

revenue sharing or other arrangements in connection with such assets. Applicants represent that the Substitutions and the selection of the Replacement Portfolios were not motivated by any financial consideration paid or to be paid by the Replacement Portfolios, their advisors or underwriters, or their respective affiliates.

15. For the two year period following the date of the Substitutions, the Applicants agree that if, on the last day of each fiscal quarter during the 2 year period, the total operating expenses of an unaffiliated Replacement Fund (taking into account any expense waiver or reimbursement) exceed on an annualized basis the net expense level of the corresponding Replaced Fund for the 2005 fiscal year, it will, for each Contract outstanding on the date of the Substitutions, make a corresponding reimbursement of expenses to the Contract Owners as of the last day of such fiscal quarter period, such that the amount of the Replacement Fund's net expenses, together with those of the corresponding Separate Account, on an annualized basis, will be no greater than the sum of the net expenses of the corresponding Replaced Fund and the expenses of the Separate Account for the 2005 fiscal year.

16. For a two year period following the date of the Substitution, the Applicants agree that the total operating expenses of each affiliated Replacement Portfolio (taking into account any expense waiver or reimbursement) will not exceed on an annualized basis the net expense level of the corresponding Replaced Fund for the 2005 fiscal year.

17. Applicants further agree that Separate Account charges on the Contracts affected by this Substitution will not be increased at any time during the 2 year period following the date of the Substitution, while the caps discussed in paragraphs 15 and 16 are in effect on the Replacement Portfolios.

18. Notice of the proposed substitution was mailed to all Contract owners on October 30, 2006. In addition, all Contract owners will be given another notice of the Substitution after it is approved by the Commission. This notice will be sent at least 30 days prior to the Substitution. All Contract owners will have an opportunity at any time after receipt of this notification of the Substitution and for 30 days after the Substitution to reallocate accumulation value among other available subaccounts without the imposition of any transfer charge or limitation and without being counted as one of the Contract owner's free transfers in a contract year.

19. Within five days after the Substitution, the Integrity Companies will send to affected Contract owners written confirmation that the Substitution has occurred.

20. The Substitution will in no way alter the insurance benefits to Contract owners or the contractual obligations of the Integrity Companies.

21. The Substitution will have no adverse tax consequences to contract owners and will in no way alter the tax benefits to Contract owners.

Conclusion

For the reasons and upon the facts set forth above, Applicants submit that the requested order meets the standards set forth in Section 26(c). Applicants request an order of the Commission, pursuant to Section 26(c) of the Act, approving the Substitutions.

For the Commission, by the Division of Investment Management, pursuant to delegated authority.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-55157; File No. SR-NSCC-2006-12]

Self-Regulatory Organizations; National Securities Clearing Corporation; Order Granting Approval to Proposed Rule Change Relating to Buy-Ins of Municipal Securities

January 23, 2007.

I. Introduction

On October 16, 2006, the National Securities Clearing Corporation ("NSCC") submitted to the Securities and Exchange Commission ("Commission"), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² a proposed rule change to modify NSCC's rules concerning buy-ins of municipal securities. The proposed rule change was published for comment in the **Federal Register** on December 14, 2006.³ No comment letters were received on the proposal. This order approves the proposal.

II. Description of the Proposal

The purpose of this filing is to amend NSCC's rules to streamline the

processing of continuous net settlement ("CNS") buy-ins of municipal securities. At the request of members and after consultation with the Buy-In Subcommittee of the Securities Industry Association, NSCC is modifying Rule 11 (CNS System), Procedure VII (CNS Accounting Operation), and Procedure X (Execution of CNS Buy-Ins) with respect to CNS buy-ins of municipal securities as set forth below.

Executions of buy-ins of municipal securities are governed by the rules of the Municipal Securities Rulemaking Board ("MSRB") and have a ten-day cycle from notification of intent to buy-in to buy-in execution. In contrast, buy-ins for equity and corporate bond securities have a two-day cycle.

Under NSCC's rules (except with respect to securities subject to voluntary corporate reorganizations), an NSCC member that has a long CNS position at the end of any day ("originator") may submit to NSCC a Notice of Intention to Buy-In ("Buy-In Notice") specifying a quantity of securities not exceeding such long CNS position that it intends to buy-in ("Buy-In Position"). The day the Buy-In Notice is submitted is referred to as N and the succeeding days are referred to as N+1 and N+2. The Buy-In Position is given high priority for CNS allocations until expiration of the buy-in.

While increased priority is provided to facilitate the allocation of the Buy-In Position in CNS, municipal securities are usually thinly traded and the increased allocation priority has not been generally effective in accelerating the delivery process. Accordingly, when a municipal security Buy-In Position is not satisfied by a CNS allocation, the long member must have its Buy-In Position exited from CNS in order to be able to proceed under MSRB rules, which entails issuing a new buy-in notice and then waiting an additional ten days before executing the buy-in. As a result, a member typically will request that NSCC exit the municipal security Buy-In Position from CNS, and NSCC will exit the municipal security from CNS, which results in receive and deliver obligations for the affected parties two days later.

To assist members in their timely processing of buy-ins of municipal securities, NSCC is modifying its rules and procedures to automatically exit from CNS unsatisfied municipal security Buy-In Positions. Under the new procedures, CNS will automatically exit such positions prior to the night cycle on N+1. This will create a broker-to-broker close-out receive and deliver obligation between the member with the long CNS position and the member(s)

with the oldest short CNS position(s). Thus, the Buy-In Position will be automatically exited from CNS one day earlier than is currently the case and the buy-in process under MSRB rules can likewise commence one day earlier.

III. Discussion

The Commission finds that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder applicable to a registered clearing agency. In particular, the Commission believes the proposal is consistent with the requirements of Section 17A(b)(3)(F),⁴ which among other things, requires the rules of a clearing agency to promote the prompt and accurate clearance and settlement of securities transactions. By automating and accelerating the exiting of unsatisfied municipal securities Buy-In Positions, the new rule should expedite and make more efficient the processing of municipal securities buy-ins. As a result, the new rule should promote the prompt and accurate clearance and settlement of such securities transactions.

IV. Conclusion

On the basis of the foregoing, the Commission finds that the proposal is consistent with the requirements of the Act and in particular with the requirements of Section 17A of the Act⁵ and the rules and regulations thereunder.

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,⁶ that the proposed rule change (File No. SR-NSCC-2006-12) be, and hereby is, approved.⁷

For the Commission by the Division of Market Regulation, pursuant to delegated authority.⁸
