North Texas Wind Center, LLC; Notice of Filing

October 16, 2007.

Take notice that on October 9, 2007, North Texas Wind Center, LLC, c/o Noble Environmental Power, LLC, 8 Railroad Avenue, Suite 8, Essex, CT 06426, on behalf of the NTWC-2 Project (NTWC-2) filed with the Federal Energy

Regulatory Commission (Commission) an application for recertification of a facility as a qualifying small power production facility pursuant to 18 CFR 292.207(b) of the Commission's regulations. No determination has been made that the submittal constitutes a complete filing.

NTWC-2 is small power production wind facility currently in development that consists of multiple wind turbine generators with an approximate net power production capacity of 76.8 MW. The facility will be located in Hansford County, Texas.

Interconnection of NTWC-2 will be with a transmission line owned by Xcel Energy, Inc. and operated by its operating subsidiary Southwestern Public Service Company (SPS). NTWC-2 also expects that SPS will be the electric utility that will provide the facility with supplementary, back-up and maintenance power.

Any person desiring to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211, 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. [Docket No. ER07-1300-000]

Reliant Energy Solutions Northeast, LLC; Notice of Issuance of Order

October 17, 2007.

Reliant Energy Solutions Northeast, LLC (RESN) filed an application for market-based rate authority, with an accompanying rate schedule. The proposed market-based rate schedule provides for the sale of energy, capacity and ancillary services at market-based rates. RESN also requested waivers of various Commission regulations. In particular, RESN requested that the Commission grant blanket approval under 18 CFR part 34 of all future issuances of securities and assumptions of liability by RESN.

On October 16, 2007, pursuant to delegated authority, the Director, Division of Tariffs and Market Development—West, granted the requests for blanket approval under part 34 (Director's Order). The Director's Order also stated that the Commission would publish a separate notice in the **Federal Register** establishing a period of time for the filing of protests. Accordingly, any person desiring to be heard concerning the blanket approvals of issuances of securities or assumptions of liability by RESN, should file a protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure. 18 CFR 385.211, 385.214 (2004).

Notice is hereby given that the deadline for filing protests is November 15, 2007.

Absent a request to be heard in opposition to such blanket approvals by the deadline above, RESN is authorized to issue securities and assume obligations or liabilities as a guarantor, indorser, surety, or otherwise in respect of any security of another person; provided that such issuance or assumption is for some lawful object within the corporate purposes of RESN, compatible with the public interest, and

is reasonably necessary or appropriate for such purposes.

The Commission reserves the right to require a further showing that neither public nor private interests will be adversely affected by continued approvals of RESN's issuance of securities or assumptions of liability.

Copies of the full text of the Director's Order are available from the Commission's Public Reference Room, 888 First Street, NE., Washington, DC 20426. The Order may also be viewed on the Commission's Web site at <http://www.ferc.gov>, using the eLibrary link. Enter the docket number excluding the last three digits in the docket number field to access the document. Comments, protests, and interventions may be filed electronically via the internet in lieu of paper. See 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission's Web site under the "e-Filing" link. The Commission strongly encourages electronic filings.
