DEPARTMENT OF JUSTICE

Notice of Lodging of Proposed Stipulation Relating to Proofs of Claim Under the Comprehensive Environmental Response, Compensation and Liability Act (CERCLA)

Notice is hereby given that on September 12, 2007, a proposed Stipulation Relating to Proofs of Claim for El Paso County Metals Survey Site and Dona Ana Metal Site was filed with the United States Bankruptcy Court for the Southern District of Texas in *In re. Asarco LLC*, No. 05-21207 (Bankr. S.D. Tex.). The proposed Stipulation entered into among the United States on behalf of the Environmental Protection Agency, State of New Mexico, City of El Paso, and Asarco LLC ("Asarco") provides, *inter alia*, that the United States estimates that the cost to Asarco for completion of residential soils cleanups after May 1, 2007 at the El Paso Site in El Paso, Texas, will not exceed \$4,770,000, and that Asarco's estimated liability to the United States with respect to all other response actions or costs that may be incurred at the El Paso Site after May 1, 2007 will not exceed \$50,000 per year. These estimates are premised on the assumption that Asarco will perform the remaining work required for soil remediation, and the Stipulation is also without prejudice to the positions of the United States, Asarco, and the City of El Paso regarding the injunctive order for work with respect to the El Paso Site.

The Department of Justice will receive comments relating to the proposed Stipulation for a period of thirty (30) days from the date of this publication. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and either e-mailed to pubcomment-ees.enrd@usdoj.gov or mailed to P.O. Box 7611, U.S. Department of Justice, Washington, DC 20044-7611, and should refer to *In re. Asarco LLC*, DJ Ref. No. 90-11-3-08633.
