific notice of intent to participate from a domestic

interested party, the Department's regulations provide that *all parties* wishing to participate in the Sunset Review must file complete substantive responses not later than 30 days after the date of publication in the **Federal Register** of this notice of initiation. The required contents of a substantive response, on an order-specific basis, are set forth at 19 CFR 351.218(d)(3). Note that certain information requirements differ for respondent and domestic parties. Also, note that the Department's information requirements are distinct from the Commission's information requirements. Please consult the Department's regulations for information regarding the Department's conduct of Sunset Reviews.¹ Please consult the Department's regulations at 19 CFR Part 351 for definitions of terms and for other general information concerning antidumping and

¹ In comments made on the interim final sunset regulations, a number of parties stated that the proposed five-day period for rebuttals to substantive responses to a notice of initiation was insufficient. This requirement was retained in the final sunset regulations at 19 CFR 351.218(d)(4). As provided in 19 CFR 351.302(b), however, the Department will consider individual requests for extension of that five-day deadline based upon a showing of good cause.

Chlorinated Isocyanurates from Spain: Extension of Time Limit for Preliminary Results of the First Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: May 1, 2007.

FOR FURTHER INFORMATION CONTACT:

Thomas Martin or Mark Manning at (202) 482-3936 or (202) 482-5253, respectively; AD/CVD Operations, Office 4, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230.

SUPPLEMENTARY INFORMATION:

Background

On July 27, 2006, the Department of Commerce (the Department) initiated an administrative review of the antidumping duty order on chlorinated isocyanurates from Spain, for the period December 20, 2004, to May 31, 2006. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 71 FR 42626 (July 27, 2006). On February 16, 2007, the Department partially extended the preliminary results of the administrative review. See *Chlorinated Isocyanurates From Spain: Extension of Time Limit for Preliminary Results of the First Administrative Review*, 72 FR 7603 (February 16, 2007).

Extension of Time Limits for Preliminary Results of Antidumping Duty Administrative Review

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act) and 19 CFR 351.213(h)(1) require the Department to issue the preliminary results of an administrative review within 245 days after the last day of the anniversary month of the order for which the administrative review was

requested, and the final results of the review within 120 days after the date on which the notice of the preliminary results was published in the **Federal Register**. However, if the Department determines that it is not practicable to complete the review within these time periods, section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2) allow the Department to extend the 245-day period to 365 days and the 120-day period to 180 days.

The preliminary results were originally due on March 2, 2007. On February 16, 2007, the Department partially extended the preliminary results of the administrative review, to June 1, 2007. See *Chlorinated Isocyanurates From Spain: Extension of Time Limit for Preliminary Results of the First Administrative Review*, 72 FR 7603 (February 16, 2007). We determine that it is not practicable to complete the preliminary results of this administrative review by the current deadline of June 1, 2007. The Department requires additional time to obtain more information regarding certain sales and cost of production issues, and to conduct verification of Aragonesas Industrias y Energíacutela S.A.'s submissions. Therefore, in accordance with section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2), the Department is extending the time limit for the completion of these preliminary results by an additional 30 days, to July 2, 2007. The final results will be due 120 days after the date of issuance of the preliminary results, unless extended.

This notice is issued and published in accordance with sections 751(a)(3)(A) and 777(i)(1) of the Act.

Dated: April 24, 2007.

Stephen J. Claeys,

Deputy Assistant Secretary for Import Administration.
