## OFFICE OF THE UNITED STATES TRADE REPRESENTATIVE

### Generalized System of Preferences (GSP): Import Statistics Relating to Competitive Need Limitations; 2007 Annual GSP Review; Petitions Requesting CNL Waivers

**AGENCY:** Office of the United States Trade Representative.

**ACTION:** Notice.

**SUMMARY:** This notice is to inform the public of the availability of eight-month 2007 import statistics relating to competitive need limitations (CNLs) under the Generalized System of Preferences (GSP) program. The eight-month 2007 import statistics identify those articles for which the full-year 2007 trade levels may exceed statutory CNLs. The eight-month 2007 trade data is available at: [GSP: January-August 2007 Trade Data Relating to CNLs]:

[http://www.ustr.gov/Trade\\_Development/Preference\\_Programs/GSP/GSP\\_2007\\_Annual\\_Review/Section\\_Index.html](http://www.ustr.gov/Trade_Development/Preference_Programs/GSP/GSP_2007_Annual_Review/Section_Index.html).

As previously announced in the **Federal Register** (72 FR 28527 (May 21, 2007)), the deadline for submission of petitions to waive the CNLs for individual beneficiary developing countries with respect to GSP-eligible articles is 5 p.m., November 16, 2007. Petitions must conform to the requirements as set forth in the May 21, 2007, **Federal Register** notice. Public comments regarding possible *de minimis* waivers and possible GSP redesignations will be requested in a subsequent **Federal Register** notice.

**FOR FURTHER INFORMATION CONTACT:** Contact the GSP Subcommittee of the Trade Policy Staff Committee, Office of the United States Trade Representative, 1724 F Street, NW., Room F-220, Washington, DC 20508. The telephone number is (202) 395-6971.

#### SUPPLEMENTARY INFORMATION:

##### I. Competitive Need Limitations

The GSP program provides for the duty-free importation of designated articles when imported from designated beneficiary developing countries (BDCs). The GSP program is authorized by title V of the Trade Act of 1974 (19 U.S.C. 2461, *et seq.*), as amended (the "1974 Act"), and is implemented in accordance with Executive Order 11888 of November 24, 1975, as modified by subsequent Executive Orders and Presidential Proclamations.

Section 503(c)(2)(A) of the 1974 Act sets out the two competitive need limitations (CNLs). When the President

determines that a BDC exported to the United States during a calendar year either: (1) A quantity of a GSP-eligible article having a value in excess of the applicable amount for that year (\$130 million for 2007), or (2) a quantity of a GSP-eligible article having a value equal to or greater than 50 percent of the value of total U.S. imports of the article from all countries (the "50 percent CNL"), the President must terminate GSP duty-free treatment for that article from that BDC by no later than July 1 of the next calendar year. However, Section 503(d) of the 1974 Act, sets forth the criteria under which the President may grant a waiver of the CNL for articles imported from specific BDCs. Product petitions requesting CNL waivers for GSP-eligible articles from beneficiary developing countries that exceed the CNLs in 2007 must be filed in the 2007 Annual Review.

Under section 503(c)(2)(F) of the 1974 Act, the President may also waive the 50 percent CNL with respect to an eligible article imported from a BDC if the value of total imports of that article from all countries during the calendar year did not exceed the applicable *de minimis* amount for that year (\$18.5 million for 2007). Comments on *de minimis* waivers will be requested after publication of a separate **Federal Register** notice in February 2008.

##### II. Implementation of Competitive Need Limitations

Exclusions from GSP duty-free treatment where CNLs have been exceeded will be effective July 1, 2008, unless granted a waiver before that date by the President. CNL exclusions will be based on full calendar-year 2007 import statistics. Full calendar-year 2007 data for individual tariff subheadings will be available in February 2008 on the Web site of the U.S. International Trade Commission at <http://dataweb.usitc.gov/>.

##### III. January–August 2007 Import Statistics

In order to provide advance notice of articles that may exceed the CNLs for 2007, "January–August 2007 Trade Data Relating to CNLs" that cover the first eight months of 2007 can be viewed at: [http://www.ustr.gov/Trade\\_Development/Preference\\_Programs/GSP/GSP\\_2007\\_Annual\\_Review/Section\\_Index.html](http://www.ustr.gov/Trade_Development/Preference_Programs/GSP/GSP_2007_Annual_Review/Section_Index.html). If unable to access these statistics, contact the GSP Subcommittee of the Trade Policy Staff Committee, which will make alternate arrangements to provide the lists.

The January-August 2007 statistics are organized to show, for each article, the
