

www.cbp.gov) as proof of designation of the Account Owner. This document must be signed by both the Account and the Account Owner and submitted to the Account Administrator. In cases in which the Account Owner is an entity, the form must be signed by the single point of contact of the Account.

B. Account Owner

1. The Account Owner, as the representative of the Account with respect to all information submitted by or on behalf of the Account, is responsible for safeguarding Account information, authorizing user access to the ACE Portal account information, controlling all disclosures of that information, enforcing ACE Portal access limitations, and ensuring the strict control of access by authorized persons to the ACE Portal information.

2. The Account Owner assumes liability for any disclosure of Account information or unauthorized access to the ACE Portal and holds CBP, its officers, agents, and employees harmless from the release of any such information.

3. The Account Owner administers and controls all Proxy Account Owners and Account User access, including the designation and limitation of access, to the ACE Portal. The Account Owner is authorized to grant full or limited access to information relating to the Account (including information protected by the Trade Secrets Act or Privacy Act), through the ACE Portal.

4. The Account Owner, if not an individual, shall designate an individual as the single point of contact for the Account relating to the administration of access to the Account's information through the ACE Portal.

C. All Parties

The Account Owner, Proxy Account Owner, and any Account Users are responsible for ensuring the accuracy and confidentiality of any information they submit through the ACE Portal to CBP, and are also responsible for complying with the record-keeping requirements in accordance with law including, but not limited to, 19 U.S.C. 1508 and 1509.

V. Failure To Access the Portal

The failure of an Account Owner to access the ACE Portal for a period of ninety (90) days, consecutively, will result in the termination of access to the ACE Portal. Access may be restored by calling the Help Desk or by following the "forgot your password" prompt found on the ACE Portal log-in page.

The failure of a Proxy Account Owner or an Account User to access the ACE Portal for a period of ninety (90) days, consecutively, will result in the termination of access to the ACE Portal for the Proxy Account Owner or Account User. Access may only be restored upon re-authorization by the Account Owner.

VI. Change in the Status of the Account or Account Owner

A. Change in the Status of the Account

1. The Account must provide notice to CBP as soon as practicable, relating to a material change to the status or condition of the Account, such as a transfer of IR number(s), SCAC(s), or filer codes(s). Any transfer of control of an IR number, SCAC or filer code, will require notification to the CBP assigned Account Manager or the ACE Portal Administrator by the acquiring and acquired parties. Until such notification, CBP will not alter access to the Portal. Some material changes will also require re-application. For example, any reorganization of an Account resulting in the creation of a new company and a new IR number, SCAC or filer code, will require re-application; this does not include the addition of a subsidiary. In the event of a division or spin-off from an Account, the Account will retain access to the ACE Portal, and the new business entity formed from the division or spin-off must apply for access.

2. In the event of a material change in the status of the Account, such as the transfer of IR number(s), SCAC(s), or filer codes(s), CBP will require a brief summary of the change, signed by both the acquiring and acquired parties, including, but not limited to, the following information:

- a. Company names;
- b. IR numbers acquired, transferred, sold, or divested;
- c. Party transferring the IR number, filer code, and/or SCAC;
- d. Party acquiring the IR number, filer code, and/or SCAC;
- e. Address changes; and
- f. Effective date of information control.

3. When the CBP assigned Account Manager or ACE Portal Administrator is notified of the transfer of IR number(s), SCAC(s) or filer code(s), ACE Portal access will be denied for the acquired company unless the acquiring company authorizes access to the acquired company.

B. Change in the Status of the Account Owner

1. The Account must provide notice to CBP, as soon as practicable, relating

to a material change in the status of the Account Owner. A material change includes the resignation of the Account Owner. The Account must designate a new Account Owner to act on behalf of the Account after notifying CBP of the change. At such time that a new Account Owner is designated for the Account, the Account must submit a new Account Owner Designation/Authorization form to the CBP assigned Account Manager or Portal Administrator.

2. If the Account Owner is not an individual, the Account Owner must provide notice to CBP, as soon as practicable, relating to a material change to the status of the single point of contact. At such time that a new single point of contact is designated for the Account Owner, the Account Owner must submit a new Account Owner Designation/Authorization form to the CBP assigned Account Manager or Portal Administrator.

VII. Access to Historical Information

In the event of a transfer of control of an IR number, filer code, and/or SCAC, the acquiring company will obtain access to historical information associated with that IR number, filer code, and/or SCAC. In the event that the acquired company also requires access to the historical information associated with the transfer of control of an IR number, filer code, and/or SCAC, the acquired company's access to that information may be obtained by either downloading the historical information prior to the date of sale or the transfer of control of an IR number, filer code, and/or SCAC, or by making a Freedom of Information Act (FOIA) request to CBP of a download of that information after the sale or the transfer of control of an IR number, filer code, and/or SCAC. In the alternative, the acquired company may request to be made a user on the acquiring company's Account.

DEPARTMENT OF VETERANS AFFAIRS

Clinical Science Research and Development Service Cooperative Studies Scientific Merit Review Board; Notice of Meeting

The Department of Veterans Affairs (VA) gives notice under Public Law 92-463 (Federal Advisory Committee Act)

that a meeting of the Clinical Science Research and Development Service Cooperative Studies Scientific Merit Review Board will be held on June 13, 2007, in the Capitol Room 5th Floor at the International Square Center, 1875 I Street NW., Washington, DC. The meeting is scheduled to begin at 8:30 a.m. and end at 4 p.m.

The Board advises the Chief Research and Development Officer through the Director of the Clinical Science Research and Development Service on the relevance and feasibility of proposed studies, the adequacy of the protocols and the scientific validity and propriety of technical details, including protection of human subjects.

The session will be open to the public from 8:30 a.m. to 9 a.m. for the discussion of administrative matters and the general status of the program. The session will be closed from 9 a.m. to 4 p.m. for the Board's review of research and development applications.

During the closed portion of the meeting, discussions and recommendations will deal with qualifications of personnel conducting the studies, staff and consultant critiques of research proposals and similar documents, and the medical records of patients who are study subjects, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy. As provided by section 10(d) of Public Law 92-463, as amended, closing portions of this meeting is in accordance with 5 U.S.C. 552b(c)(6) and (c)(9)(B).

Those who plan to attend should contact Dr. Grant Huang, Deputy Director, Cooperative Studies Program (125), Department of Veterans Affairs, 810 Vermont Avenue, NW., Washington, DC 20420 at (202) 254-0183.

Dated: May 9, 2007.

By direction of the Secretary.

E. Philip Riggan,

Committee Management Officer.

DEPARTMENT OF VETERANS AFFAIRS

Genomic Medicine Program Advisory Committee; Notice of Meeting

The Department of Veterans Affairs (VA) gives notice under Public Law 92-463 (Federal Advisory Committee Act) that the Genomic Medicine Program Advisory Committee will meet on June 11, 2007 in the Virginia Room, 2nd floor, at the Mayflower Renaissance Hotel, 1127 Connecticut Avenue, NW.,

Washington, DC. The meeting will convene at 8 a.m. and adjourn at 5:30 p.m. The meeting is open to the public.

The purpose of the Committee is to provide advice and make recommendations to the Secretary of Veterans Affairs on using genetic information to optimize medical care of veterans and to enhance development of tests and treatments for diseases particularly relevant to veterans.

At the June 11 meeting, the Committee will receive an overview of the VA health care system and electronic medical record, and will be asked to provide insight into optimal ways for VA to incorporate genomic information into its health care program while applying appropriate ethical oversight and protecting the privacy of veterans.

Members of the public may make oral statements, limited to 5 minutes each, during the period reserved for public comments. They may also submit, at the time of the meeting, a 1-2 page summary of each statement for inclusion in the official meeting record. Any member of the public seeking additional information should contact Dr. Timothy O'Leary at timothy.oleary@va.gov.

Dated: May 9, 2007.
