**FOR FURTHER INFORMATION CONTACT:** Jerry Sirski, Recreation Specialist, 541-899-3815.

**SUPPLEMENTARY INFORMATION:** The Federal Recreation Lands Enhancement Act (Title VII, Pub. L. 108-447) directed the Secretary of Agriculture to publish a six month advance notice in the **Federal Register** whenever new recreation fee areas are proposed.

These facilities are in close proximity to the Wild, Scenic, and Recreational segments of the Illinois River. This area offers significant recreational viewing opportunities, fishing experiences, and is rich in historical and cultural importance. A market analysis indicates that the \$4/per day single vehicle fee is both reasonable and acceptable for this sort of unique recreation experience.

#### SUPPLEMENTARY INFORMATION:

##### Background

On July 17, 2007, the Bureau of Industry and Security (BIS) published a notice of inquiry in the **Federal Register** (72 FR 39052) that invited the public to submit comments regarding the Commerce Control List (CCL) in the Export Administration Regulations (EAR).

The notice indicated that, in addition to seeking recommendations from its Technical Advisory Committees (TACs) as a part of a systematic review of the CCL, BIS believed that it would also be beneficial to allow interested members of the public to submit comments regarding the CCL.

Specifically, in addition to seeking recommendations from its TACs, BIS invited the interested public to submit comments regarding:

(1) The overall structure of the CCL, including suggestions for how the structure of the CCL may be changed to better advance U.S. national security, foreign policy, and economic interests;

(2) Types of items that should be listed on the CCL and the appropriate levels of controls to be placed on those items, taking into account technology levels, markets, and foreign availability;

(3) Any updates to the CCL item descriptions that would enable the descriptions to better reflect the intent of the multinational controls and to eliminate any overly broad descriptions that inadvertently capture non-critical items that are not controlled by other countries; and

(4) Coordination and harmonization of controls on items covered by the multilateral regimes, such as the Wassenaar Arrangement.

The notice of inquiry indicated that the deadline for public comments closes on September 17, 2007. BIS is now extending the comment period until November 1, 2007, to allow the public additional time to comment on the notice of inquiry.

Dated: August 30, 2007.
