Centers for Disease Control and Prevention

[Docket Number NIOSH-036]

AGENCY: The National Institute for Occupational Safety and Health (NIOSH) of the Centers for Disease Control and Prevention (CDC), Department of Health and Human Services (HHS).

ACTION: Notice of public meeting.

MEETING DATE AND TIME: Tuesday, June 26, 2007, opening session will begin at 9 a.m. EDT and the meeting will adjourn in mid-afternoon. Registration will be held from 8 a.m. to 9 a.m.

PLACE: The Embassy Suites Pittsburgh International Airport, 550 Cherrington Parkway, Coraopolis, Pennsylvania 15108.

SUMMARY: The NIOSH National Personal Protective Technology Laboratory (NPPTL) will hold a public meeting to discuss a proposed Total Inward Leakage (TIL) program for half-mask air-purifying particulate filtering respirator certification with plans to later include similar requirements for all respirator certifications.

PURPOSE: Recent trends in the field of personal protective equipment (PPE) testing have focused on the need to effectively evaluate PPE systems performance for TIL under laboratory conditions. While TIL testing performed under laboratory conditions does not necessarily reflect expected actual field level PPE performance, it does represent a criterion for performance that

influences PPE design. TIL testing is intended to quantify the ability of respirators to fit a range of individuals; however, it is not intended to replace individual fit testing as mandated by the Occupational Safety and Health Administration (OSHA).

STATUS: This meeting will be open to the public, limited only by the space available. The meeting room will accommodate approximately 75 people. Interested parties should make hotel reservations directly with the Embassy Suites Hotel at 412-269-9070 (ask for Lauren) before the cut-off date of June 11, 2007. A special group rate of \$100 per night for meeting guests has been negotiated for this meeting. The NIOSH-NPPTL Public Meeting must be referenced to receive this rate.

Interested parties should confirm their attendance to this meeting by completing a registration form and forwarding it by e-mail (npptlevents@cdc.gov) or fax (304-225-2003) to the NPPTL Event Management Office. A registration form may be obtained from the NIOSH Homepage (<http://www.cdc.gov/niosh>) by selecting conferences and then the event.

State Children's Health Insurance Program (SCHIP); Redistribution of Unexpended SCHIP Funds From the Appropriations for Fiscal Year 2004 and Fiscal Year 2005 To Eliminate SCHIP Fiscal Year 2007 Funding Shortfalls; and Provisions for Continued Authority for Qualifying States To Use a Portion of Certain SCHIP Funds for Medicaid Expenditures

AGENCY: Centers for Medicare & Medicaid Services (CMS), HHS.

ACTION: Notice

SUMMARY: This notice describes, in accordance with the provisions of the National Institutes of Health Reform Act of 2006 (NIHRA), the methodology and process used for determining the amounts of unexpended Federal fiscal year (FY) 2004 SCHIP allotments remaining at the end of FY 2006, and the amounts of unexpended FY 2005 SCHIP allotments available mid-FY 2007, to be redistributed to certain States to eliminate these States' SCHIP funding shortfalls in FY 2007. In accordance with this methodology, this notice also contains the amounts of States' redistributed FY 2004 and FY 2005 allotments.

This notice also describes the amendments to the SCHIP statute, in accordance with the NIHRA, relating to the provisions for "qualifying States" to elect to receive a portion of their available SCHIP allotments as increased Federal matching funds for certain expenditures in their Medicaid programs.

SUPPLEMENTARY INFORMATION:

FOR FURTHER INFORMATION CONTACT: Richard Strauss, (410) 786-2019.

I. Background

A. Availability and Redistribution of SCHIP Fiscal Year Allotments

Title XXI of the Social Security Act (the Act) sets forth the State Children's Health Insurance Program (SCHIP) to enable States, the District of Columbia, and specified Commonwealths and Territories to initiate and expand health insurance coverage to uninsured, low-income children. The 50 States, the District of Columbia, and the Commonwealths and Territories may

implement SCHIP through a separate child health program under title XXI of the Act, an expanded program under title XIX of the Act, or a combination of both.

Section 2104(e) of the Act specifies that SCHIP allotments for a Federal fiscal year are available for payment to States' for their expenditures under an approved State child health plan for an initial 3-fiscal year period of availability, including the fiscal year for which the allotment was provided. Section 2104(f) of the Act specifies that the amounts of States' allotments, which are not expended during the initial 3-year period of availability, are to be redistributed to those States that have fully spent these fiscal year allotments during this period of availability in accordance with an appropriate procedure determined by the Secretary. Furthermore, section 2104(e) of the Act specifies that the amounts of the redistributed allotments continue to be available for expenditure by the States receiving these redistributions to the end of the fiscal year in which these funds are redistributed.

B. Enactment of the NIHRA and Special Rules for Addressing FY 2007 SCHIP Funding Shortfalls

In general, under section 2104(e) and (f) of the Act, any unexpended SCHIP allotments remaining following the end of the initial 3-year period of availability would otherwise be redistributed in accordance with an appropriate procedure determined by the Secretary. However, section 201(a) of the recently enacted National Institutes of Health Reform Act of 2006 (Pub. L. 109-482) (NIHRA) amended the SCHIP statute to add a new section 2104(h) of the Act. This new subsection provides for special rules to address States' FY 2007 SCHIP funding shortfalls. Specifically, in order to address States' FY 2007 SCHIP funding shortfalls, section 2104(h) of the Act provides for the redistribution in FY 2007 of the unexpended FY 2004 allotments remaining at the end of FY 2006, and the redistribution of certain amounts of unexpended FY 2005 allotments which are available for redistribution in months after March 31, 2007. This notice describes the implementation of section 201(a) of the NIHRA and contains the amounts of the States' redistributed FY 2004 and FY 2005 allotments determined in accordance with these provisions.
